1. FROM THE DESK OF VICE CHANCELLOR

IIMT University is moving ahead with its vision of academics excellence with technical creativity, research and innovation, turning into reality on virtue of commitment and sincere efforts of its officials, faculty members, staff and students.

IIMT University has adopted NEP-2020, NISP-2019, Academic Credit Bank along with academic and examination reforms as demanded by quality mandate leading towards excellence. IIMTU instills in each of its faculty members and students an inspiration to be an achiever in the field of academics, research and innovation.

The University encourages the faculty and students to get involved in research and innovation through various research projects of GO/NGO of national and international repute, joint, individual and institutional IPRs, Technology development and transfer to industries. Entrepreneurship inclination of students is encouraged & nurtured through startup support services including mentoring, pre-incubation and incubation facilities, seed funding, investor connect etc. with an aim to drive sustainable economic growth and generate large scale employment opportunities.

In addition to Research Excellence, IIMTU believe in serving the mission of the Government of creating Entrepreneurs, based on an action plan aimed at promoting entrepreneurship and start-up guidance, training and providing hand holding support for start-up ventures to boost and encourage entrepreneurship .

The Centre of Excellence of Research and Development of the University is associated with MoE-IIC IIMTU cell (among top ten in northern India since 2018) for recognizing the innovative ideas of the young minds by conducting hackathons, Ideathons, established IPR cell to protect the intellectual property rights of innovations and new research and facilitate the patenting of ideas, EDP cell to motivate students towards entrepreneurship or rather to say job providers, Employability Skill Enhancement training cell which is providing training to enhance the skills of the students.

The Centre of Innovation, Incubation and Entrepreneurship at IIMT University has expertise available to guide the students in areas Engineering, Technology, AI and ML, Agricultural Science, Ayurveda Science, Computer Applications, Pharmacy, Biotechnology and Microbiology. IIMTU is in the process of establishing an incubation ecosystem of Business Incubators, TBIs and other national/ international universities for mutual cooperation and hand holding support for joint technology development , design advancement, IPRs and exchange of ideas.

The sincere efforts of IIMT family has made IIMTU stood among top thirty six Universities in India in *Atal Ranking of Institutes on Innovation Achievements-2021* for excellence in creating and sustaining Innovation and Entrepreneurship ecosystem within the university

The start-up units of IIMTU-Business Incubator, recognized by UP Electronics Corporation Ltd., UP Govt. and approved by MSME, Govt. of India, powered by PUM, Netherland, have written a number of success stories in the form of establishment of successful enterprise.

IIMTU Research Centre is driven by the assistance of our peers and partners, and committed to provide professionals, technocrats, doctors, scientists, entrepreneurs and start-ups to the nation.

We wish all the best to our faculty members, staff and students to excel in the world in the areas of their expertise.

Dr. Deepa Sharma
Vice Chancellor
IIMT University

2. PREFACE

At IIMT University, we are dedicated to making the goal a reality via our honest efforts. Each faculty member and student at IIMT receives encouragement to strive for success.

We are constantly looking for ways to use virtual platforms to enhance and experiment with our teaching methods. In-house patient handling practice through multiple hospitals for para-medical and pharmacy students, material recycling engineering lab, in-house teaching practice through varied in-house primary, secondary, and higher secondary schools for students of teachers education, own hotel of international standard for students of hotel management, and in-house training exposure are a few examples of the amenities available. The FM radio station at our university acts as a training ground for those interested in public speaking as well as our journalism students.

State of the art sports facilities namely shooting ground, horse riding, swimming pool, synthetic basketball ground, gym and yoga training is the best options available for satisfying the mental and physical refreshment of our students.

This Annual report for session 2021-2022, will enable every reader to cherish the quality implementation in our IIMT University.

3. JOURNEY FROM INCEPTION

IIMT University with the legacy of a group of colleges since last 26 years has shown unprecedented growth over the past few years in the field of research, innovation and research based academic planning.
IIMT University is a State Private University of Uttar Pradesh established by Govt. of Uttar Pradesh, India wide U.P. Act no. 32 of 2016, with the legacy of group of colleges since 1995 which are now brought under the aegis of IIMT University since 2016 to meet the ever growing needs of higher and professional education.

We are happy to announce that we have almost all the professional courses running under one roof of IIMT University whose objectives include turning innovations into enterprises, to increase the successful development of new businesses, job creation and employment in specific sectors that are aligned with a region's unique areas of opportunity.

IIMT University has registered its first startup "Star Technologies" from U.P. recognized by DIPP, Govt. of India which is providing effective solutions that help organizations to improve management efficiencies. This Startup unit of IIMT University is managed by the alumni of IIMT itself. The Research and Development department of the university has patented some ideas which are incubated at the department only and are in the process of commercialization. Keeping in view the requirements of the industry, university has number of tie ups/MOU signed with the intention to make students trained as per the demand of the industry.

IIMT University has launched the programme in **Entrepreneurship** to strengthen the entrepreneurship education and research ecosystem. We have established Institute Innovation Council (IIC) in collaboration with Ministry of Human Resource Development (MHRD), Govt. of India to systematically foster the culture of innovation amongst all students of IIMT University.

For **digital initiatives in higher education**, IIMT University has number of tie up and collaboration. IIMT University is registered with **National Academic Depositary** by MHRD, Govt. of India for the authentication of degrees and marks sheet.

IIMT University in collaboration with IITs is able to provide an online certification course from **NPTEL** and get a certificate from the IITs. IITs are reaching out and taking education to the homes of people through this initiative. Certified course of NPTEL by MHRD, Govt. of India are integrated in the syllabus.

IIMT University is registered with **SWAYAM** by MHRD, Govt. of India. IIMT University through SWAYAM seeks to bridge the digital drive for students. **E - YANTRA** is an initiative by IIT Bombay that aims to create the next generation of embedded system engineers with a practical outlook. IIT Bombay takes the E – YANTRA platform to harness the intellectual talent of young India to create utility based robotic applications for usage across variety of applications such as: agriculture, manufacturing, home, city maintenance and services industries. IIMT University has tied up with **spoken tutorial projects**. It is a partnerships agreement between IIMT University, Meerut and Spoken Tutorial (ST) IIT Bombay, NMEICT, MHRD, Govt. of India as knowledge Partner.

IIMT University has been approved as nodal centre of **ISRO - IIRS OUTREACH PROGRAMME**, an online certified programme of Indian Space Research Organization (ISRO). The IIRS outreach programme is being conducted through two major modes: Live and Interactive classroom sessions (also known as EDUSAT) and E - Learning based online courses.

9. Iimt CENTER FOR INNOVATION, INCUBATION AND ENTERPRENEURSHIP (CIIE) (www.iimtciie.com)

Since its foundation, IIMT University has placed a strong emphasis on research and innovation with a strong belief of turning the vision into reality on virtue of commitment and sincere efforts.
All faculty members and research scholars at the university are encouraged to take part in the primary areas of study in their fields to instill an inspiration to be an achiever.

Along with providing top-notch research, we also believe in supporting the government's initiative to foster entrepreneurship by offering start-up businesses mentoring, training, and other forms of support based on an action plan designed to promote entrepreneurship.

The university promotes faculty and student involvement in research and innovation through a variety of supported projects, concept patenting, and idea startup. Through start-up assistance services, students' entrepreneurial inclinations are promoted and cultivated with the goal of fostering sustainable economic growth and creating numerous job opportunities. The multidisciplinary approach and excellence of the research and teaching are much valued.

For the fields of engineering, technology, pharmacy, biotechnology, and microbiology, IIMT University offers a business incubator that has been authorized by the government of India, Ministry of MHRD, MSME powered by PUM, Netherlands. Our experts are on hand to assist the students in these fields. We are also working to build partnerships with business incubators, TBIs at IITs, and other domestic and foreign universities in order to cooperate, promote one another's innovations in technology and design, and share ideas. A number of success stories have been documented by IIMTU-start-up BI's units in the form of the commercialization of novel products.

The university's centre of excellence for research and development is affiliated with the MHRD-IIC IIMT cell, which conducts Hackhathon on problem statements and seeks out innovative ideas from young minds, the IPR cell, which protects the intellectual property rights of new research and innovation and makes it easier to patent ideas, the EDP cell, which encourages students to become entrepreneurs or, more precisely, job providers, and the employability skills enhancement training cell, which is providing training in association with Google, Redhat, ISRO-IIRS, Coursera, Intel etc. to enhance the skills of the students.

IIMTU Research Centre is dedicated to supplying scientists, entrepreneurs, and start-ups to the country through research, innovation, patents, and projects with the help of our peers and partners.

A. IIMT BUSINESS INCUBATOR

IIMT University has set up a Business Incubator, <u>IIMT-Business Incubator Foundation (Registered under section 8 of Company Act 2013, a non profitable entity for the promotion of research, innovation, incubation and start-ups)</u> with on –campus pre-incubation and incubation facilities in the areas in which the expertise is available to guide the students and budding entrepreneurs like, Engineering and Technology, Bio-Technology, Pharmaceuticals, Information Technology, Nano-Technology, Polymers, Food Processing, Herbal Products, Agriculture, Health Sciences, Water Purification etc.

1. Technically supported by PUM with the association of an senior international expert, Dr. Maud Van Den Meiracker from Netherland, who trains the staff of Business Incubator oftenly by visiting the BI for regular upgradation leading it towards a successful BI stepwise.
2. BIF-IIMTU is already in association with TBI-IIT (Ropar) for technology transfer and technical guidance, and other angel investors/ venture capitalists. IIMT-BIF is funded by UP star-tin scheme, worth 2.5 Cr.
   The IIMTU-BI has past 5 years experience in incubating innovative ideas of student's faculty & others in the field of Engineering & Technology, Computer Science & Application, Pharmacy, Applied Sciences, Health Science and many inter-disciplinary areas. IIMTU-BI is supported by MSME, Innovation Scheme, worth 1.25 Cr.

Areas of B.I.s are: (a) Projects on advanced technology in difference fields of engineering and technology. (b) Projects which have immense social values. (c) Projects related to industrial applications. (d) Projects related to human applications. (e) Projects related to innovation in Medical Science, Pharmacy and Health Sciences (f) Projects related to herbal preparations/ Medicines.

<u>SEED FUNDING AND OTHER PROVISIONS IN THE BUDGET-</u>
The IIMTU has got provision of funds in Budget towards promoting & supporting innovation and entrepreneur development for students/faculty/staff/start ups, fund is allocated for awareness/ training sessions; seed funding for early startups; for pre-incubation & incubation facilities; innovation & IPR commercialization.

B. IIMTU IIC ACTIVITES

IIMT UNIVERSITY has established **Institute Innovation Council (IIC) in year 2018** in collaboration with **Ministry of Education (MoE), Govt. of India** at university level supported by **Institute Innovation Cell** at each institution level under **IIMTU-IIC** to systematically foster the culture of Innovation amongst all Students of IIMT University. The primary mandate of IIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes, to organize ideathons and heckathons etc.

The IIMTU has regularly been the active participant of IIC-MoE conducted activities sessions on IPR literacy & awareness (Recent is NIPLW-KAPILA) varying from a day to a month.

- **Training programmes on various technical subjects & IPR in association with MSME, TDC (PPDC), Ministry of MSME, Govt. of India.**
- **STP on new technical concepts like ML, AI, SAP, VM ware, severless ware housing in supply chain. Development etc. in association with AWS, IBM, MSME.**
- **Conduction of Heckathons and Ideathons by IIMTU-IIC Cell.**
- **Minor Certification integrated with UG degree in Entrepreneurship and Innovation.**
- **UG degree in Entrepreneurship and Innovation.**
- **Core credit course, Startup Management in BBA.**

IIMT UNIVERSITY has successfully created an innovation eco-system in the campus in last four years.

In year 2018-19, IIMTU has been given **four stars out of five by IIC-MoE, GoI,** and 6th rank in top ten institutions in Northern India, for its leading role in conducting innovative activities under their guidelines.
In year 2019-20 also, IIMTU has been given **3.5 stars out of five by IIC-MoE, GoI,** and 20th rank in top 123 institutions in Northern India, for its leading role in conducting innovative activities under their guidelines.
In year 2020-21 also, IIMTU has been given **4/4 stars out of five by IIC-MoE,** GoI, and was among top 10 institutions in Northern India, for its leading role in conducting innovative activities under their guidelines.

10. NCC CHAPTER OF IIMT UNIVERSITY AND ENGINEERING COLLEGE

IIMT University and Engineering College, Meerut, are successfully administrating NCC from last six years grooming the students to serve nation and the society through this medium. Our students are ready for country service through NCC by:

➤ Developing character, comradeship, discipline, secular outlook, spirit of adventure.
➤ Creating a pool of organized, trained and motivated youth with leadership qualities in them.
➤ Providing environment to motivate youth to join Armed Forces.

How NCC help to students?
1. Defence Services
➤ Vacancies are reserved for commission in the defense forces for NCC 'C' Certificate holders.

2. ARMY
➤ IMA, Dehradun 32 vacancies per course through UPSC and SSB Interview.
➤ OTA (Officer Training Academy), Chennai, 50 vacancies per course for short service commission (Non Tech). No UPSC Exam only SSB interview.
➤ 20% reservation for Girl candidates in OTA, Chennai.

3. Other Advantages
➤ Para Military Forces-2 to 10 bonus marks for recruitment.
➤ Department of Telecommunications Bonus marks awarded for recruitment.
➤ State Governments – Preference for state services in certain states, Private Sector-Many Industries giving preference to NCC 'C' Certificate holders for recruitment.

IGC –CAMP RDC-2021: IIMT University, organized NCC Camp with the help of   72 UP Bn., and Girls 22 UP Bn. Meerut. In the year 2021 a 10 days IGC/RDC-2021 w.e.f. from 11 Oct. to 20 Oct. 2021 and CATC for Girls from 28 Nov to 04 Dec, 2021 was organized. The Camp was headed by Commanding Officer 72 UP Bn. B. ALUMNI MEET 'SAMAGAM 2022'

It is a matter of great pride and honour for any University, when its students spread their wings and take flight into the infinite sky. Our alumni are our priceless possessions and valued emissaries who have added sheen and luster to the glory of the IIMT and raised the banner of the University high.

In order to foster and strengthen the IIMT Family - alumni bond and relive fond memories as well as for continuing the ritual, we celebrate Alumni Meet every year on the second Saturday of April. This year as customary it was celebrated on 9th April 2022. It was a splendid success and over 900 alumni congregated to celebrate gladness and revive memories. Famous Punjabi singer Jassie Gil and Babbal Rai performed live in the preformed live in the premises of IIMT. The students danced and cheered with the artists. . After each song the slogans of Once More continued to echo for the celebrity. The program was inaugurated by lamp lightening in front of Maa Saraswati followed by torch procession ceremony in which archaic students carried torch and handed over to the students of this year.

The alumni shared the memories of the old days and thanked IIMT for organizing this event. Most of them were accompanied with their spouse and children. Addressing the alumni, Hon'ble Chancellor Sh. Yogesh Mohanji Gupta said that to get success in life, eyes should be on the target. He felt proud that the people coming out of this college are serving the whole world. Today, IIMT Group is a well-known name of North India, walking from the two-room institute on Mall Road. It is a matter of pride to get university status by joining various colleges of IIMT group. The jobs of the future lie in the in creativity and hence IIMT University lays greater emphasis on research and innovation on the guidelines of Bhartiya Sanskriti.

If IIMT is a brand today, then students also have an important role in it. The vision of the college depends on the hard work and honest efforts of the students. The students are reflections of the college, which can be easily gauged by the quality and reality of that college. Here at IIMT, we inspire students to be sacramental to the future of the country.

In the evening, as soon as the celebrities pricked the tune of its tunes at the Star Night organized by IIMT University, the students got excited and the band spread such magic that no one could stop them from dancing to their tunes.

In making the program successful, Dr. Pooja Vashishtha, Dr.Satish Kumar, Dr. Sandeep Kumar, Ms. Sheena Agarwal, Ms. Shivangi Raghav etc. had played significant role.

C. ALUMNI CONNECT - Online Alumni Campaign 2021-22:

The alumni campaign was accompanied with videos and audios sent by alumni with their heartfelt messages to the institution, teachers and loving juniors. The cynosure of the campaign was that all the batches that passed out were called upon to be a part of the online campaign. Unlike earlier years, this year also witnessed a great participation from across all batches and many interactive sessions were held between seniors and juniors and between teachers and alumni. The campaign was also followed by retrospection and sharing of memories.

It was truly a matter of pride for the university when the online interaction unfolded many breakthroughs, success stories and distinctions made by the IIMT alumni in different fields. Some of their examples are

F. Student Personality Training Activities:

Training department is an endeavour of IIMT University, which aims at imparting new skill sets that are relevant to the current industry demand. The Training Road Map is categorized into Knowledge, Skills and Employability enhancement training. The students get inputs in terms of Logical reasoning, Aptitude, Verbal Ability; Soft Skills and Placement oriented training.

In order to ensure the holistic development of the students, special emphasis is laid on sessions by Industry experts, Company specific mock drives, Employability enhancement programs coupled with active participation of students in various events in order to give them unmatched training exposure for their personal and professional growth.

The execution matrix of training interventions is as follows:

Knowledge Enhancement Training	Skill Enhancement Training	Employablity Enhancement Training
Quantitative Aptitude	Personality Development	Job Portal Handling
Non Verbal Reasoning	Communication Skills	Email / Covering Letter
	Goal Setting	Resume Building (Digital / Video)
	Stress Management	Group Discussion
	Etiquettes and Netiquettes	Personal Interview
	Leadership Skills	Post Interview Activities

We believe that professional enhancement inputs supplement the academic curriculum and help prepare students to participate actively in the professional community. Such inputs also enhance practical knowledge and awareness of students.

The Training department has been active in organizing domain and skill specific workshops to give students a hand on experience by assessing their needs. Professional development opportunities range from a single workshop to a semester-long academic course. Activities conducted in above mentioned sphere are:

- ➢ Training and assessment
- ➢ Career orientation program
- ➢ Employability Skill building workshop
- ➢ Pre recruitment screening
- ➢ Pre recruitment training
- ➢ Seminar (employment options)
- ➢ Corporate connect (Guest lecture)

These inputs add flavor to students' candidature and make them industry ready.
