Transforming Education System, Transforming Lives

FROM THE DESK OF THE EDITORS

*"Knowing is not enough; we must apply.
Willing is not enough; we must do!"*

Dear Readers,

It is an honour and delight for us to be the Editors of the Post - Covid 19 1st edition of the vibrant "The Chronicle - 2022." We have made tremendous strides to bring you this edition, filled with inspiration and information as intended which will definitely going to leave a lasting impact!

While writing this edition we recently met a graduate who couldn't stop talking about how many life lessons she had learned during her time at IIMTU and how it shaped her into the person she is today.

That is impact -

Stories like these are what inspired the theme for this edition of IIMTU Magazine. In this issue, you can read examples of the impact that our faculty and staff members have on students and alumni or see how our student body steps up time and time again to help others in their time of need. Learn how faculty members and staff volunteer their time and expertise to prepare juveniles for a better life course or how IIMTU taught leaders across disciplines are creating pivotal moments in our nation's history!

That is impact!

whether it was coming in the alumni meet, recalling their college days, the lifelong friendships they made or the faculty members that truly influenced their careers and lives, the huge impact IIMTU has had and continues to have is evident!

That is impact!

We hope that reading this magazine will have an impact on you and encourage you to have an impact on others. We may never know how much our words or actions influence the lives of those around us. But we can choose daily to be a positive influence on others in a way that could change the rest of their lives even if it's just within the walls of where you work. Here at IIMTU, colleagues not only support and encourage each other but also show up at funerals when one of us loses a loved one, bring food to share in times of celebrations and reach out to check on each other when one of us is ill or going through a tough time.

That is impact. And that is IIMTU!

None of what we did could be accomplished without the guidance and suggestions of our Honourable Vice Chancellor Dr. Deepa Sharma. We express our heartfelt gratitude to ma'am for being so supportive and imaginative.

We want to express our gratitude to our readers, contributors and coordinators who all volunteered their time to create this edition.

Good Wishes From,

MSME FUNDED PROJECTS

1. STEERING CONTROLLED HEADLIGHT

The aim is to design and develop Advance Steering controlled headlight Mechanism which acts as directional headlights.

Present-day automobiles don't have an effective lighting system. Due to this many accidents are taking place during night times especially in ghat and Hilly sections. The accidents can be avoided by incorporating the Steering Control Headlight Mechanism.

2. SOLAR TREE

Solar Tree is an environmental enterprise, an ecological sculpture, an artificial solar structure that looks like sculptural trees and exists from small scale (size of a bonsai tree) to large scale (about the size of a wind turbine) power plant.

Financial assistance up-to maximum of Rs. 15 lakh per approved idea shall be provided to Host Institute for developing and nurturing of the idea into prototype.

OUR INNOVATIVE PARTNERS

EVERYTHING BEGINS WITH AN IDEA

IDEATHON-1.0 & 2.0

As India and the world reorient in the wake of the COVID-19 crisis, a landmark policy initiative has been flagged by the Government of India. It is one of the milestone events amidst many important changes in the past decade that have necessitated formulation of a new outlook and strategy for Science, Technology and Innovation.

UNNAT BHARAT ABHIYAN CELL @ IIMTU

IIMT University is a participating institution under **UNNAT BHARAT ABHIYAN** and has established a UBA Cell which will be responsible for carrying out the activities of the UBA. This will involve the development of an active working group consisting of motivated students and faculty members drawn from various disciplines. The main responsibility of a UBA cell will be primarily to develop linkage with selective rural clusters, involve in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in those clusters. IIMT University has adopted five villages for mentoring under UBA program of Government of India.

AN INCUBATEE OF IIMTU: CANE CONCERNS AND SOLUTIONS PVT. LTD.(CATIONS)

Cane Concerns and Solutions Pvt. Ltd.(CATIONS) registered as a start-up company and an incubate of IIMT University Meerut, was incorporated on 31st Jan 2022 to transform the traditional sugarcane farming system by replacing the conventional sowing pattern from two-three bud sets of cane by Single Bud Plant to save inputs, soil ecology, environment and to increase the present level of farmer's income. After validation of the concept, the company produced one lakh sugarcane saplings with the help of a Women Self Help Group and supplied these saplings to farmers for Spring Planting season (FEB-APR '22) to test the growth and yield performance at farmer's fields. This farming system was not only able to increase the yield of farmers by double, but also conserving the inputs (water, fertilizers and pesticides) at the tune of 40-50% along with saving the environment.

UNIVERSITY SOCIAL RESPONSIBILITY (USR)

Community Work Initiatives

M. Williamson says, "In every community there is work to be done. In every nation, there are wounds to heal. In every heart there is the power to do it".

IIMT University addresses the social, economic and environmental concerns through its University Social Responsibility (USR) programmes. Few of the highlights are:-

IIMT UNIVERSITY TEMPLE

“Temple visit is a spiritual experience that makes a person better”

IIMT University is not only known for its academics or research but it also has something to celebrate and that is The Temple of the University. This temple is the centre of attraction for the entire University fraternity and the societies around. The entire temple is built with marble. Inside the temple, there is the statue of Lord Shiva Parivar, Goddess Durga, Lord Radha Krishna, Lord Hanuman, and Sai Baba.

12 in 1 and 4.5' Jyotirlinga was established in the IIMT University. Rudrabhishek was done to the wonderful Shivling by the Honourable Chairman of the IIMT Group Mr. Yogesh Mohanji Gupta and his family. The 12 Jyotirlingas are Somnath, Mallikarjuna, Mahakaleshwar, Omkaleshwar, Rameshwaram, Vaidyanath, Bhimashankar, Sri Nageshwaram, Kashi Vishwanath, Trimbakeshwar, Kedarnath, and Ghushmeshwar.

HOLI CELEBRATION

IT IS THE DAY TO EXPRESS LOVE WITH COLOURS

Holi is not only enjoyable & joyful but this festival of colours has many additional profound effects on our lives and bodies. IIMT University always commemorates this occasion with its students and staff in the University temple premises.

REPUBLIC DAY

“BE PROUD THAT YOU LIVE IN A COUNTRY THAT HAS SUCH A RICH HISTORY AND HERITAGE”.

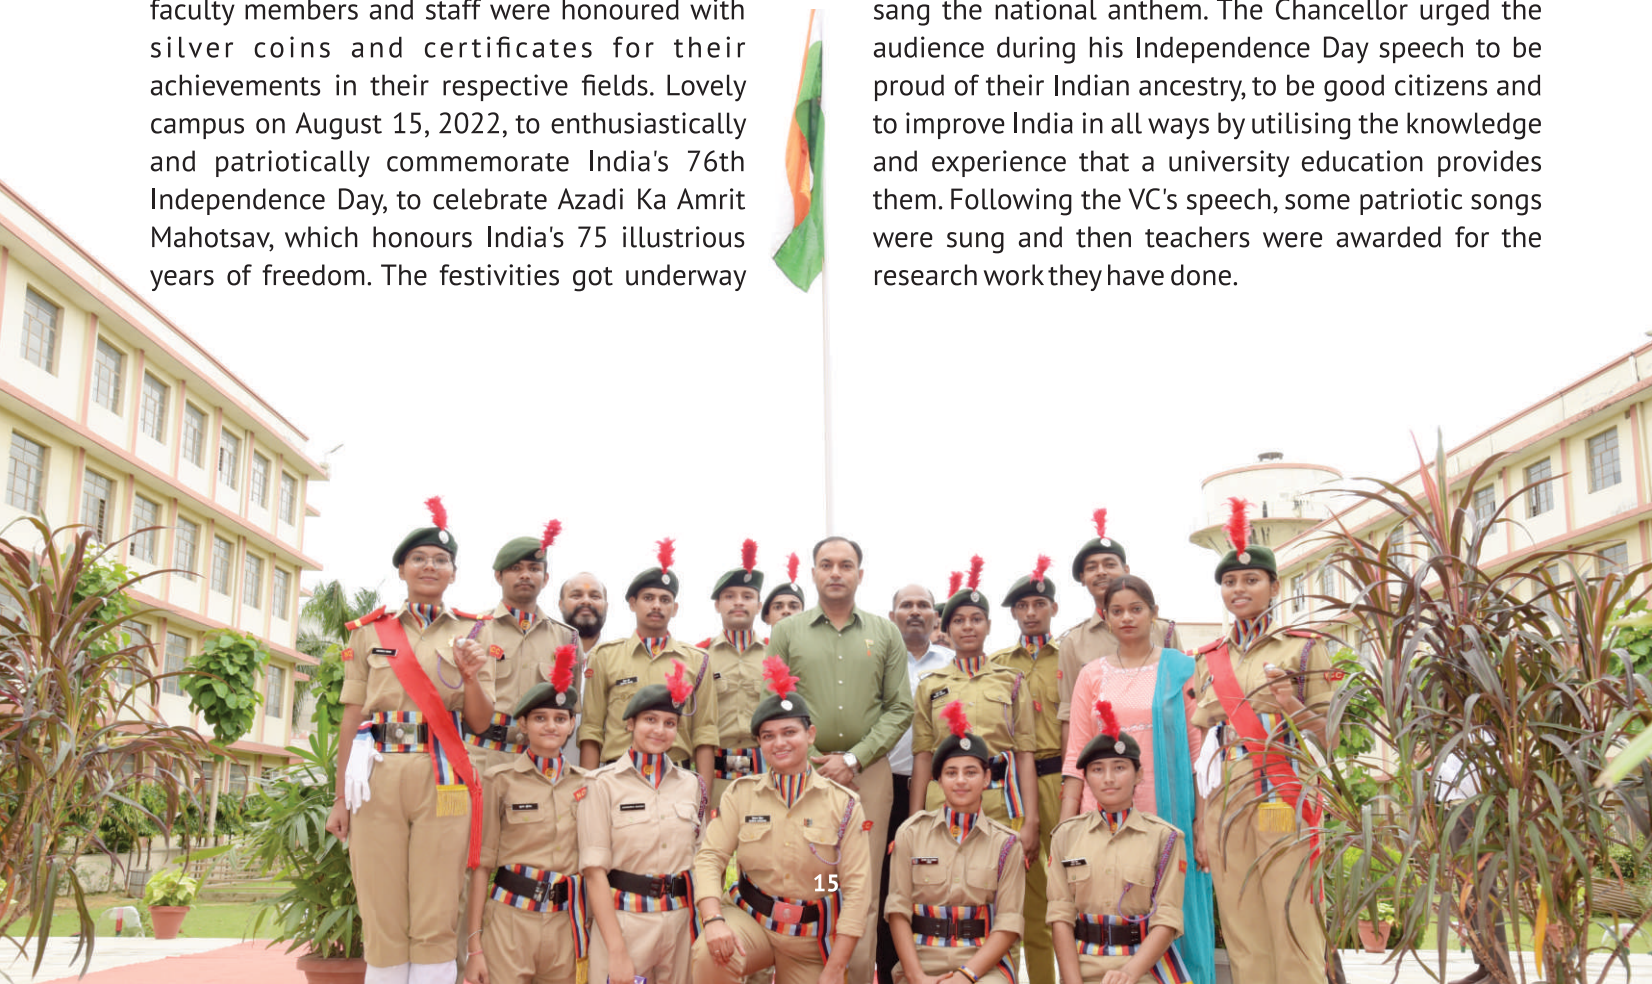

IIMT University honoured the day on which our constitution became operative, in other words when we became an independent, secular, socialist and democratic republic on January 26, 1950—nearly three years after gaining our independence. The day was celebrated following the COVID – 19 safety rules. Amidst the foggy morning, the festivities started with the Honourable Chancellor Yogesh Mohan Gupta Sir hoisting the National Flag, then faculty members and students sang the National Anthem. Afterwards, honourable Chancellor sir and honourable Pro Chancellor sir awarded few of the employees for their extraordinary work. The entire IIMT family not only celebrated the day with great joy and passion but also enjoyed being republic by participating in many activities together and finally having a lunch together which is organised every year by the University Management.

INDEPENDENCE DAY

The IIMT University family gathered on its “sang the national anthem line” – after which many faculty members and staff were honoured with silver coins and certificates for their achievements in their respective fields. Lovely campus on August 15, 2022, to enthusiastically and patriotically commemorate India’s 76th Independence Day, to celebrate Azadi Ka Amrit Mahotsav, which honours India’s 75 illustrious years of freedom. The festivities got underway

shortly after Honourable Chancellor Yogesh Mohan Ji Gupta Sir raised the tricolour. The gathered populace sang the national anthem. The Chancellor urged the audience during his Independence Day speech to be proud of their Indian ancestry, to be good citizens and to improve India in all ways by utilising the knowledge and experience that a university education provides them. Following the VC’s speech, some patriotic songs were sung and then teachers were awarded for the research work they have done.

UNITY AND DISCIPLINE: NCC AT IIMT

IIMT University and IIMT Engineering College Meerut both are successfully administrating NCC to the students from the last Six Years and are grooming them to serve the Society as well as the Nation successfully through this medium. At IIMT, our students get ready to serve the country by developing following manner:

- ⦿ Their character, leadership skills, discipline, secular outlook and spirit of adventure.
- ⦿ By creating pool of organised, trained and motivated youths with leadership qualities.
- ⦿ By giving the positive motivational environment to the students to join the Armed Forces.

Mr. Ritesh Chaurasia (B.Tech 3rd Year CS Branch) had the honour of participating in the Republic Day Parade on 26th Jan, 2022 at Rajpath Delhi and in the Prime Minister of India's Rally on 29th Jan, 2022.

NCC Cadets on Swachh Bharat Abhiyan held on 14th October 2021

NCC Cadets learning traffic rules at NCC Camp held at IIMT University

“YOGA IS A SKILL IN ACTION” YOGA DAY CELEBRATION

Yoga is an ancient physical, mental and spiritual practice that originated in India. Today it is practiced in various forms around the world and the United Nation proclaimed 21 June as international day of yoga by resolution 69/131.

The international day of yoga was celebrated on 21 June 2022, at IIMT University with great enthusiasm and vigour. Almost 300 participants took part in that event. The students, faculty members, staff and their family members also participated in this event.

“WITH RADIO, THE LISTENER ABSORBS EVERYTHING.”

IIMT University understands that for a healthy life, entertainment is just as important as academics. Consequently, it operates a radio station on campus. Along with playing the latest music and music on demand, RJs educate listeners on a variety of day-to-day topics, including current affairs, awareness of COVID-19, entertainment, sports and other well-known facts.

TEACHER'S FELICITATION

“BETTER THAN A THOUSAND DAYS OF DILIGENT STUDY IS ONE DAY WITH A GREAT TEACHER.”

The future of the students is significantly shaped by the professors. They are the ones who shine the light of information into the vulnerable brains. As part of the tradition of felicitating the teacher fraternity, IIMT University recently held a celebration. Honourable Chancellor Yogesh Mohan Gupta Sir was the chief guest.

The ceremony was attended by over hundreds of educators, including principals, vice principals, and instructors from different schools in and around Meerut. They received praise for their remarkable work in the area of knowledge transfer. As a sign of respect, the invitees were given a gala dinner and gifts.

STUDENT'S FELICITATION

“TODAY A READER, TOMORROW A LEADER.”

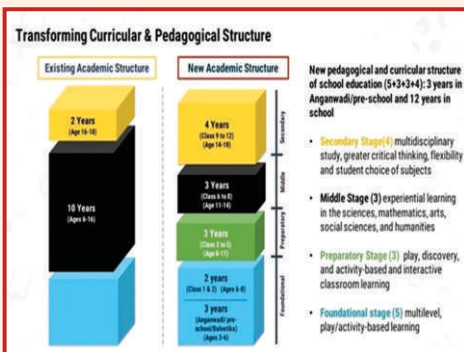

A grand formal felicitation programme for the rank holders from different schools of Meerut who scored good ranks in 2021-22 was held in the IIMT University Campus. Chief Guests for the event were District Magistrate Meerut - Mr. Deepak Meena and SSP Meerut - Mr. Rohit Singh Sajwan. A Gold Medal and certificate of appreciation were awarded to meritorious students.

IIMTU & NEP 2020 IMPLEMENTATION

The Union Cabinet chaired by the Prime Minister Shri. Narendra Modi approved the National Education Policy 2020 on July 29, 2020 and is the first education policy of the 21st century which aims to address the many growing developmental imperatives of our country. NEP committee is headed by Dr. K Kasturirangan. The vision of NEP 2020 is to make "India a global knowledge superpower". It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving – but also social, ethical, and emotional capacities and dispositions.

IMPORTANT POINTS OF NEP 2020

- ✧ Multiple Entry/Exit
- ✧ Courses will be divided into the years.
- ✧ Student can take entry or exit in any year.
- ✧ After completing each year, student will get a certificate for the same course.
- ✧ M.Phil is eliminated.
- ✧ All the courses will come under one name Graduation.
- ✧ Vocational training and course will be introduced in the curriculum
- ✧ Result will be Based on four Parameters:-
 - ❖ Marks
 - ❖ Self Assessment
 - ❖ Friend
 - ❖ Teacher

1. INDUSTRY ORIENTED EDUCATION APPROACH

IIMT University's main emphasis is to make the students industry ready by the time their program is complete. The Industry oriented approach of IIMT University has dual dimensions:

- ✧ IIMT University invites consultations from the renowned Industry leaders at the time of updating its curriculum of any program offered. This includes revision of the syllabus for a particular subject or introduction of a new subject.
- ✧ Students are also given practical knowledge on the application to apply on product design, development and operation.

2. STUDENT CENTRIC (CBCS)

As per UGC norms IIMT University has adopted CBCS also known as Student Centric pattern of Education! The CBCS pattern allows the students to choose inter-disciplinary or intra-disciplinary courses and skill oriented papers. This provides more flexibility for students in their learning process.

3. INDUSTRIAL/CORPORATE TRAININGS & VISITS

IIMT University focuses on the overall development of its students hence, it regularly organises Industrial/Corporate Visits for the students from all its departments for their real exposures.

4. MAJOR/MINOR PROJECTS

The syllabus of each and every course offered by IIMT University has mandatory projects that each student must do and the emphasis is given on a live project in the industry. They are also allowed to work on a novel idea if they have one, which can fulfil a certain need of the society. Many of our student's ideas backed by our research department have been patented! Engineering students have a minor project in their 3rd year of education while a major project in the final year.

Similarly to name a few; Nursing, Pharmacy, Computer Applications, Management students are also required to undergo mandatory industrial projects towards the fulfilment of requirement for attaining degree in their respective programs.

5. FIELD TRAININGS

Field trainings are an essential part of the academic curriculum for a number of job oriented professional programs being offered by IIMT University. These include: Journalism and Mass Communication, Nursing, Computer Applications, Engineering and Physiotherapy to name a few. It is compulsory for the students to sincerely complete their field trainings towards the fulfilment of requirement for attaining the degree in their respective programs.

IIMTU & NEP 2020 IMPLEMENTATION

6. CASE STUDIES

Case studies are an essential part of every professional course running at IIMT because; they help in understanding and analysing the real life situations. It helps students in idea generation, critical thinking, strategy making and takes them one step ahead in being industry ready. At IIMT the curriculum of all the programs is case study based and the emphasis is given on having one case study related to their subject at the end of each topic. The university has tie-ups with various publications and corporate for providing real-life case study scenarios.

7. EMPLOYMENT ENHANCEMENT INITIATIVES

IIMT University has instituted an extensive Employability Enhancement Programme (EEP) to develop the skills of the students and provide cooperative jobs. EEP's main components are:

- ✧ Employability skills classes.
- ✧ Aptitude classes.
- ✧ Certification courses.

At IIMT the objectives of career enhancement initiatives are to enhance students' capabilities as per their career requirements, to create awareness and motivate them to acquire add on skills other than their core subjects.

8. VALUE ADDED COURSES

For Value-added courses we have tie-ups with NPTEL, Amazon - Web Services, Google Developers (Train the Trainers), E-yantra, Swayam (free Online Education), Virtual Labs (An MHRD Govt. of India initiative), National Academic Depository (Transparency & Transformation through Digitization), Spoken Tutorials by IIT-Bombay, MSME, MHRD - An Innovation Cell for practical & professional training (Government of India). Moreover, we have included following courses to our regular syllabus for various courses:

- ✧ Tally integrated with B.Com.
- ✧ Python and Java integrated with various courses of Computer Science and Engineering.
- ✧ Time-to-time workshops on accountancy, finance and computer languages are conducted with the help of the industry experts.
- ✧ Certification courses by Google, Coursera and Redhat.
- ✧ ISRO-IIRC.

9. CONTINUOUS EVALUATION

At IIMT the evaluation system of each and every program has two sources. The first one is from Theoretical exams. The second is through continuous screening of the students. Under this system of evaluation of a student, the students are marked for attendance, presentations, assignments, participation in class activities, various cultural activities etc. This prompts the students to be attentive in class, focus on core subjects as well as have the overall development.

10. ENTREPRENEURSHIP DEVELOPMENT FACILITIES

IIMT University has a dedicated Entrepreneurship Development Cell for grooming the Entrepreneurs of the future.

MENTORING AND COUNSELING CELL

Mentoring and Counselling Cell of IIMT University Meerut was established wide the university order no.IIMTU/RO/O.O./2021/1690 dated 03.02.2021 in compliance to Guidelines under National Education Policy 2021. The cell framed a mentor-mentee policy of the university to achieve the goals of creating a familiar environment among students, faculty members and management of the university.

Traditionally, a 'Mentor' is a more experienced faculty member of the university who seeks to pass their skills, expertise and knowledge of the workplace on to (usually) new scholars/students, with a view to fostering their development. It should be a safe, non-judgmental relationship that facilitates a wide range of learning, experimentation and development. Mentoring is a key strategy of induction. Mentoring is essentially a formalised relationship that supports and encourages professional learning.

AIMS AND SCOPE OF MENTORING AND COUNSELLING

The mentoring process is the most important task in IIMT University Meerut not only to follow the NEP 2020 but also it is the great ambition of Honourable Chancellor of the University. The mentoring reflects on creating better relations not only among the students and teacher/faculty members but also among the guardians/parents, society and the university also.

“WHAT WE LEARN WITH PLEASURE WE NEVER FORGET” ACADEMIC ACTIVITIES

According to research, when students collaborate on learning tasks, they remember more material and figure out how to apply and extend their new knowledge more effectively. Furthermore, this approach promotes learning among students with diverse backgrounds and learning styles. Active learning strategies are also more engaging for both the instructor and the students. Some types require little preparation, while others necessitate more careful logistical planning. To effectively use active learning techniques, all schools of IIMT University considering this view make their students achieve and select a goal-appropriate activity.

‘A SERIES OF LIVELY ACTIVITIES HELD AT IIMT UNIVERSITY’

The various schools/colleges have organised a range of different events for students such as poster making, technical quiz, rangoli making competition, poster making competition, debate, extempore etc. IIMT University witnessed a wider participation from its all schools and colleges for the each Contest. All events were aimed to motivate the students to be creative and informative and encourage the students to actively participate in such activities to hone their skills.

INDUSTRIAL TRAININGS/INDUSTRIAL VISITS/ CORPORATE VISITS/ CORPORATE TRAININGS @IIMT

Intending to go beyond classroom learning, the industrial tours contribute a lot in the holistic student development by letting students learn about the current trends in the market, the future scenario of the industry and the new technologies that are being applied in the industry. Because IIMT University focuses on the overall development of the students, so it organises Industrial/Corporate Visits for the students of different courses for their career exposures. In the last year IIMT students went for following visits:

IIMT students at Parle

IIMT Students at JBM

IIMT students at Ananda

IIMT Students at Mother Dairy

MUSIC

College is a time when many young people find themselves and their people, so it makes sense that so many musicians would find their band in college, too. IIMT University understands the importance of the Music in a students' life and has started its own Band which has earned many achievements to it.

Our Musical Band includes Mr. RaghavKaushik (lead singer), Arpit Peter (Singer + Guitarist), Shalom Das (Lead Guitarist), Bhumika Sharma (Co-Vocalist), PrateekVasishth (Bass Guitarist), Anjali Sonkar (Co-vocalist), Karan Kashyap (Sound operator) and AbhinavVerma (Drummer). Few of our band's achievements highlights are:

About the University

IIMT has been established to promote Indian culture and research based education to the new generation. Ever changing technology and proliferation of new ideas pose new challenges to the universities around the world to develop and deliver innovative curriculum to stay relevant.

The jobs of the future lie in creativity and hence IIMT University lays greater emphasis on research and innovation in the guidelines of Bhartiya Sanshodhan. Our core values will remain the guiding principle to nurture our students so that they have sustainable competitive advantage and become change agents in social and economic spheres. Our holistic approach to all round development is reflected in the considerable exposure to give to out-of-classroom activities as well. IIMT University has a provision of sports in its curricula. The University also has a NCC center within campus to enroll in our students a sense of 'service to the nation'.

SCHOOL OF ENGINEERING & TECHNOLOGY

Established with an aim of developing top engineers, School of Engineering & Technology (SET), IIMT University has evolved into one of the leading Engineering Schools in Northern India. The School's teaching standards & research quality consistently receive high ratings. It maintains a strong research culture among teachers & students. The learning environment supports personal development leading to well-rounded and highly employable graduates. The School has a well-qualified, experienced & dedicated faculty who are committed to the cause of quality engineering education. The faculty includes prominent scholars of mechanical, civil, computer science, electrical & electronics engineering. In addition, guest lectures of distinguished professors, eminent scientists and engineers help to make School of Engineering & Technology one of the leading ones in Northern India.
