## INTRODUCTION: RESOURCE MOBILIZATION POLICY

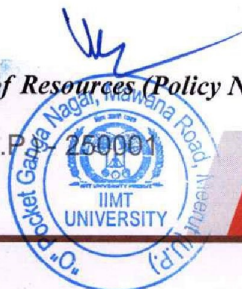

Since inception, the IIMT University has a transparent, well defined and planned financial management system. The university resource mobilization policy mainly focuses on achieving the goals of the university to ensure accountability and transparency. The university has an accounts and finance division to coordinate and monitor the optimal utilization of the funds. The main source of income for the university is the fees collected from the students. The fee is collected as per the guidelines laid down by Board of Trustees of the University. The mode of payment is through online and digital mode. Resources can also be mobilized from noted philanthropists, alumni and other agencies.

Mobilization of funds is also done through sponsored projects from DST, MSME, UGC, State and Central Govt Industry sponsored projects by the faculty. Funds are also mobilized through consultancy and philanthropic contribution. The university is a centrally managed non-profit organization with honorary governing body members which ensures the income generated is spent optimally in the university itself.

It is very important to create resources and utilizing them properly to achieve the vision and mission of the university. It has a well-defined resource mobilization policy framed by experts and approved by the board of Trustees. The resource mobilization includes financial resource, materialistic resource and human. It is the responsibility of university to provide appropriate resources to concerned departments to achieve a pre specified requirement.
