Annual Athletic Meet

Department Name	Department of Physical Education
Event Name	Annual Athletic Meet
Event Date	25-30 March 2019
Number of Days	06
Venue	Athletics Track and Fields, IIMT University
Participants	Students
Student Engagement	1500

About the Event:

IIMT University held its 'Annual Athletic Meet' from the 25th to 30th of March 2019. The event began with a colorful ceremony that set the tone for a week long Athletic meet.

The top athletes of the University had the proud privilege of being the torchbearers of the event. The Registrar Shri Ashok Kumar formally declared the meet open. The honorable dignitaries along with the torch bearers lit the flame of the 'Annual Athletic Meet' and amidst loud cheers, all the schools/colleges of the University took part in a march past symbolizing their discipline and synchronization in their mission to emerge supreme in the games.

The events were well contested and comprised of both tracks as well as fields. The scorching heat served as a minimal deterrent as students pushed themselves to showcase their talent on this platform.

'Annual Athletic Meet' was well-coordinated by volunteers and stood out as a shining example of student engagement. The event saw more than fifteen hundred students participating and by the end of the event, there were ninety proud gold, silver, and bronze medalists on the podium.

The Registrar Shri Ashok Kumar presided over the prize distribution ceremony, and it was well past dusk when the athletes trudged back home, weary but satisfied.

Annual Athletic Meet was over, but it signified the dawn of a new beginning of a sporting era on the University campus.

Outcomes:

The students across the University got an opportunity to exhibit their sporting talent. There were many students who were not able to represent the University in external events, however, they got a chance to represent their respective schools and played an important role to bring the laurels for themselves and the school.

Closing remarks-description:

The University should continuously organize such kind of events where the students from different schools/departments come together and do some physical activity and interact with each other. By participating in such events, they can come out of their regular classes and their daily routine.

About the Event:

The Volleyball tournament for men and women was organized for the students at the university from 4th to 7th December. The matches were organized through a knockout system. In the men's category, there were nine teams from different colleges and schools of the university and in the women's category, there were only three teams with a total number of 72 students.

In the men's category, the College of Law took away the winners' title and the teams B. Tech and College of Education were 1st and 2nd runners-up respectively.

In the women's category the winner's title was taken away by the College of Life Science and the runners-up was the College of Commerce.

Outcomes:

The tournament was well organized and participated by the students. All the teams enjoyed playing and competing with each other. Team College of Law won the tournament by defeating team Department of B. Tech in the men's category. Whereas in the women's category team College of Life Science won the title by defeating team College of Commerce.

Closing remarks-description:

Such kinds of tournaments should continuously be organized for the promotion of sport as well as to enhance the fitness standard of the students.
