ABOUT US

The Association of Management Studies (AMS), a visionary initiative launched by seven Rotarians in 1994, stands as a registered society providing educational excellence. AMS, the driving force behind the IIMT Group of Colleges, laid the foundation stone for Meerut's first AICTE-approved college in the same year. What started as a modest effort has now blossomed into a robust conglomerate comprising multiple colleges, schools, and hospitals.

Inspired by the triumph of these educational ventures and propelled by an unwavering commitment to delivering top-notch education across diverse fields, the group embarked on a transformative journey. This journey culminated in the establishment of IIMT University in Uttar Pradesh, a beacon of higher learning and professional development in the year 2016.

IIMT University offers an extensive array of programs spanning diplomas, undergraduate, postgraduate, and doctoral levels. Covering an expansive spectrum of disciplines including Engineering, Business Management, Computer Applications, Basic Sciences, Hotel & Tourism, Pharmacy, Mass Communication, Arts & Humanities, Agricultural Sciences, Education, Physical Education, Naturopathy, Ayurveda, and Law, the university caters to the diverse aspirations of students.

At IIMT University, fostering an atmosphere conducive to innovation, research, and development is paramount. Through cutting-edge facilities and a commitment to academic excellence, the university empowers students to push the boundaries of knowledge and chart new territories of discovery and transformation. Over the years, IIMT University has carved out a special place in the hearts of Indians.

VISION

To be a world – class university, imparting knowledge and values and providing the students an excellent learning experience through research & innovation in the field of Science, Technology, Management and other areas that will meet the aspirations of world community.

MISSION

University stands for academic, professional and ethical empowerment of the youth by using the state-of-the-art technology, time- tested and innovative concepts, excellent infrastructure and internationally acclaimed facilitators.

IIMTU QUICK FACTS

- Founded in 2016.

IIMTU FOSTERING A STUDENT - CENTRIC CULTURE THAT MAKES US DIFFERENT.

IIMT University prioritizes holistic student development by nurturing unique talents, encouraging pursuits beyond academics, and supporting innovative ideas. With diverse clubs and societies, it provides platforms for students to explore interests and express creativity alongside peers who share similar passions.

Techno Club:

Empowers tech enthusiasts to innovate, collaborate, and grow by exploring coding, creativity, and the evolving world of technology.

USR Club:

Drives social change through awareness, health camps, and sustainable initiatives, promoting ethics, citizenship, and community development beyond academics.

Environmental Club:

Promotes sustainability through green practices, tree planting, and awareness, engaging campus and community in conservation and environmental responsibility.

Cultural Club:

Celebrates cultural diversity, nurturing talent, confidence, and unity through expressive events that foster inclusivity and holistic student development.

Outreach Activities

Our University's Outreach Activities under USR aim to build a socially responsible and empowered community. Through NCC and NSS, students develop leadership, discipline, and a spirit of service. Under Unnat Bharat Abhiyan (UBA), we connect with rural communities to drive sustainable development.

Additionally, specialized agricultural training programs equip farmers with modern practices, boosting productivity and livelihood. These initiatives reflect our commitment to inclusive growth, nation-building, and meaningful societal transformation.

STUDENT SUPPORT SERVICES:

Availability of counseling services, academic advising, Mentor-Mentee system, and student welfare schemes help students to navigate through any issue at the University Campus.

NATIONAL CADET CORPS

IIMT University incorporated the NCC in August 2020 to instill values of discipline, leadership and national unity among students. It also helps in character building, physical fitness, and community service besides given career opportunities.

IIC ACTIVITIES

Established in 2018-19, the IIC at IIMT University swiftly became a driving force for change, aligning with the Ministry of Education's vision to foster innovation and entrepreneurship in higher education. With a strong foundation, it cultivates a culture of innovation and entrepreneurship among students, faculty, and the community. Continuously exceeding expectations, IIMT University's IIC consistently earns top star ratings, showcasing its dedication to excellence and innovation.

RADIO IIMT 90.4 FM

IIMT University has its own first community radio in Meerut named 90.4 FM. It has been awarded Lead Community Radio Station among 24 Community Radio Stations of India by the Ministry of Information and Broadcasting, Government of India.

THE UNPARALLELED STUDENT SUPPORT SYSTEM

“Where every student finds their wings to soar!”

GRIEVANCE REDRESSAL MECHANISM

A robust grievance redressal system is crucial in educational institutions to support students. IIMT University's structured mechanism ensures prompt and fair grievance resolution, allowing students to voice concerns regarding academic, examinations, administrative, or discriminatory issues.

This fosters a culture of fairness, accountability, and positive learning. IIMTU has Grievance mechanism visible on the ERP Portal also, where students can lodge their complaints. It safeguards student rights, creating a comfortable learning environment conducive to growth, making IIMTU one of India's preferred institutions.

ANTI-RAGGING MEASURES AT IIMT CAMPUS

The Anti-Ragging mechanism within IIMT University serves as a protective shield for students, ensuring their safety and well-being. It has an Anti ragging

Committee and squad which comprises of faculty members, administrators to actively monitor and address instances of ragging or bullying on campus.

By enforcing strict regulations and conducting regular inspections, the squad creates a deterrent against such behavior, fostering a safe and inclusive environment for all students. Their presence offers reassurance to students, promoting a sense of security and encouraging them to focus on their studies and personal development without fear of harassment or intimidation and ensures a ragging free Campus.

SCHOLARSHIP SCHEMES

IIMT University provides invaluable financial support to students, opening doors to education for those with limited resources. These schemes recognize academic excellence, financial need, merit, sports achievements offering assistance in the form of tuition waivers, grants, or relaxation.

By alleviating the burden of educational expenses, scholarships empower students to pursue their

academic aspirations without financial constraints. This support not only enhances access to higher education but also promotes diversity and excellence within the IIMT university community. The scholarship is granted as per the scheme running at the time of admission.

RESERVATION POLICY

The reservation policy in IIMT University (as per State

Government Policy) aims to ensure equitable access to education by providing opportunities for historically marginalized communities. By allocating a percentage of seats to these groups based

on social or economic criteria, the policy promotes diversity and inclusivity within the student body. This proactive approach not only enhances educational opportunities for underprivileged students but also contributes to societal progress and empowerment.

DIVYANGJAN POLICY

IIMT University has a divyangjan policy to serve the physically challenged students as per UGC Guidelines. The University ensures the representation of all the types of disabilities listed in rights of persons with disabilities 2016 (section 16 PWD act 2016) and

as per government regulations from time to time.

COMMUNICATION TO STUDENTS

To ensure students stay informed, IIMT University actively maintains information on ERP, its Website, and social media presence across platforms like Facebook, Instagram, and Twitter. These channels serve as vibrant hubs for sharing event announce-

ments, schedules, updates, and captivating glimpses into past events through captivating photos and engaging videos."

CONVOCATION

Honorable Defence Minister, Shri Rajnath Singhji encouraging the young minds of IIMT

Honorable Justice Supreme Court of India) Shri Pankaj Mittal Ji addressing IIMTians.

Honorable Deputy Chief Minister, Shri Brijesh Pathak Ji inspiring the future of India at IIMT

The convocation ceremony at IIMT University, Meerut, was a grand and memorable event, celebrating the academic achievements of graduating students. The event took place on January 11, 2025, with esteemed dignitaries, faculty members, students, and proud parents in attendance.

The ceremony commenced with a formal academic procession, followed by the lighting of the ceremonial lamp and the university anthem. The Honorable Vice-Chancellor delivered an inspiring welcome address, emphasizing the significance of education, perseverance, and lifelong learning.

The Chief Guest, Hon'ble Defence Minister Rajnath Singh urged students to align their goals with India's 2047 vision, stressing the youth's role in national progress. Sharing his journey from teaching to politics,

he emphasized optimism, self-belief, and faith, while highlighting the importance of India's culture and values as guiding principles.

Degrees and diplomas were conferred upon students from various disciplines, recognizing their hard work and dedication. Gold medals and awards were also presented to meritorious students for their outstanding performance. Graduates expressed their gratitude to their professors and families for their unwavering support.

The convocation concluded with a heartfelt vote of thanks, followed by the national anthem. The atmosphere was filled with joy, pride, and aspirations as students embarked on their new journey. The event was a remarkable success, marking the beginning of a new chapter in the graduates' lives.

IIMT Meerut Invaders Shine in LLC Ten I0 Tournament

IIMT Meerut Invaders showcased exceptional talent in the inaugural LLC Ten I0 tournament, a premier tennis ball cricket league by Legends League Cricket and Amar Ujala. The team started strong, defeating Venkateshwara Lions and The Dayspring Eagles to advance to the second round.

In a nail-biting super-over thriller against GL Bajaj Super Striker, the Invaders fought valiantly but narrowly missed advancing. Their stellar performance highlighted IIMT's commitment to nurturing sports talent alongside academic excellence. With top-tier mentorship and national exposure, IIMT continues to empower young athletes, reinforcing its reputation as a leading institution for holistic development.

Health Care facility for students and staff

IIMT LIFE LINE HOSPITAL

For providing quality healthcare to the students, Staff and other, IIMT University has its own IIMT Life Line Hospital within the campus with following advance health care facilities and latest diagnostic services.

- 100 Bed Hospital
- Central Air-Conditioning system
- Multi-speciality Hospital
- 24 hours Emergency Facility
- 24 hours Ambulance
- In-house Pharmacy
- Advance Trauma Management
- Radiology (CT Scan, Ultrasound, X-Ray)
- Pathology
- Critical Care ICU, ICCU and NICU

IIMT AYURVEDIC MEDICAL COLLEGE & HOSPITAL

The growing global demand for Ayurveda has led to a great need to establish a "Center of Excellence" for Ayurveda that addresses not only the growing demand for Ayurvedic professionals but also the growing need for quality tertiary health care. With this goal in mind, IIMT Ayurvedic Medical College & Hospital has established itself in the serene setting of Meerut with state of the art Infrastructure.

CORPORATE RESOURCE AND INTERFACE CENTRE

“The Essential prowess that empowers IIMTians to shape their future.”

The Corporate Resource and Interface Centre (CRIC) at IIMT University is dedicated to providing students with authentic industry exposure through a comprehensive array of initiatives. From industrial visits and lectures by industry experts to internships, professional skills training, and ultimate placement in top global companies, CRIC ensures students are well-prepared for the professional world.

At the heart of CRIC's mission is the cultivation of influential and forward-thinking leaders. Through personalized guidance and experiential learning methodology, the training department empowers students to recognize their potential, seize opportunities, and emerge as leaders with a transformative mindset. The approach emphasizes principle-centered, character-based development, prioritizing personal growth before public success.

CRIC's methodology is experiential, fostering learning through activities, discussions, and immersive experiences led by seasoned facilitators. From enhancing communication and presentation skills to nurturing decision-making abilities and igniting a passion for change, CRIC's training cell fosters holistic development, equipping students with the tools they need to thrive in a dynamic professional landscape.

CRIC-IIMTU's Placement Cell is dedicated to attracting top national and international organizations for Campus Recruitment Drives. In the 2024 - 2025 session major recruiters included TCS, Wipro, Accenture, Max Hospital, RAK Ceramics, Lenskart, Asahi India, Genpact, British Telecom, ICICI Bank, Floor & Furnishings, Reliance Group, Tech Mahindra etc. Among our many remarkable achievements this year, we are proud to share that many of our students have secured prestigious internship opportunities with top FMCG giants like Nestlé and ITC. Indian Navy consistently favors IIMT University for Pool Campus Recruitment Drives. This year's placements saw annual packages ranging from 4.00 LPA to 10.22 LPA.

With renowned names like Amazon, Infosys, and Paytm among recruiters, students have ample opportunities to kickstart their careers with esteemed organizations, cementing IIMT's reputation as a preferred destination for placement and career advancement.

INDUSTRIAL VISIT

The students pursuing different professional courses get the chance to visit and see the production plant, manufacturing unit, it's assembly line etc. The objective of such visits is to acclimatize the budding technocrats & the managers with the functioning of the industries.

OUR ALUMNI

“The Lifelong Legacy of IIMT's Excellence”

Alumni are like the backbone of any institution. They are super important because they represent the institution wherever they go. They represent the great education, environment and values they learned at their alma mater.

At IIMT, we have a strong bond with our alumni. They feel connected to us not just while studying but for life. Our alumni are all over the world, ready to help out their alma mater however they can. They have even formed an IIMT Alumni Association. There are about 1 Lakh+ IIMT alumni doing amazing things in different fields, making us proud.

STUDENT'S REVIEW

★★★★★

Nishant
B.Tech (Mechanical Engineering)
School of Engineering & Technology

My experience at IIMT University, Meerut as a B.Tech (Mechanical Engineering) student has been enriching. With advanced labs, supportive faculty, excellent sports and R&D facilities, and a vibrant campus life, the university fosters academic growth, hands-on learning, and overall development, laying a strong foundation for my future career.

★★★★★

Sumit poddar
B. Tech, CSE(AI & ML)
School of Engineering & Technology

My college isn't just a place to study—it's a place where I've grown as a person, discovered my true potential, and created unforgettable memories with people who constantly inspire and support me. Here, through the soft skill classes, I learnt how to step out of my comfort zone, take on new challenges, and believe in myself. From classrooms filled with curiosity to late-night study sessions and lively campus events, every moment here has contributed to shaping who I am today. The friendships I've made, the mentors who've guided me, and the experiences I've had have all played a part in this incredible journey. My college has truly become a second home and a foundation for my future.

★★★★★

Rani Prasad
B.Tech, CSE(AI & ML)
School of Engineering & Technology

IIMT UNIVERSITY is more than just an institution—it's a journey of transformation, growth, and self-discovery. Here, we don't just learn from books, but also from experiences, failures, and the people around us. The campus buzzes with energy, creativity, and the spirit of togetherness. Every classroom teaches more than subjects—it teaches life lessons. From cultural fests to sleepless exam nights, from laughter with friends to guidance from mentors, my college has given me memories and lessons that I'll carry with me forever.

★★★★★

Aman Chauhan
B-Tech (CSE)
School of Engineering & Technology
University

IIMT University, life is a transformative experience that shaped my academic, personal, and professional growth. I had the opportunity to engage in various research projects extracurricular activities that foster my critical thinking, creativity, and problem-solving skills. Professors and mentors provided guidance, support, and inspiration whenever I asked for. My college has certainly shaped my personality and instilled passion and confidence which I feel is limitless.

★★★★★

Zoya naaz
B.Tech (CSE)
School of Engineering & Technology

As a B.Tech Computer Science and Engineering student at IIMT University, Meerut. My academic journey has been both enriching and transformative. The faculties are experienced professionals who provide invaluable insights into the latest technological trends. The infrastructural facilities are modern and conducive. Beyond academics, participation in extra curricular activities has enhanced my leadership and teamwork skills. Regular workshops and seminars keep us updated with emerging technologies, preparing us for the dynamic tech industry.

★★★★★

Yashi Sangwan
B.Sc. (PSM)
School of Basic Sciences & Technology

As a B.Sc. PSM student at IIMT University, The curriculum emphasizes in-depth knowledge in core subjects like Physics, Statistics, and Mathematics, with hands-on experience through laboratory work. Experienced faculty, workshops, and extracurricular activities enhance learning. The campus offers great infrastructure and career support through internships and skill-building programs, promoting overall development and growth.

★★★★★

Akanshi Gautam
B.Sc. (PCM)
School of Basic Sciences & Technology

As a BSc PCM student at IIMT University, I experience a balance of rigorous academics and practical learning. The curriculum emphasizes core subjects with supportive faculty and modern labs. Cultural and technical events boost personal growth. Despite demanding academics culture, the campus promotes collaboration, and the placement cell aids career development, encouraging independent internships for better prospects.

★★★★★

Tejaswini Rajput
BCA
School of Computer Science and Applications

As a proud student of the School of Computer Science and Applications at IIMT University, I can confidently say that this institution is a haven for tech enthusiasts. The curriculum is practical and up-to-date, covering areas like programming, AI, and data science, ensuring we're ready for the ever-evolving IT world. Our modern labs and workshops give us hands-on experience, while hackathons and research projects help us tackle real-world challenges. The vibrant coding clubs and tech fests are a great platform to showcase our skills and bond with like-minded peers. The supportive faculty and placement opportunities with top companies make it a transformative journey.

★★★★★

Dipanshu Dua
BCA
School of Computer Science and Applications

As a student of the School of Computer Science and Applications at IIMT University, I can confidently say that the institution provides an exceptional learning experience. The faculty members are highly skilled and guide us with practical knowledge and innovative ideas. The university regularly organizes workshops, seminars, and guest lectures from industry professionals like IIT, which help us stay connected to the real-world. The placement support is strong, with numerous internship and job opportunities. Overall, IIMT University has given me the perfect environment to grow both academically and professionally in the field of computer science.

THE INDIAN KNOWLEDGE SYSTEM (IKS) CELL

The Indian Knowledge Systems (IKS) Cell at our University plays a vital role in preserving, promoting, and integrating India's ancient wisdom with modern education. It serves as a dynamic platform for cultural enrichment and intellectual exploration. Together, these initiatives celebrate India's timeless knowledge and values.

1. The Centre of Buddhist Studies, in collaboration with Lumbini University, Nepal, fosters spiritual and philosophical insights.
2. The Central for Sanskrit Certification, in partnership with Sanskrit University, revives the language of our scriptures.
3. The Centre for Astrology and Vastu Studies, in association with AIFSA, explores traditional sciences.
4. Centre for Ancient Indian Languages promotes linguistic heritage.
