CHANCELLOR MESSAGE

IIMT University has been established to support students and staff, with zeal to work hard, in competitive environment, conducting leading-edge education and research, focused on the needs of society. We are continuing to develop as a university for the 21st century that will be a beacon of learning and innovation with world class facilities for our students and staff.

The universities new school of Ayurvedha, named as IIMT Ayurveda Medical college and Hospital, is gaining its significance in the society through its service for covid recovery patients, patients with chronic ailments etc. This for sure one day will stand at par with our existing IIMT life line hospital, which has already gained good social recognition through long span of service.

Major building ambience upgradation, including lab sophistication upgradation work, across campus reflect our ongoing program to transform the physical and functional environment of the University, with a parallel commitment to protect and enhance both its beautiful green spaces and public realm.

We desire to emerge as an university with citizenship and social responsibility in its DNA. Our University is committed to serve the nation during this unprecedented time of global crisis (Covid-19) and has taken all appropriate measures to protect people from this pandemic like, door delivery of food for patients suffering from Corona infection, providing new research based formulations of hand sanitiser, economic multi port oxygen generator,immunity booster tea powder dipper sachet, Converting its IIMT life line hospital into a covid treatment centre, adopting 200 students those who have lost their parents due to covid with free education etc.,

In affirming our commitment to place students at the heart of everything we do, staff across the University are working collegially this year on NEP 2020, to transform our curriculum. Available from 2021, the new curriculum will offer our students flexibility and deliver a richer experience to prepare them to pursue the careers of tomorrow.

All of the above reinforces our critical role in contributing positively to Indian higher education whilst delivering significant local impact. Hope this Annual report of 2020-21 of our IIMT university will enable you to experience our efforts in varied dimensions of development.

VICE CHANCELLOR MESSAGE

The Academic session 20-21 though marked by government policy changes and COVID 19, shifts that impacted aspects of our work and constrained our resources, we have invested considerable time charting a pathway through these policy and social changes while staying true to our mission as a university of service and engagement. In response, IIMT has continued not only to strengthen our reputation in learning and research but also to reach milestones of which we are very proud.

Considerable progress was made towards achieving the University's goal of creating greater participation opportunities for Indigenous staff and students, through its implementation of faculty promotion schemes and Alumni appointment in relevant place of requirement as per individual talent.

We are also encouraging the students of the future, including engaging with those 'most able, least likely' to come to university, from varied remote areas of India. Across the campus, we are having a new generation of researchers who are making their mark in the area of innovative ideas, trade mark, copy right, patent and start up registration and looking to the future.

During the year, we have continued to balance the need to grow and adapt to changing circumstances with maintaining the fundamental notions of service and engagement that set IIMT University apart. This would not be possible without the hard work and commitment of the enthusiastic and dedicated people in our University community.

I thank everyone for their part in challenging conventional thinking through innovation and hard work, while staying true to the University's long-range framework and contributed to the contents of this Annual report of 2020-21, as achievements.

PREFACE

At IIMT University, we believe in turning the vision into reality on virtue of our commitment and sincere efforts. IIMT instills in each of its faculty members and students an inspiration to be an achiever.

We are in continuous pursuit to utilize virtual platform to make our teaching more innovative and experimental. Well-furnished library, centralized instrumentation facility, Animal research facility, in house patient handling practice through multiple hospital facility for para medical and pharmacy students, Material recycling engineering lab, In house teaching practice through varied in house Primary, secondary and higher secondary schools for students of Teachers education, Own hotel of international standard for Hotel management students in house training exposure are a few facilities to name with. Our Universities own FM radio serves to be a training platform for not only our journalism students but also others with an inward interest of public speaking.

State of the art sports facilities namely shooting ground, horse riding, swimming pool, synthetic basketball ground, GYM, Yoga training are the best options available for satisfying the mental and physical refreshment of our students.

This Annual report for session 2020-2021, will enable every reader to cherish the quality implementation in our IIMT university.

HIGHLIGHTS OF THE YEAR

IIMTU FIGHTS AGAINST COVID-19

IIMT University is adopting two hundred students to provide them free Education who have lost their parents during Covid. Through the initiative of students club, IIMT university is distributing food to corona affected families during covid second wave

OTHER EFFORTS

1. Touchless Sanitizer Dispenser (Product Of R&D Cell)
2. Herbal Sanitizer (R &D Product Of IIMT College Of Medical Sciences- Pharmacy Department)
3. Rishi Kadha: Effective To Avoid Corona Infection Kadha Sachet To Use Like A Tea Bag (R &D Product Of IIMT College Of Medical Sciences- Pharmacy Department)

IIMT LIFE LINE HOSPITAL NOMINATED FOR TREATMENT OF COVID 19 PATIENTS

It is a matter of fact that IIMT Life Line Hospital has been nominated among all 325 hospitals of Meerut by CMO to deal with all the emergencies of COVID -19 cases. This has come in view of the state government announcement that it will join hands with Private Hospitals to tighten the corona infection.

MEGA JOB FAIR

Under the guidance of visionary Chancellor of IIMT University Hon'ble Yogesh Mohan Gupta ji, a major recruitment activity "Mega Job Fair" was organised at IIMT University Meerut campus on 18 & 19 March 2021 in collaboration with the Government of Uttar Pradesh to facilitate Job seekers to get suitable employment.

This activity helped the Job seekers of not only IIMT University but of the entire state to get suitable employment. The Job fair provided equal employment opportunities for both technical & non-technical streams of students. For smooth execution and convenience one day was dedicated to one specific stream (technical / non-technical). Students across the state participated in the event along with eligible students of IIMT & took advantage of this opportunity to get employment.

On day one the chief guest Sh. Kapil Dev Agarwal, Professional Education & Skill Development Minister (Govt. Of Uttar Pradesh) graced the occasion & distributed Letter of offer to the selected candidates. Sh. Shashi Bhushan Upadhyay (Additional Director) Employment Department & Sh P Atrey (Principal) ITI Skill Development Mission extended extreme cooperation to make the event a grand success.

Reputed companies like Johnson Mathey, Ginger Hotels, LIC, SBI Life, Bajaj Allianz, HDFC Life, Bajaj Capital, Larsen & Toubro Construction & many more participated in the event.

The statistics of the event is displayed below :

Date	Registration Done	Companies Participated	Participants Selected
18/03/21	3456	43	962
19/03/21	3098	47	675

The event concluded with the offer letter distribution ceremony on day two (19/03/21) to the successful students by Smt. Megha Rupam (Additional Commissioner) Meerut. The Corporate Resource & Interface Center of IIMT University was instrumental in planning & execution of this event.

JOURNEY FROM INCEPTION

IIMT University with the legacy of a group of colleges since last 25 years has shown unprecedented growth over the past few years in the field of research, innovation and research based academic planning.

IIMT University is a State Private University of Uttar Pradesh established by Govt. of Uttar Pradesh, India vide U.P. Act no. 32 of 2016 , with the legacy of group of colleges since 1995 which are now brought under the aegis of IIMT University since 2016 to meet the ever growing needs of higher and professional education.

We are happy to announce that we have almost all the professional courses running under one roof of IIMT University whose objectives include turning innovations into Enterprises, to increase the successful development of new businesses, job creation and employment in specific sectors that are aligned with a region's unique areas of opportunity.

IIMT University has registered its first startup "Star Technologies" from U.P. recognized by DIPP, Govt. of India which is providing effective solutions that help organizations to improve management efficiencies. This Startup unit of IIMTU is managed by the Alummi of IIMT itself. The Research and Development department of the University has patented some ideas which are incubated at the department only and are in the process of commercialization. Keeping in view the requirements of the industry, University has number of tie ups/MoU signed with the intension to make students trained as per the demand of the industry.

IIMT University has launched the programme in **Entrepreneurship** to strengthen the entrepreneurship education & research ecosystem. We have established Institute Innovation Council (IIC) in collaboration with Ministry of Human Resource Development (MHRD), Govt. of India to systematically foster the culture of Innovation amongst all Students of IIMT University.

For **digital initiatives in higher education**, IIMT University has number of tie up and collaboration. IIMT University is registered with **National Academic Depository** by MHRD, Govt. of India for the authentication of degrees and marks sheet.

IIMT University in collaboration with IITs is able to provide an online certification course from **NPTEL** and get a certificate from the IITs. IITs are reaching out and taking education to the homes of people through this initiative. Certified Course of NPTEL by MHRD, Govt. of India are integrated in the syllabus.

IIMT University is registered with **SWAYAM** by MHRD, Govt. of India. IIMT University through SWAYSM seeks to bridge the digital drive for students. **E - YANTRA** is an initiative by IIT Bombay that aims to create the next generation of embedded system engineers with a practical outlook. IIT Bombay takes the E – YANTRA platform to harness the intellectual talent of young India to create utility based robotic applications for usage across variety of applications such as: agriculture, manufacturing, home, city maintenance and services industries. IIMT University has tied up with **spoken tutorial projects**. It is a partnerships agreement between IIMT University, Meerut and Spoken Tutorial (ST) IIT Bombay, NMEICT, MHRD, Govt. of India as knowledge Partner.

IIMT University has been approved as nodal centre of **ISRO - IIRS OUTREACH PROGRAMME**. An online certified programme of Indian Space Research Organization, (ISRO). The IIRS outreach programme is being conducted through two major modes: Live and Interactive classroom sessions (also known as EDUSAT) and E - Learning based online courses.

IIMT University Meerut, is the Nodal Centre for Swachh Bharat Abhiyan made by MHRD, and it has taken some great initiatives towards making its campus a green and clean campus supporting the campaign of our honorable prime minister towards Swachh Bharat Abhiyaan.

STATUTORY BODIES INCLUDING ACADEMIC & EXECUTIVE COUNCIL AND ITS MEETINGS

The list of statutory bodies and their respective meetings conducted are listed in Table number 5.

QUALITY ASSESSMENT AND ENHANCEMENT / IQAC UPDATES

For the purpose of Quality assessment and enhancement the IQAC cell in 2020-2021 conducted its meeting on 5.11.2021. The IQAC has revised its policy document guidelines suggested by NAAC. The IQAC coordinator attended online webinar conducted by NAAC to get Better understanding of key indicators and metrics for the hassle free preparation of SSR for the NAAC accreditation on "27 May 2021". On the basis of feedback given by IQAC cell from time to time a research & promotion policy was issued on 29.01.2021 by Registrar office to promote R&D activities. The IQAC has collected AAA (Academic & Administration Audit) report from various school/ colleges and analysis was carried out. On 25 May 2021 Feedback was obtained from 160 faculties working in IIMT University, 160 responses were received and the report has been prepared. On 23th May 2021 feedback was obtained from 1682 parents of students studying in IIMT University.

PROMOTION OF FACULTY MEMBERS UNDER CAREER ADVANCEMENT SCHEME

The University is underway to promote faculty members under Career Advancement Scheme who fulfill the eligibility and performance criteria, prescribed by the UGC, in the Academic Year 2020-2021 also alike we did in the year 2019-2020. The aforesaid promotion are considered in accordance with the guidelines issued by the UGC and incorporated in "UGC Regulation on Minimum Qualification for Appointment of Teachers and other academic staff in Universities and Colleges and measure for the Maintenance of Standards in Higher Education, 2018".

CENTERS OF EXCELLENCE

IIMT University has the following centers of excellence

1. Electro preneur Park.
2. IIMT University android development cell.
3. IIMT University Institution innovation council.
4. IIMT University Entrepreneurship development cell.
5. IIMT University Business incubator of MSME.
6. IIMT University R & D Cell.
7. IIMT University, Central Animal house
8. IIMT University, model village, RISHI GRAM.

1. Electro preneur Park

In IIMT University an initiative is made with Ministry of IT Electronics, and an Electropreneur Park has been set up to carry out incubation and building ecosystem to help budding entrepreneurs. Entrepreneur park has been set up under the aegis of the Ministry of Electronics & Information Technology, Software Technology park of India and Electronics and Semiconductor Association to support startups in electronic system design and manufacturing.

2. IIMT University android development cell

IIMT University and Tech Giant Google have signed a memorandum of understanding (MoU) regarding new courses that offer specialization in Android programming. For this, IIMT has establish a 'Center of Excellence of Google' at its Campus. Under this collaboration, IIMT Students will be trained to get Android certifications.

3. IIMT University Institution innovation council

IIMT University has established Institute Innovation Council (IIC) in collaboration with Ministry of Human Resource Development (MHRD), Govt. of Indian to systematically foster the culture of Innovation amongst all students of IIMT University. The score rating stands as 2018-19 (4/5), 2019-20 (3.5/5) and 2020-21 first half yr (2/2).

4. IIMT University Entrepreneurship development cell

IIMT University has launched the Programme in Entrepreneurship to strengthen the entrepreneurship education & research ecosystem.

5. IIMT University Business incubator of MSME

IIMT University has Business incubator of MSME in the research block of IIMTU. Many innovative ideas are tested and facilitated for implementation.

6. IIMT University R & D Cell

The Research and Development department of the University has patented some ideas which are incubated at the department only and are in the process of commercialization.

7. IIMT University, Central Animal house

For the purpose of Experimentation for research, IIMT college of medical sciences, a constituent college of IIMT university, has a CPCSEA approved animal house, for conduction of experimental research on animals.

8. IIMT University, model village, RISHI GRAM

The school of Hotel management and Tourism, has developed a model village **RISHI GRAM**, for training and exhibit for its students

RESEARCH & DEVELOPMENT - FACULTY PUBLICATIONS / IPR/ CONFERENCES / WORKSHOP / TRAINING PROGRAMME ATTENDED & ORGANIZED

Paper Presented and Published in Journal

The Research profile of IIMT university in google scholar, Publons and orchid id was created and the publications of university with 51 publications were listed through google scholar (Attached in attachment 6)

IIMT CENTER FOR INNOVATION, INCUBATION AND ENTERPRENEURSHIP (CIE) (WWW.IIMTCIE.COM)

IIMT - Business Incubator Foundation, MEERUT

IIMT University has set up two **Business Incubators, IIMTU-BI is approved by Govt. of India, Ministry of MHRD, MSME and IIMT-Business Incubator Foundation (registered under section 8 of Company Act 2013, a non-profitable entity for the promotion of research, innovation, incubation and start-ups)** with on-campus pre-incubation and incubation facilities in the areas in which the expertise is available to guide the students and budding entrepreneurs.

1. Technically supported by PUM with the association of a senior international expert, Dr. Maud Van Den Meiracker from Netherland, who trains the staff of Business Incubator often by visiting the BI for regular upgradation leading it towards a successful BI stepwise.
2. BI - IIMTU is already in association with TBI-IIT (Ropar) for technology transfer and technical guidance.

Areas of B.I.s are: (a) Projects on advanced technology in difference fields of engg. and technology. (b) Projects which have immense social values. (c) Projects related to industrial applications. (d) Projects related to human applications. (e) Projects related to innovation in Medical Science, pharmacy and health sciences (f) Projects related to herbal preparations / Medicines.

Our qualified and experienced faculties who have caliber to do research work of National / International level will be a tool to students to work on innovative projects. Here at IIMT University, we do have R&D Pool of experts in various fields of engineering and technology and Medical Sciences at IIMT University which may serve as mentors as well as counselor. Faculty of different science and engineering departments have developed new products as well as technologies in their Research and Consultancy Services offered by IIMT University: The staff and students of the institute have been offering different consultancy services to the nearby industries and firms in the form of module and website designing, maintenance and **R n D**.

Seed Funding and other provisions in the Budget

The IIMTU has got provision of funds in Budget towards promoting & supporting innovation and entrepreneur development for students/ faculty/staff/start ups , fund is allocated for awareness/ training sessions; seed funding for early startups; for pre incubation & incubation facilities; innovation & IPR commercialization.

SUCCESS STORIES OF IIMT-U BUSINESS INCUBATOR AND RND CELL

1. Sanjeevani – Drip level Indicating device, is filed for patent and granted. The device is commercialized in different hospitals. The device is used for continuous monitoring of the drip level and raises an alarm upon reaching a pre determined value so that it can be changed in time preventing the back flow of blood into drip bottle.
2. Solar Tree- Design Patented
3. Device for UP Power Corporation Ltd. to save the life of lineman while working on energized line.

IIMT- IPR Cell

The University, within very short period of inception, **has filed 19 IPRs in last 6 months** with Controller General of Patents, out of which three patents have already been published.

INTELLECTUAL PROPERTY RIGHTS POLICY

IIMTU-TRAINING CELL - The training cell of IIMTU in association with different departments is conducting skill enhancement training programmes in the following fields for students & faculty.

1. Entrepreneurship awareness training and sessions in association with NIMAT & NRD
2. Technology based skill enhancement training - Android development, cloud computing, Auto CAD, Python,etc
3. Food processing & Preservation (for the students & faculty of Home Science Food Nutrition department)
- 4 IPR awareness training sessions

IIMTU CENTRE FOR SKILL DEVELOPMENT

IIMT University is the training partner of National Skill Development Corporation, New Delhi for conducting the sector skill development programmes, NPTEL, SWAYAM, IPR cell, Entrepreneurship Development Cell, Digital Initiative cell, Start-up Cell, Android Development cell which serve the purpose of mentoring the young minds to nurture them and develop them into Business Leaders in association with Google, AWS, IBM,ICT academy, PPDC Agra etc. & IIMT-U is inclined towards research and development and established well equipped departmental laboratories having facilities of all modern equipment's of testing and manufacturing.

IMPLEMENTATION OF NISP AS INSTITUTE INNOVATION AND START-UP POLICY:

IIMT UNIVERSITY has already formulated, approved and notified Institute Innovation and Start-up policy made against NISP. IIMTU has already complied all issued guidelines and notified it to its staff, faculty and students. Provision of funding has also been given for IISP implementation in the annual budget.

IIMT UNIVERSITY AND GOOGLE CLOUD COMPUTING PROGRAMME

B.Tech Prefinal and final year students have gone through Android Development using kotlin course by google. Recently, the same cell has conducted training during pandemic on cloud computing (GCP). Now GCCP is successfully completed and IIMTU is nominated for career readiness programme.

Now, the second round of advance training on Android has been started and faculty members are attending the same.

IIMT University has tied up with spoken Tutorial Projects. It is a Partnerships Agreement between IIMT University, Meerut and Spoken Tutorial (ST)-IIT Bomaby, NMEICT, MHRD, Govt. of India as knowledge Partner. It will impart Software/IT Training Program to all the department and colleges of IIMT University.

IIMT UNIVERSITY ENTREPRENEURSHIP DEVELOPMENT CELL

IIMT University has integrated Entrepreneurship as a course in prefinal and final years of majority of programmes running at the University, to strengthen the entrepreneurship education & research ecosystem. Recently in 2021, IIMTU has received funds to execute EDP programme on Agriculture Protection System.

START-UPS/VENTURES INITIATED BY BI- till now IIMT-BI has initiated following startups;

Startup Name	GSTN No./CIN No.	Type of Work	Founder Details
IIMT Media Pvt. Ltd	U22222UP2012PTC052151	Media & Networking	Mr. Mayank Agarwal
Star Technologies	09AADCI0643M1ZF	Hardware & Research	Shri Y. M. Gupta
Gravity Business Solution	09GVDP0183K1Z4	Electronics & Electrical	Mr. Vaibhav Sharma
BSM Innovation	09AQBVPV6924F1ZJ	Security & Research Based Product	Mr. Santosh Verma
Glamlite Inc.	09COOPK7677D1ZB	Lighting Product	Mr. Aditya
Supo Shop	AAU-0815 (LLP)	Novel mobile Application for digitalized retailing	Mr Harbans Lal Arora
Destimal	09AARFDO395E1Z8/AAS-4182(LLP)	Computer & Hardware	Mr Akshay

2 Startups from students are under process of registration.

MHRD-INSTITUTION INNOVATION COUNCIL (IIMTU-IIC)

IIMT UNIVERSITY has established Institute Innovation Council (IIC) in collaboration with Ministry of Education (MoE), Govt. of India at university level supported by Institute Innovation Cell at each institution level under IIMTU-IIC to systematically foster the culture of Innovation amongst all Students of IIMT University. The primary mandate of IIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes, to organize ideathons and heckathons etc.

The IIMTU has regularly been the active participant of IIC-MoE conducted activities sessions on IPR literacy & awareness varying from a day to a month.

Performance of IIC-IIMTU on MOE Portal

2018-19: 04 stars/05 and 6th among top 10 star performers in the area innovation, entrepreneurship and startup.

2019-20: 3.5 stars/05, among top rankers in northern India even in pandemic condition.

2020-21: (I Sem); 02 stars/02 till now.

INTERNATIONAL JOURNAL OF APPLIED SCIENCE AND TECHNOLOGY (IJAST): A JOURNAL PUBLISHED BY IIMTU

IIMT- U publishes a globally indexed International Journal of Applied Science and Technology (IJAST) (ISSN: 2277-8691) for publication of new ideas, the state of art of research results and fundamental advances in all aspect of Applied Science and Technology. IJAST is an International Journals with a primary objective to

provide the academic community and industry for original research and applications related to Applied Science and Technology.

FOR DIGITAL INITIATIVES IN HIGHER EDUCATION, IIMT-UNIVERSITY HAS NUMBER OF TIE-UP AND COLLABORATION

- SWAYAM by MHRD, Govt. of India
- Spoken Tutorials (IIT-B) by MHRD, Govt. of India
- National Academic Depository by MHRD, Govt. of India
- Virtual Labs by MHRD, Govt. of India
- E- Yantra by MHRD, Govt. of India
- NDL by MHRD, Govt. of India
- NPTEL by MHRD, Govt. of India, integrated in the syllabus.
- Online platform (Microsoft Teams) for blended learning.
- e- content development.

IIMTU e-Library (NDL)

It is having online books, subscription of journals (springer)and connectivity with other libraries on global basis (DELNET) with Shodhganga & Shodhsindhu.

NATIONAL ACADEMIC DEPOSITROY (NAD)

IIMT University is registered with National Academic Depository by MoE, Govt. of India for the authentication of degrees and mark sheet.

IIMTU AS NODAL CENTRE FOR NPTEL

IIMT University has collaboration with NITs/IIMs/IITs to provide an online short term certification courses form NPTEL. The University has integrated the said Certificate Course in the syllabus of different programmes.

SWAYAM

IIMT University is registered with SWAYAM by MHRD, Govt. of India. IIMT University through SWAYAM seeks to attach the students particularly the village based who have remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

E YANTRA

E-Yantra is an initiative by IIT Bombay that aims to create the next generation of embedded systems engineers with a practical outlook. IIT Bombay takes the 'E-Yantra' platform to harness the intellectual talent of young India to create utility based robotic applications for usage across variety of applications such as: agriculture, manufacturing, home, city maintenance and services industries.

Other Relevant Information

IIMT University, Nodal Centre for Swachh Bharat Abhiyan Made by MHRD , has taken some great initiatives towards making its campus a green and clean campus supporting the campaign of our honorable prime minister towards Swachh Bharat Abhiyaan.

Following initiatives have been taken in the IIMT University towards the

Swachh Bharat Abhiyan :-

Self-Energy Generating Campus (SOLAR Campus)

The IIMT University knows the importance of renewable energy sources and thus it has taken a great move to establish a 600 kilo watt solar plant on the rooftop of the Campus, thus generating clean energy.

Solid Waste Management Using Organic Composter :

IIMT University manages the solid waste, generated within the Campus, into valuable compost. We have developed a machine that will be converts the organic waste like agricultural, garden and kitchen and mess waste into organic compost that can be used for gardening purposes, thereby reducing the use of synthetic fertilizers in gardening purposes.

Solar Tree :

Solar Trees are intended to bring visibility to solar technology and to enhance the landscape and architecture they complement, usually in a commercial or public context. An objective of many solar tree installations is to promote awareness, understanding, and adoption of renewable energy. They are not typically used as a primary source of energy for a property that role is accomplished by rooftop solar systems. Solar trees are complementary to rooftop solar systems, or other green building measures, symbolizing these larger investments and their environmental benefit. Solar trees may build awareness and interest in solar technology and also provide shade and meeting places.

Sewage Treatment Plant :

The University is concerned about water scarcity in the coming future so it has developed an alternative to purify the sewage water so that it can be used as portable water

COLLABORATIONS

Adoption of a Village under Unnat Bharat Scheme : The University has adopted a village named Bhawanpur in the Meerut District to promote the cleanliness in the village and also the awareness in regard to corona epidemic and the measures for protection, promote adult education etc.

ACADEMIC AND RESEARCH COLLABORATIONS

Memorandum of Understanding (MoUs) with Different Universities/ TBI/ Agencies: The University has signed above MoUs for exchange of faculty, students, exchange of academic materials, Research Scholars, innovative ideas, Research Collaboration, joint IPR etc. This increase the employability of our students on the global platform.

NCC UNIT

The 72 battalion NCC Meerut was started in July 2020. Students are currently trained for certificate B and C. NCC is also integrated as Generic elective in the curriculum w.e.f 2021-22. session.

TEACHING LEARNING / CURRICULUM ENRICHMENT

TOTAL PROGRAMMES WITH CURRENT STUDENT AND FACULTY STRENGTH

During the session 20-21 a total of 60 programmes were conducted. The total students and intake capacity are given programme wise in table 1 in annexure. The eligibility criteria for every programme are given in table 2 and their detailed fees in table 3. A total of 74 faculty and 57 non-teaching were recruited during the session and listed in table 4.

ACADEMIC MODEL AND EVALUATION

In every programme, the students were taught with BOS approved syllabus which constituted core technical subjects, Ability Enhancement Compulsory Courses, Discipline/ generic Specific electives, Skill Enhancement Courses with Practical and tutorial classes. Sports was facilitated as a non-credited compulsory course. The evaluation process was conducted in compliance to IIMTU ordinance and during covid period the guidelines of UGC and respective regulatory bodies of different programme were complied.

UNIVERSITY SOCIAL RESPONSIBILITY

IIMT University is adopting two hundred students to provide them free Education who have lost their parents during Covid. Through the initiative of students club, IIMT university is distributing food to corona affected families during covid second wave.

IIMT University has created Student welfare fund, for the benefit of students who have lost their earning parent during their study period.

The IIMT University has adopted Bhawanpur Village for imparting awareness on IT literacy and other related Programme like spreading awareness on social issues like Beti Bachao - Beti Padaho, other similar programme with the help of Nukkar natak and using other means.

CENTRAL FACILITIES AVAILABLE DURING 2020-21

1. Essential Google Programs

Google Developers for Cloud Computing Courses and Faculty Training on Android - A group of faculty is trained by Google on coursera in cloud computing in which Google has copy right.

2. **NDL Membership** - to make students enable to assess the books & libraries countrywide, proved to be very helpful in pandemic crises.
3. **Student & Faculty Exchange Programs** - with other universities : IIMT University has signed MoU with the Universities of Malaysia and Uganda and we are in the process of signing MOU with some European countries as well for the student & faculty exchange programs & joint Research Programs.
4. **Start - Ups @ IIMTU - BI** In last two years, following startups have been initiated by providing guidance & handholding support by the BI of IIMTU.

- Start - Technologies from Engineering

- Plant n Plate from School of HM (Department of Home Science) (Under Process)

5. Innovations - MIC - IIC - IIMTU is organizing Hackathons, ideathons, Innovation contest for unearthing innovative minds among students, the novelty of innovative ideas is protected by IPR, leading to incubation by Business Incubator and finally a successful startup. MHRD-MIC-IIC has listed IIMT University amongst top ten in Northern India in view of its outstanding performance in creating institutional innovation ecosystem.

The performance of IIMTU-IIC in star rating assessment is as follows:

2018-19: 04 stars/05

2019-20: 3.5 stars/05

2020-21: (I Sem); 02 stars/02

The IIC-IIMTU cell has recently conducted an Innovation Contest-2020 to call innovations in the field of COVID-19 (services and protection), agriculture, biotechnology, pharmacy, engineering, AI and ML, IOT based technology etc., After screening, the ideas are sent to GoI for recognition for funding. Business Incubator, IPR Cell, IIC - IIMTU Cell & EDP Cell all together are creating an innovation/ start-up ecosystem by organizing expert talks, webinars, training sessions and workshops. The outstanding ideas are screened and sent to Govt. of India agencies for funding, establishing collaboration with National and International Organizations like PUM Netherlands, Wadhvani Foundations etc.,

Recently a collaboration was done with IIT-Ropar Technical Business Incubator for technical guidance & support. IIMTU - BI is also working toward design center for SMEs so that the students of technical courses may get chance to work upon live projects of designing product with funding support.

CENTRAL ACTIVITIES

Founder's Day & Alumni Meet 2021

Honourable Chancellor Sir Shri Yogesh Mohan Ji Gupta has laid the foundation of the IIMT University with such a noble ambition to impart quality education to the youth of our country. Since then each year, the university has been treading fast and excelling in multiple ways. It is indeed overwhelming to witness the growth of the institution that has achieved so much in a very short span of time. In order to rejoice the success story of our esteemed institution, we celebrated the 25th Founder's Day on 10 April 2021. IIMT fraternity was pleased and graced by the presence of many renowned dignitaries, and Chief Guest of the day, Mr. Rajendra Aggarwal, Member of Lok Sabha. The celebration began with the traditional bouquet presentation to the Chief Guest and the dignitaries as a mark of reverence. It was followed by the pious moment of lamp lighting and tribute to the goddess of learning Ma Saraswati. The day was celebrated with dedication, passion, and zeal. The occasion was accompanied by long awaited award ceremony for students as well as teachers. The meritorious students were generously rewarded for their sincere efforts in their academic accomplishments. It was a praiseworthy gesture towards the students fraternity that would keep motivating them to reach for higher goals each coming year.

The university also felicitated the teachers with excellent cash prize for their contribution in strengthening and growth of the institution. The Founder's day was accompanied by Alumni Meet, SAMAGAM. The

alumni from different cities had gathered on the campus, bringing along with them their success stories to share with their classmates. Most of our alumni is well placed, bringing laurels not only to their organizations but also to IIMT University. The alumni was treated with a gala dinner and offered gifts and mementos. The evening brought for them a grand extravaganza SAMAGAM 2021, a musical evening. The event was followed by various mesmerizing cultural programmes and spectacular band performance by Puneet Kumar. The whole event was marked by the unlimited joy and unforgettable memories for everyone and also a promise to meet again next year

ALUMNI CONNECT - ONLINE ALUMNI CAMPAIGN 2020-21

The alumni campaign was accompanied with videos and audios sent by alumni with their heartfelt messages to the institution, teachers and loving juniors. The cynosure of the campaign was that all the batches that passed out were called upon to be a part of the online campaign. Unlike earlier years, this year also witnessed a great participation from across all batches and many interactive sessions were held between seniors & juniors and between teachers & alumni. The campaign was also followed by retrospection and sharing of memories.

It was truly a matter of pride for the university when the online meet unfolded many breakthroughs, success stories and distinctions made by the IIMT alumni in different fields. Some of their examples are

S.No	Name	Course with batch	Alumni Connect Date
1	Amit Kumar	MBA (2006-08)	15-May-21
2	Ranjan Kumar	MCA (2004-2007)	22-May-21
3	Ajay Singh	B Pharma (2014-18)	29-May-21
4	Vikash Ranjan	MCA (2003-2006)	30-May-21
5	Ajay Singh	B.Pharma (2014-2018)	29-May-21
6	Shiv Karan Singh Pal	HM (2007-11)	3-Jun-21
7	Prachi Gupta	MBA (2005-07)	5-Jun-21
8	Rashmi	B.Tech (CSE) (2010-2016)	10-Jun-21

The above were among many who talked about their accomplishments and remarkable position they are currently holding in their respective fields in India and abroad.

STUDENT PERSONALITY TRAINING ACTIVITIES

Training department is an endeavour of IIMT University, which aims at imparting new skill sets that are relevant to the current industry demand.

The Training Road Map is categorised into Knowledge, Skills & Employability enhancement training.

The students get inputs in terms of Logical reasoning, Aptitude, Verbal Ability, Soft Skills & Placement oriented training.

In order to ensure the holistic development of the students, special emphasis is laid on sessions by Industry experts, Company specific mock drives, Employability enhancement programs coupled with active participation of students in various events in order to give them unmatched training exposure for their personal & professional growth.

The execution matrix of training interventions is as follows:

Knowledge Enhancement Training	Skill Enhancement Training	Employability Enhancement Training
Quantitative Aptitude	Personality Development	Job Portal Handling
Non Verbal Reasoning	Communication Skills	Email / Covering Letter
	Goal Setting	Resume Building (Digital / Video)

	Stress Management	Group Discussion
	Ettiquettes & Nettiquettes	Personal Interview
	Leadership Skills	Post Interview Activities

We believe that professional enhancement inputs supplement the academic curriculum & help prepare students to participate actively in the professional community. Such inputs also enhance practical knowledge & awareness of students.

The Training department has been active in organizing domain & skill specific workshops to give students a hand on experience by assessing their needs. Professional development opportunities range from a single workshop to a semester-long academic course.

Activities conducted in above mentioned sphere are,

- | | |
|--|----------------------------------|
| a. Training need assessment | b. Career orientation program |
| c. Employability Skill building workshop | d. Pre recruitment screening |
| e. Pre recruitment training | f. Seminar (employment options) |
| g. Corporate connect (Guest lecture) | |

These inputs add flavor to students' candidature and make them industry ready.

CONFERENCES / WORKSHOP / TRAINING PROGRAMME ORGANIZED SCHOOL WISE

S.N.	School	Activity	Topic	Duration	Speaker

ROAD MAP OF NEP 2020-21

As per the expectation of new education policy, since 2019-20 session, IIMT University is running its various programs as per CBCS norms.

The features of Discipline Specific Elective, Skill Enhancement Course, Generic elective etc. of new education policy are already implemented in our IIMT University in the curriculum of different programmes since the session 2019-20.

As per guidelines of New Education policy, It is planned that, Certificate, Diploma and U.G Degree, U.G. Degree with Research, Masters Programme, P.G. diploma Research and Ph.D. will be offered in the following Schools of IIMTU.

School of Basic Science and Technology

School of Computer Science & Application

School of Commerce & Management

School of Journalism & Mass Communication

School of Arts & Humanities

School of Law

School of Education

School of Agricultural sciences

School of Hotel Management

School of Life Sciences

List of Programmes under NEP 2020

Sr. No.	Name Of School	Programme	Certification	Remarks if any
1.	School Of Basic Science And Technology	B.Sc	Certificate in Science	After one year
			Diploma in Science	After two years
			Bachelor of Science in Chemistry	After three years
			Bachelor of Science in Mathematics	Do
			Bachelor of Science in Physics	Do
			Bachelor of Science in statistics	Do
2.	School Of Computer Science And Application	B.Sc.(CS)	Certificate in Computer Science	After one year
			Diploma in Computer Science	After Two years
			B.S.c in Computer Science	After Three Years
		BCA	Certificate in Computer applications	After one year
			Diploma in Computer Applications	After Two Years
			BCA	After Three years
3.	School Of Commerce And Management	BBA	Certificate in Business Administration	After one Year
			Diploma in Business Administration	After Two Years
			Bachelor of Business Administration	After Three Years
		BBA (Aviation and Travel)	Certificate in Aviation and Travel	After one year
			Diploma in Aviation and Travel	After Two Years
			Bachelor of Business Administration(Aviation and Travel)	After three Years
		B.Com	Certificate in Commerce	After One Year
			Diploma in Commerce	After Two Years
			Bachelor in Commerce	After Three years
		MBA	P.G. Diploma in Management	After One Year
			Master of Business Administration	After Two Years
		M.Com	P.G. Diploma in Commerce	After One Year
Master of Commerce	After Two Years			
4.	School Of Journalism And Mass	BJMC	Certificate in Journalism	After one Year
			Diploma in Journalism	After Two Years

	Communication		BA JMC	After Three Years
			BA JMC (Research)	After Four Years
		MAJMC	MAJMC	After five Years
		Ph. D.	PG Diploma in Research	After Six Years
5.	School Of Arts And Humanities	BA	Ph. D.	After Eight Years
			Certificate in Translation	After One Year
			Diploma in Translation	After Two Years
6.	School Of Law	BA LLB	Bachelor of Arts	After Three Years
			Certificate in BA with law	After one year
			Diploma in BA with law	After Two Years
			BA with law	After three Years
7.	School Of Education	B.A. B.Ed	BA LLB	After five Years
			Certificate in faculty	After one Year
			Diploma in faculty	After Two Years
			Bachelor in Faculty	After Three Years
8.	School Of Agricultural Sciences	Bsc (Ag)	BA B.Ed	After four Years
			Certificate in Fundamental agriculture	After one Year
			Diploma in agriculture	After Two Years
9.	School Of Hotel Management	BHMCT	Bachelor in agriculture	After four Years
			Certificate in Hotel Management	After one Year
			Diploma in Hotel Management	After Two Years
			BSc (HM)	After Three Years
		PG Diploma In Hotel Management	BHMCT	After four Years
			MHMCT	After Two Years
		Bsc Home Science (Clinical Nutrition & Dietetics)	Certificate in Clinical nutrition & Dietetics	After one Year
			Diploma in Clinical nutrition & Dietetics	After Two Years
			BSc Home science (Clinical nutrition & Dietetics)	After Three Years
		PG Programme	PG diploma in Food and nutrition	After one Year & 3 months
MSc Home science (Food and nutrition)	After Two Years			
10.	School Of Life Sciences	BSc (Biotech)	Certificate Course in Biotechnology	After one Year
			Diploma in Bio technology	After Two Years
			Bachelor of Science (Biotechnology)	After Three Years
		BSc (Micro)	Certificate Course in microbiology	After one Year
			Diploma in microbiology	After Two Years
			Bachelor of Science (microbiology)	After Three Years
		BSc (CBZ)	Certificate Course in Life Science	After one Year
			Diploma in Life Science	After Two Years
			Bachelor of Science (CBZ)	After Three Years
		MSc (Biotech)	P.G. Diploma in Biotechnology	After one Year
			Master of Science (Biotechnology)	After Two Years
		MSc (Micro)	P.G. Diploma in microbiology	After one Year
			Master of Science (microbiology)	After Two Years
		MSc (Zoology)	P.G. Diploma in Zoology	After one Year
Master of Science (Zoology)	After Two Years			

PLAN FOR IMPLEMENTATION OF NEP IN SESSION 2021-22

1. Conduction of Awareness Workshop for Deans of Various schools regarding NEP 2020 implementation.
2. Development of study scheme with credits by the respective deans.
3. Development of curriculum / syllabi of the above scheme.
4. Development of evaluation scheme for the various programmes.

5. Final workshop on various programmes by the respective deans to the faculty for feedback.
6. Final rectification based on feedback.
7. Implementation of NEP from session 2021-22.

The various cells were constituted for effective implementation of NEP as follows:

Sl.No.	Cell	Chairperson
i.	Industry- Academia Integration & Development Cell	Mr. Nitin Verma, Asstt. Professor - EE
ii.	Online Education & LMS Cell	Dr. Pankaj Gupta, Associate Professor- CSA
iii.	Teacher Re-Skilling Cell	Mr. Neeraj Sahni, Training
iv.	Activity Club	Mrs. Rachna Chaudhary Asstt. Professor - CSA
v.	Indian Language, Culture & Art Cell	Prof. K.D. Sharma Dean- Arts & Humanities
vi.	International Students Help Cell	Dr. Ateequr Rehman Associate Professor - A & H
vii.	Cell for Differently Abled Students & SEDG	Dr. Rajneesh Tomar Asstt. Professor - Physiotherapy
viii.	Mentoring & Counseling Cell	Prof. Sanjeev Agarwal Dean - Education

INTERNATIONAL STUDENT'S HELP CELL-2020

The cell is working to find new steps to invite international students. It will conduct International Webinars. Members of cell are finding possibilities to make their communication with available embassies of state. Cell is collecting the name of resourceful person.

TEACHERS RESKILLING CELL

S.No.	ACTIVITY	OUTCOME
1.	NEP in PDF format (Hindi/English) circulated	Identification & understanding of 21 st Century skills.
2.	Highlights of NEP transcribed as FAQ's	Better & faster understanding
3.	Knowledge buster series on 21 century skills	Classification of 21 st century skills as learning skills, Life skills, Literacy skills identified
4.	PPT on Transformation of Education Pattern	Changes happening in education pattern & system identified that justifies need of NEP
5.	NPTEL upcoming July schedule circulated	To identify Course & decide schedule on time

INDUSTRY ACADEMIA INTEGRATION AND SKILL DEVELOPMENT CELL

An MoU is in process with Sandeep Kumar of Falcon Automations an automation company into service & internships in Roorkee, Haridwar (Uttarakhand) and with Shruti Bhatnagar, Balaji Springs Pvt. Ltd, Meerut for diploma course candidates. MOU is also in process with couple of companies in Sidcul Haridwar, Uttarakhand.

Identification of professional & skill based education was one of the goal of our cell. Under it we have identified organisations that are Empanelled sending organization which will act as an intermediary with Supervising Organizations for candidates who wish to undertake Technical Intern Training in Japan. Eligible and competent youth, who are willing to upgrade their technical skillset through TITP in Japan, would be enrolled and imparted training in India by the Sending Organization. Ministry of Skill Development & Entrepreneurship (MSDE), Government of India and the Ministry of Justice, Ministry of Foreign Affairs and Ministry of Health, Labour and Welfare of Japan signed a Memorandum of Cooperation initiating the Technical Intern Training Program (TITP) in India in October 2017. As per the list there are total 31 in India. In NCR total 14 are there. (<https://nsdcindia.org/about-titp#sending-org>)

ACTIVITY CLUB ACTIVITIES

The Activity club performed the plantation activity in association of SOCSA Department. It also contributed through the cloth donation drive under HOPE CLUB in association of IIMT UNIVERSITY.

The next plan of action are conduction of Business Model Competition, Design thinking, Hackathon Ideathon, Drone Dance, POC/Prototype Competition, Innovative Idea Competition, Toycathon etc.

INDIAN LANGUAGE, CULTURE & ART CELL

The cell proposed to establish a separate Arts Studio in SOAH. The cell has organised selected lectures on both culture and Academic. Our students are making a mark: in the field of general inter and intra competitions of university. Two Teaching staff have been felicitated for publishing their Papers in reputed journals. The cell has made its inter-interaction with the Departments of Education and journalism.

FUTURE PLANS

Many ongoing plans in academic model implementation, creating Innovation eco system, International training, Self-employment generation, International placements are under creative framework to lead the university towards a new horizon and the emerging students to be socially responsible technocrats.

CHANCELLOR MESSAGE

IIMT University has been established to support students and staff, with zeal to work hard, in competitive environment, conducting leading-edge education and research, focused on the needs of society. We are continuing to develop as a university for the 21st century that will be a beacon of learning and innovation with world class facilities for our students and staff.

We have also made progress on our ambitions to become a Digital University, creating an exciting and ambitious modern environment for the students of today and tomorrow. we have made further progress towards our goal of Digital Learning initiative and online courses.

We are also encouraging the students of the future, including engaging with those ‘most able, least likely’ to come to university, from varied remote areas of India. Across the campus, we are having a new generation of researchers who are making their mark in the area of innovative ideas, trade mark, copy right, patent and start up registration and looking to the future.

Creating a vibrant culture that supports the very best of postgraduate and doctoral research talent is central to our Vision. Our Graduate Schools play an important role, along with our Doctoral Research Training Centres, to achieve it.

We desire to emerge as an university with citizenship and social responsibility in its DNA. Our University is committed to serve the nation during this unprecedented time of global crisis (Covid-19) and has taken all appropriate measures to protect people from this pandemic. We have presented a cheque of 1 Million to Hon'ble MP Shri Rajendra Agarwal as contribution to tackle Covid-19 and to ensure the continued safety of our people. This has been recognized and appreciated by World Book of Records- London (United Kingdom) for spreading a spirit of Positivity.

All of the above reinforces our critical role in contributing positively to Indian higher education whilst delivering significant local impact. Hope this Annual report of 2019-20 of our IIMT university will enable you to experience our efforts in varied dimensions of development.

VICE CHANCELLOR MESSAGE

The past year of 2019-20, was one of significant achievement for IIMT University. Although marked by government policy changes and COVID 19, shifts that impacted aspects of our work and constrained our resources, we have invested considerable time charting a pathway through these policy and social changes while staying true to our mission as a university of service and engagement. In response, IIMT has continued not only to strengthen our reputation in learning and research but also to reach milestones of which we are very proud.

IIMT's transformational approach to learning and teaching has brought many exciting developments for students. During the year, we welcomed the first students to the University's Aviation programme.

Considerable progress was made towards achieving the University's goal of creating greater participation opportunities for Indigenous staff and students, through its implementation of faculty promotion schemes and Alumni appointment in relevant place of requirement as per individual talent.

Major building ambience upgradation, including lab sophistication upgradation work, across campus reflect our ongoing program to transform the physical and functional environment of the University, with a parallel commitment to protect and enhance both its beautiful green spaces and public realm.

The universities new school of Ayurvedha, named as IIMT Ayurveda Medical college and Hospital, is gaining its significance in the society through its service for covid recovery patients, patients with chronic ailments etc. This for sure one day will stand at par with our existing IIMT life line hospital, which has already gained good social recognition through long span of service.

In affirming our commitment to place students at the heart of everything we do, staff across the University are working collegially this year on NEP 2020, to transform our curriculum. Available from 2021, the new curriculum will offer our students flexibility and deliver a richer experience to prepare them to pursue the careers of tomorrow.

As we do every year, IIMT University focused on its enduring commitment to community service and engagement, through financial contribution to the Government during covid -19 period an amount of rupees 1 million, Door delivery of food for patients suffering from Corona infection, providing new research based formulations of hand sanitiser, immunity booster tea powder dipper sachet, Converting its IIMT life line hospital into a covid treatment centre, etc.,

During the year, we have continued to balance the need to grow and adapt to changing circumstances with maintaining the fundamental notions of service and engagement that set IIMT University apart. This would not be possible without the hard work and commitment of the enthusiastic and dedicated people in our University community.

I thank everyone for their part in challenging conventional thinking through innovation and hard work, while staying true to the University's long-range framework and contributed to the contents of this Annual report of 2019-20, as achievements.

PREFACE

At IIMT University, we believe in turning the vision into reality on virtue of our commitment and sincere efforts. IIMT instills in each of its faculty members and students an inspiration to be an achiever.

In IIMT University, through its academic model we are oriented towards world class education for our students. Technical exposure, Grooming students to International standards, societal exposure, Cultural tint in student structuring, are some of the prime areas for which IIMT University is serving as a preparatory ground. How to go for start up? , How Learning turns into research? , How you become an entrepreneur? , heading towards these teaching areas are our primary knowledge out come in IIMT University.

We are in continuous pursuit to utilize virtual platform to make our teaching more innovative and experimental. Well furnished library, centralized instrumentation facility, Animal research facility, in house patient handling practice through multiple hospital facility for para medical and pharmacy students, Material recycling engineering lab, In house teaching practice through varied in house Primary, secondary and higher secondary schools for students of Teachers education, Own hotel of international standard for Hotel management students in house training exposure are a few facilities to name with. Our Universities own FM radio serves to be a training platform for not only our journalism students but also others with an inward interest of public speaking.

State of the art sports facilities namely shooting ground, horse riding, swimming pool, synthetic basket ball ground, GYM, Yoga training are the best options available for satisfying the mental and physical refreshment of our students.

This Annual report for session 2019-2020, will enable every reader to cherish the quality implementation in our IIMT university.

HIGHLIGHTS OF THE YEAR

IIMTU FIGHTS AGAINST COVID-19 AND WORLD STANDARDIZATION APPRECIATION, LONDON

IIMT University is committed to serve the nation during this unprecedented time of global crisis (Covid-19) and has taken all appropriate measures to protect people from this pandemic. Chancellor Shri Yogesh Mohanji Gupta, Pro Chancellor Shri Abhinav Aggarwal and MD Shri Mayank Aggarwal presented the cheque of 1 Million to Hon'ble MP Shri Rajendra Agarwal as contribution to tackle Covid-19 and to ensure the continued safety of our people. This warm gesture is intended to protect not only the individual, but all community. We believe that together we can combine our efforts to protect one another. The commendable efforts and contribution of Hon'ble Chancellor, Shri Yogesh Mohanji Gupta, as a silent warrior in COVID-19 pandemic, has been recognized and appreciated by World Book of Records- London (United Kingdom) for spreading a spirit of Positivity.

OTHER EFFORTS

1. TOUCHLESS SANITIZER DISPENSER (Product of R&D cell)
2. HERBAL SANITIZER (R &D Product of IIMT college of medical sciences- Pharmacy department)
3. RISHI KADHA: EFFECTIVE TO AVOID CORONA INFECTION KADHA SACHET TO USE LIKE A TEA BAG (R &D Product of IIMT college of medical sciences- Pharmacy department)

IIMT LIFE LINE HOSPITAL NOMINATED FOR TREATMENT OF NONCOVID 19 PATIENTS

It is a matter of fact that IIMT Life Line Hospital has been nominated among all 325 hospitals of Meerut by CMO to deal with all the emergencies except COVID -19 cases. This has come in view of the state government announcement that it will join hands with Private Hospitals to tighten the corona infection. Under the Infection Prevention Protocol, administrators created a pool of 10 private hospitals in Meerut, and IIMT Life Line Hospital was chosen as one of the destinations to cure the Non-COVID 19 Patients.

WORLD RECORD

MATA PITA SAMMAN SAMAROH November 23, 2019

During this event 1500 students from the University, IIMT Academy and various schools expressed their heartfelt gratitude to their parents by washing their feet and worshipping them -a real tribute to Indian Culture that stands out in the whole world for its rich heritage of parent child bonding

JOURNEY FROM INCEPTION

IIMT University with the legacy of a group of colleges since last 25 years has shown unprecedented growth over the past few years in the field of research, innovation and research based academic planning.

IIMT University is a State Private University of Uttar Pradesh established by Govt. of Uttar Pradesh, India vide U.P. Act no. 32 of 2016 , with the legacy of group of colleges since 1995 which are now brought

under the aegis of IIMT University since 2016 to meet the ever growing needs of higher and professional education.

We are happy to announce that we have almost all the professional courses running under one roof.

IIMT University objectives include turning innovations into Enterprises, to increase the successful development of new businesses, job creation and employment in specific sectors that are aligned with a region's unique areas of opportunity.

The University is awarding the doctorate degree in Science, Life Sciences, Engineering & Technology, Education and Physical Education, Law, Management & Commerce and Pharmacy.

IIMT University has registered its first startup "Star Technologies" from U.P. recognized by DIPP, Govt. of India which is providing effective solutions that help organizations to improve management efficiencies. This Startup unit of IIMTU is managed by the Alummi of IIMT itself. The Research and Development department of the University has patented some ideas which are incubated at the department only and are in the process of commercialization. Keeping in view the requirements of the industry, University has number of tie ups/MoU signed with the intension to make students trained as per the demand of the industry.

IIMT University has launched the programme in **Entrepreneurship** to strengthen the entrepreneurship education & research ecosystem. We have established Institute Innovation Council (IIC) in collaboration with Ministry of Human Resource Development (MHRD), Govt. of India to systematically foster the culture of Innovation amongst all Students of IIMT University.

For **digital initiatives in higher education**, IIMT University has number of tie up and collaboration. IIMT University is registered with **National Academic Depository** by MHRD, Govt. of India for the authentication of degrees and marks sheet.

IIMT University in collaboration with IITs is able to provide an online certification course from **NPTEL** and get a certificate from the IITs. IITs are reaching out and taking education to the homes of people through this initiative. Certified Course of NPTEL by MHRD, Govt. of India are integrated in the syllabus. IIMT University is registered with **SWAYAM** by MHRD, Govt. of India. IIMT University through SWAYSIM seeks to bridge the digital drive for students. **E - YANTRA** is an initiative by IIT Bombay that aims to create the next generation of embedded system engineers with a practical outlook. IIT Bombay takes the E - YANTRA platform to harness the intellectual talent of young India to create utility based robotic applications for usage across variety of applications such as: agriculture, manufacturing, home, city maintenance and services industries. IIMT University has tied up with **spoken tutorial projects**. It is a partnerships agreement between IIMT University, Meerut and Spoken Tutorial (ST) IIT Bombay, NMEICT, MHRD, Govt. of India as knowledge Partner.

IIMT University has been approved as nodal centre of **ISRO - IIRS OUTREACH PROGRAMME**. An online certified programme of Indian Space Research Organization, (ISRO). The IIRS outreach programme is

being conducted through two major modes: Live and Interactive classroom sessions (also known as EDUSAT) and E - Learning based online courses.

IIMT University Meerut, is the Nodal Centre for Swachh Bharat Abhiyan made by MHRD, and it has taken some great initiatives towards making its campus a green and clean campus supporting the campaign of our honorable prime minister towards Swachh Bharat Abhiyaan.

STATUTORY BODIES INCLUDING ACADEMIC & EXECUTIVE COUNCIL

STATUTORY BODIES MEETINGS

The list of statutory bodies and their respective meetings conducted are listed in Table number 5.

QUALITY ASSESSMENT AND ENHANCEMENT / IQAC UPDATES

For the purpose of Quality assessment and enhancement the Annual quality assurance report was collected by the IQAC cell from different schools. It was analyzed and suggestions for quality enhancement was given. The new courses that were started new for the session, were reviewed for the BOS approved CBCS based syllabus, through the CBCS committee and were recommended for implementation by the IQAC cell. The National and International MOUs of the university were insisted and monitored by the IQAC cell for exchange programmes, participatory activities for knowledge transfer.

In session 2019-20 even semester(Jan-July) online classes were conducted through “Google Meet, Zoom & Google Classrooms” while in current session online classes are being conducted through Microsoft Teams. They were monitored for satisfactory standard delivery of technical information to students.

CENTERS OF EXCELLENCE

IIMT University has the following centers of excellence

1. Electro preneur Park.
2. IIMT University android development cell.
3. IIMT University Institution innovation council.
4. IIMT University Entrepreneurship development cell.
5. IIMT University Business incubator of MSME.
6. IIMT University R & D Cell.

1. Electropreneur Park

In IIMT University an initiative is made with Ministry of IT Electronics, and an Electropreneur Park has been set up to carry out incubation and building ecosystem to help budding entrepreneurs. Entrepreneur park has been set up under the aegis of the Ministry of Electronics & Information Technology, Software Technology park of India and Electronics and Semiconductor Association to support startups in electronic system design and manufacturing.

2. IIMT University android development cell

IIMT University and Tech Giant Google have signed a memorandum of understanding (MoU) regarding new courses that offer specialization in Android programming. For this, IIMT has established a 'Center of Excellence of Google' at its Campus. Under this collaboration, IIMT Students will be trained to get Android certifications.

3. IIMT University Institution innovation council

IIMT University has established Institute Innovation Council(IIC) in collaboration with Ministry of Human Resource Development (MHRD), Govt. of India to systematically foster the culture of Innovation amongst all students of IIMT University.

4. IIMT University Entrepreneurship development cell

IIMT University has launched the Programme in Entrepreneurship to strengthen the entrepreneurship education & research ecosystem.

5. IIMT University Business incubator of MSME

IIMT University has Business incubator of MSME in the research block of IIMTU. Many innovative ideas are tested and facilitated for implementation.

6. IIMT University R & D Cell

The Research and Development department of the University has patented some ideas which are incubated at the department only and are in the process of commercialization.

RESEARCH & DEVELOPMENT - FACULTY PUBLICATIONS / IPR/ CONFERENCES / WORKSHOP / TRAINING PROGRAMME ATTENDED & ORGANIZED

FACULTY ACHIEVEMENTS

Doctorate Degree to Faculty Members

Our faculty, Dr Abhishek Chauhan (Pharmacy), Dr Ankur Goel (BBA), Dr Nitin Gupta (HM), Dr Bindiya Rawat (BPED), Dr Deepender Singh (BPED) have been awarded with Doctorate degree.

World Management Conference

Dr. Nikita Singhal from the College of Commerce and Management was honoured at the WORLD MANAGEMENT CONFERENCE organised by Ministry of Human Resource Development in collaboration with Indian Management Association.

Faculty Awarded At INPG College, Meerut

Dr. Reeta Singh, HOD Humanities in the School of Arts and Humanities received the Best Poster Award in the National Seminar held at INPG College, Meerut.

Paper Presented and Published in Journal and Magazine

A total of 60 papers were presented and published in Journal and Magazine, 41 were presented in various conferences and 58 faculty have participated in various FDP . Many faculty have contributed in books and book chapters.

PROFESSIONAL BODY MEMBERSHIP

University schools have institutional memberships with Hotel and Restaurant Association of India, Indian pharmaceutical Association, Indian management association, etc.

IIMT CENTER FOR INNOVATION, INCUBATION AND ENTERPRENEURSHIP (CIIE) (WWW.IIMTCIE.COM)

IIMT - Business Incubator Foundation, MEERUT

IIMT University has set up two **Business Incubators, IIMTU-BI is approved by Govt. of India, Ministry of MHRD, MSME and IIMT-Business Incubator Foundation (registered under section 8 of Company Act 2013, a non profitable entity for the promotion of research, innovation, incubation and start-ups)** with on-campus pre-incubation and incubation facilities in the areas in which the expertise is available to guide the students and budding entrepreneurs, like, **Engineering and Technology, Bio-technology , Pharmaceuticals, Information Technology , Nano-technology , Polymers , food Processing , Herbal Medicines , Agriculture , health sciences, water purification etc.**

1. Technically supported by PUM with the association of an senior international expert, Dr. Maud Van Den Meiracker from Netherland, who trains the staff of Business Incubator often by visiting the BI for regular upgradation leading it towards a successful BI stepwise.
2. BI - IIMTU is already in association with TBI-IIT (Ropar) for technology transfer and technical guidance,

The IIMTU-BI has past 5 years experience in incubating innovative ideas of students faculty & others in the field of Engineering & Technology, Computer Science & Application, Pharmacy, Applied Sciences, Health Science and many inter-disciplinary areas.

Areas of B.I.s are: (a) Projects on advanced technology in difference fields of engg. and technology. (b) Projects which have immense social values. (c) Projects related to industrial applications. (d) Projects related to human applications. (e) Projects related to innovation in Medical Science, pharmacy and health sciences (f) Projects related to herbal preparations / Medicines.

Our qualified and experienced faculties who have caliber to do research work of National / International level will be a tool to students to work on innovative projects. Here at IIMT University, we do have R&D Pool of experts in various fields of engineering and technology and Medical Sciences at IIMT University which may serve as mentors as well as counselor. Faculties of different science and engineering departments have developed new products as well as technologies in their Research and Consultancy Services offered by IIMT University: The staff and students of the institute have been offering different consultancy services to the nearby industries and firms in the form of module and website designing, maintenance and **R n D**.

Seed Funding and other provisions in the Budget

The IIMTU has got provision of funds in Budget towards promoting & supporting innovation and entrepreneur development for students/ faculty/staff/start ups , fund is allocated for awareness/ training sessions; seed funding for early startups; for pre incubation & incubation facilities; innovation & IPR commercialization.

SUCCESS STORIES OF IIMT-U BUSINESS INCUBATOR AND RND CELL

1. Sanjeevani – Drip level Indicating device, is filed for patent and granted.

The device is commercialized in different hospitals, the use of product was started from IIMT Lifeline Hospital itself. The device is used for continuous monitoring of the drip level and raises an alarm upon reaching a pre determined value so that it can be changed in time preventing the backflow of blood into drip bottle.

2. Solar Tree- Design Patented

3. Device for UP Power Corporation Ltd. to save the life of lineman while working on energized line.

IIMT- IPR Cell

The University, within very short period of inception, **has filed 19 IPRs in last 6 months** with Controller General of Patents, Designs & Trade Marks under Patent Act, 1970 out of which three patents have already been published.

INTELLECTUAL PROPERTY RIGHTS POLICY

IIMTU-TRAINING CELL - The training cell of IIMTU in association with different departments is conducting skill enhancement training programmes in the following fields for students & faculty.

1. Entrepreneurship awareness training and sessions in association with NIMAT.
2. Technology based skill enhancement training - Android development, cloud computing, Auto CAD, Python, etc
3. Food processing & Preservation (for the students & faculty of Home Science Food Nutrition department)
- 4 IPR awareness training sessions

IIMTU CENTRE FOR SKILL DEVELOPMENT

IIMT University is the training partner of National Skill Development Corporation, New Delhi for conducting the sector skill development programmes, NPTEL, SWAYAM, IPR cell, Entrepreneurship

Development Cell, Digital Initiative cell, Start-up Cell, Android Development cell which serve the purpose of mentoring the young minds to nurture them and develop them into Business Leaders in association with Google, AWS, IBM, ICT academy, PPDC Agra etc. & IIMT-U is inclined towards research and development and established well equipped departmental laboratories having facilities of all modern equipments of testing and manufacturing softwares (AUTOCAD, ANSYS, PROE, CATIA, STADDPRO, EMBEDDED SYSTEM, VLSI, MATLAB) related to the field of mechanical, civil, electronics, electrical and computer science engg.

- START-UP India for training and workshops
- Google Developers for Android development Fundamental and associate engineer cloud computing Training
- Amazon webs Services for cloud computing training
- Coursera certification
- Entrepreneurship training and development cell.
 - Live and Interactive classroom Sessions (Also known as Edusat and
 - E-learning based Online Courses.
 - IIMT UNIVERSITY has been approved as nodal centre of ISRO-IIRS OUTREACH PROGRAMME. An online certified programme of Indian Space Research Organization, (ISRO).

IIMT University is the training partner of **National Skill Development Corporation**, New Delhi for conducting the sector skill development programmes, NPTEL, SWAYAM, IPR cell/ IPR awareness, training and facilitation centre, Entrepreneurship Development Cell, Digital Initiative cell, Start-up Cell, Android Development cell which serve the purpose of mentoring the young minds to nurture them and develop them into Business Leaders.

IIMT-U is inclined towards research and development and established well equipped departmental laboratories having facilities of all modern equipments of testing and manufacturing software (AUTOCAD, ANSYS, PROE, CATIA, STADDPRO, EMBEDDED SYSTEM, VLSI, MATLAB) related to the field of mechanical, civil, electronics, electrical and computer science engg. .

Libraries are having online subscription of journals (Springer, J-GATE) and connectivity with other libraries on global basis DELNET and NDL.

IMPLEMENTATION OF NISP AS INSTITUTE INNOVATION AND START-UP POLICY: IIMT UNIVERSITY has already formulated, approved and notified Institute Innovation and Start-up policy made against NISP. IIMTU has been allotted login credentials by MoE, AICTE for IISP updation. (portal may kindly be checked). <https://iiciimtuniversity.godaddysites.com/>

IIMTU has already complied all issued guidelines and notified it to its staff, faculty and students.

Provision of funding has also been given for IISP implementation in the annual budget.

IIMTU has adopted NISP and formulated Innovation and Start-up policy by the committee constituted as per the guidelines of MoE.

IIMT UNIVERSITY ADF and GCP CELL

IIMT University and Tech Giant Google have signed a Memorandum of understanding regarding new courses that offer specialization in Android programming. For this, IIMT has established a 'Center of Excellence of Google' at its Campus. Under this collaboration, IIMT students will be trained to get Android certifications.

"Now-a-days, more and more people are using smart phones and most of these phones are powered by Android. As such, each and every company is looking to recruit students who are expert in Android programming. This historical tie up will strengthen IIMT students' abilities to meet global challenges of industry ready manpower".

We have introduced a syllabus for ANDROID DEVELOPMENT made by Google as a part from basic to advance at different levels/semesters of Engg., Computer applications & Computer Sciences.

Google has trained our 13 faculty under "Train the Trainer" scheme for Android Development Fundamentals and 03 faculty/Research Scholars for advance ANDROID DEVELOPMENT.

B.Tech Prefinal and final year students have gone through Android Development using kotlin course by google.

Recently, the same cell has conducted training during pandemic on cloud computing (GCP).

Now, the second round of advance training on Android has been started and faculty members are attending the same.

In the last session,

SPOKEN TUTORIAL BY IIT-B : Nodal Centre

IIMT University has tied up with spoken Tutorial Projects. It is a Partnerships Agreement between IIMT University, Meerut and Spoken Tutorial (ST)-IIT Bombay, NMEICT, MHRD, Govt. of India as knowledge Partner. It will impart Software/IT Training Program to all the department and colleges of IIMT University. Recently on Monday itself University has received the letter of association as Knowledge partner with Spoken tutorials, IIT-B, MHRD for remarkable contribution for national mission on Education through ICT.

ISRO-IIRS OUTREACH PROGRAMME

IIMT UNIVERSITY has been approved as nodal centre of ISRO-IIRS OUTREACH PROGRAMME. An online certified programme of Indian Space Research Organization, (ISRO).

The initial focus of IIRS was to use EDUSAT/INSAT 4CR satellite for distance learning but it extended its scope by the use of internet to make it accessible by large number of students globally. Today by this programme various professionals, research scholars, scientist, physicists and even the department and ministries are linked. The IIRS outreach programme is being conducted through two major modes.

IIMT UNIVERSITY ENTREPRENEURSHIP DEVELOPMENT CELL

IIMT University has integrated Entrepreneurship as a course in prefinal and final years of majority of programmes running at the University, to strengthen the entrepreneurship education & research ecosystem. The growing interface between entrepreneurship and education is bridging the chasms which make entrepreneurship a distant career option. Lately entrepreneurship education has emerged as a significant instrument for harnessing entrepreneurial potential and ensuring enterprise success. This confirms that today's youth is keen on putting their energies & ideas to productive use by adopting entrepreneurship as a career.

Recently in 2021, IIMTU has received funds to execute EDP programme on Agriculture Protection System.

START-UPS/VENTURES INITIATED BY BI_ till now IIMT-BI has initiated following startups;

Startup Name	GSTN No./CIN No.	Type of Work	Founder Details
IIMT Media Pvt. Ltd	U22222UP2012PTC052151	Media & Networking	Mr. Mayank Agarwal
Star Technologies	09AADCIO643M1ZF	Hardware & Research	Shri Y. M. Gupta
Gravity Business Solution	09GVDP50183K1Z4	Electronics & Electrical	Mr. Vaibhav Sharma
BSM Innovation	09AQBPV6924F1ZJ	Security & Research Based Product	Mr. Santosh Verma
Glamlite Inc.	09COOPK7677D1ZB	Lighting Product	Mr. Aditya
Supo Shop	AAU-0815 (LLP)	Novel mobile Application for detitalized retailing	Mr Harbans Lal Arora
Destimal	09AARFDO395E1Z8/ AAS-4182(LLP)	Computer & Hardware	Mr Akshay

CURRICULUM DESIGN

Entrepreneurship and some skill enhancement courses from NPTEL and SWAYAM courses are integrated with the curriculum as credit course under the category of Skill enhancement courses of LOCF/CBCS/OBE based syllabus.

MHRD-INSTITUTION INNOVATION COUNCIL (IIMTU-IIC)

IIMT UNIVERSITY has established Institute Innovation Council (IIC) in collaboration with Ministry of Education (MoE), Govt. of India at university level supported by Institute Innovation Cell at each institution level under IIMTU-IIC to systematically foster the culture of Innovation amongst all Students of IIMT University. The primary mandate of IIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes, to organize ideathons and heckathons etc.

The IIMTU has regularly been the active participant of IIC-MoE conducted activities sessions on IPR literacy & awareness (Recent is NIPLW-KAPILA) varying from a day to a month.

- Training programmes on various technical subjects & IPR in association with MSME, TDC (PPDC), Ministry of MSME, Govt. of India.
- STP on new technical concepts like ML, AI, SAP, VM ware, serverless ware housing in supply chain. Development etc. in association with AWS, IBM, MSME.
- Conduction of Heckathons and Ideathons by IIMTU-IIC Cell.
- IIMT UNIVERSITY is leading towards creating an innovation promotion eco-system in the campus.
- In year 2018-19, IIMTU has been given four stars out of five by IIC-MoE, GoI, and 6th rank in top ten institutions in Northern India, for its leading role in conducting innovative activities under their guidelines.
- In year 2019-20 also, IIMTU has been given 3.5 stars out of five by IIC-MoE, GoI, and 20th rank in top 123 institutions in Northern India, for its leading role in conducting innovative activities under their guidelines.

INTERNATIONAL JOURNAL OF APPLIED SCIENCE AND TECHNOLOGY (IJAST): A JOURNAL PUBLISHED BY

IIMTU

IIMT- U publishes a globally indexed International Journal of Applied Science and Technology (IJAST) (ISSN: 2277-8691) for publication of new ideas, the state of art of research results and fundamental advances in all aspect of Applied Science and Technology. IJAST is an International Journals with a primary objective to provide the academic community and industry for original research and applications related to Applied Science and Technology.

FOR DIGITAL INITIATIVES IN HIGHER EDUCATION, IIMT-UNIVERSITY HAS NUMBER OF THE TIE-UP AND COLLABORATION

- SWAYAM by MHRD, Govt. of India
- Spoken Tutorials (IIT-B) by MHRD, Govt. of India
- National Academic Depository by MHRD, Govt. of India
- Virtual Labs by MHRD, Govt. of India
- E- Yantra by MHRD, Govt. of India
- NDL by MHRD, Govt. of India
- NPTEL by MHRD, Govt. of India, integrated in the syllabus.
 - Online platform (Microsoft Teams) for blended learning.
 - e- content development.

IIMTU e-Library (NDL) is having online books, subscription of journals (springer)and connectivity with other libraries on global basis (DELNET) with Shodhganga & Shodhsindhu.

NATIONAL ACADEMIC DEPOSITROY (NAD)

National Academic Depository (NAD) is an initiative of MoE to facilitate digital issuance, storage, access and verification of Academic Awards issued by Academic Institutions. NAD empowers our Indian youth with Digital, Online, Trusted, Verifiable Certificates. It is a Unique, Innovation and Progressive initiative under “Digital India” theme towards achieving Digital enablement of the Education Records.

IIMT University is registered with National Academic Depository by MoE, Govt. of India for the authentication of degrees and mark sheet.

IIMTU AS NODAL CENTRE FOR NPTEL

IIMT University has collaboration with NITs/IIMs/IITs provide an online short term certification courses form NPTEL. IITs are reaching out and taking education to the homes of people through this initiative. The University has integrated the said Certificate Course in the syllabus of different programmes.

SWAYAM

IIMT University is registered with SWAYAM by MHRD, Govt. of India SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of education Policy viz, access, equity and quality. IIMT University through SWAYAM seeks to attach the students particularly the village based who have remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

E YANTRA

E-Yantra is an initiative by IIT Bombay that aims to create the next generation of embedded systems engineers with a practical outlook. IIT Bombay takes the 'E-Yantra' platform to harness the intellectual talent of young India to create utility based robotic applications for usage across variety of applications such as: agriculture, manufacturing, home, city maintenance and services industries.

Other Relevant Information

IIMT University, Nodal Centre for Swachh Bharat Abhiyan Made by MHRD , has taken some great initiatives towards making its campus a green and clean campus supporting the campaign of our honorable prime minister towards Swachh Bharat Abhiyaan.

Following initiatives have been taken in the IIMT University towards the **Swachh Bharat Abhiyan** : -

Self Energy Generating Campus (SOLAR Campus) – The IIMT University knows the importance of renewable energy sources and thus it has taken a great move to establish a 600 kilo watt solar plant on the rooftop of the Campus, thus generating clean energy.

Solid Waste Management Using Organic Composter : IIMT University manages the solid waste, generated within the Campus, into valuable compost. We have developed a machine that will convert the organic waste like agricultural, garden and kitchen and mess waste into organic compost that can be used for gardening purposes, thereby reducing the use of synthetic fertilizers in gardening purposes.

Solar Tree : Solar Trees are intended to bring visibility to solar technology and to enhance the landscape and architecture they complement, usually in a commercial or public context. An objective of many solar tree installations is to promote awareness, understanding, and adoption of renewable energy. They are not typically used as a primary source of energy for a property that role is accomplished by rooftop solar systems. Solar trees are complementary to rooftop solar systems, or other green building measures, symbolizing these larger investments and their environmental benefit. Solar trees may build awareness and interest in solar technology and also provide shade and meeting places.

Sewage Treatment Plant : The University is concerned about water scarcity in the coming future so it has developed an alternative to purify the sewage water so that it can be used as portable water for various purposes like agriculture/gardening, washing etc. thus reducing the wastage of fresh water.

Adoption of a Village under Unnat Bharat Scheme : The University has adopted a village named Bhawanpur in the Meerut District to promote the cleanliness in the village and also the awareness in regard to corona epidemic and the measures for protection, promote adult education etc.

ACADEMIC AND RESEARCH COLLABORATIONS

Memorandum of Understanding (MoUs) with Different Universities/ TBI/ Agencies: The University has signed following MoUs for exchange of faculty, students, exchange of academic materials, Research Scholars, innovative ideas, Research Collaboration, joint IPR etc. This increase the employability of our students on the global platform.

	<p align="center">MEMORANDUM OF UNDERSTANDING</p> <p>IIT Ropar Technology Business Incubator Foundation ("IIT Ropar TBIF", Top Floor (East Wing) M. COLLABORATIONS

NCC UNIT

The 72 battalion NCC meerut was started in July 2020. Students are currently trained for certificate B and C.

TEACHING LEARNING / CURRICULUM ENRICHMENT

TOTAL PROGRAMMES WITH CURRENT STUDENT AND FACULTY STRENGTH

During the session 19-20 a total of 60 programmes were conducted. The total students and faculty strength are given programme wise in table 1 in annexure. The eligibility criteria for every programme are given in table 2 and their detailed fees in table 3. A total of 78 faculty and 62 non teaching were recruited during the session and listed in table 4.

ACADEMIC MODEL AND EVALUATION

In every programme, the students were taught with BOS approved syllabus which constituted core technical subjects, Ability Enhancement Compulsory Courses, Discipline/ generic Specific electives, Skill Enhancement Courses with Practical and tutorial classes. Sports was facilitated as a non credited compulsory course. The evaluation process was conducted in compliance to IIMTU ordinance and during covid period the guidelines of UGC and respective regulatory bodies of different programme were complied.

Student and Faculty Training

1. **Student Training** - students of prefinal year of B.Tech. CSE, BCA & B.Sc. (CS) were offered training by Google in Associate Engineering Cloud Computing Course. Second year B.Tech. CSE students have been enrolled in Google cloud foundation course through National Programme on Technology Enhancement Learning.
2. **Coursera** - Hundreds of students have done certification in International programs of coursera from hundreds of reputed worldwide University like Harvard, MIT and many more.
3. **NPTEL by MHRD, Govt. of India** - National Program on Technology Enhancement Learning Certification is an integrated part of curriculum as credit course. IIMT University is made a local chapter of NPTEL in view of its active participation. Besides students, faculty members and professionals are taking up these courses to upgrade their knowledge. NPTEL also offers internship for course toppers. Its certification is recognized & valid for credit transfer. During the pandemic phase, UGC has also validated it. Its certification is considered one of the most valuable certifications.
4. **"Swayam"** means Study Webs of Active - Learning for Young Aspiring Minds. It is Indian national MOOC platform to offer thousands of courses by thousands of renowned instructors/ professors from over hundreds of good Indian Universities. IIMTU is also present on Swayam portal with the gateway to assess the E-Contents / Courses developed by the faculty members in different disciplines.

STUDENT SKILL DEVELOPMENT INITIATIVES VALUE ADDED COURSE, E-WORKSHOPS/WEBINARS

During pandemic period, students were motivated to use e-form of learning. To add to this Swayam portal began their new series by the name: NPTEL- LIVE SESSIONS SPECIAL LECTURE SERIES (from 13th April, 2020). The mode of delivering the lecture was YouTube where lectures were provided by Eminent

Persons, Professors & Scholars renowned in their field. The students came to know the career options in their field with the help of these live lectures and it gave them exposure to learn more while sitting at home.

PHYSIOTHERAPY TRAINING WORKSHOP

BPT students, underwent hands on training workshop conducted by IAMR(12Dec 2019), Ghaziabad and on spinal manipulation therapy(23 Jan 2020) in Delhi.

TRAINING FOR YOGA AND NATUROPATHY STUDENTS

Students attended Seminar on spinal diseases and treatment by swamy Paramanand Prakritik Chikitsalya, International workshop on Ayuryog Expo and Training on application of Fasting therapy.

Drug Information Center

An initiative as per pharmacovigilance programme of Govt. of India

College of Pharmacy made a remarkable effort of initiating a Drug Information Center on 19 Sep. 2019 in IIMT LIFE LINE Hospital Meerut. It is a new initiative as per pharmacovigilance programme of Govt. of India. It provides a platform to answer all the questions related to drug and drug usage. This includes, but is not limited to the physiological, psychological and sociological aspects of drug usage. Whether it be the prescription or over the counter drug, our expert faculties counsel the patients for their requirements. We currently have three experts from the University positioned in the Hospital to accomplish the task. There are numerous sources of information regarding different drugs present in the department.

UNIVERSITY SOCIAL RESPONSIBILITY

SCHOOL OF PHARMACEUTICAL SCIENCES

HIV AWARENESS CAMPAIGN

The School of Pharmaceutical Sciences conducted HIV AWARENESS CAMPAIGN on February 10, 2020. A group of 59 students took out a rally around the campus, sensitizing IIMT faculty and students about the dreaded disease AIDS. It was an appreciable initiative by the students who tried to spread their message through charts and placards prepared by themselves.

HOMAGE TO PULWAMA ATTACK MARTYRS

School of Pharmaceutical Sciences organised a Candle Light Vigil on February 14, 2020 to pay homage to the martyrs of Pulwama Attack. The faculty and the students gathered at the IIMT Boarding Gate to pay their respects to the brave soldiers who laid their lives for the motherland.

SCHOOL OF LIFE SCIENCES

BETI BACAO BETI PADHAO

The students of School of Life Sciences and Technology conducted Awareness and Sensitization Drive in the nearby localities. A group of 30 students took up this noble cause of uplifting the girl child by emphasizing the importance of literacy. The students interacted with the local masses and motivated them to educate the girl child and let her grow in all spheres.

STUDENT AWARENESS PROGRAMME

Awareness programme on Healthy food and nutritive value, Drinking water, Microbiological techniques, Food adulteration and Hand hygiene were conducted by students of life science.

IIMT COLLEGE OF MEDICAL SCIENCES (COLLEGE OF NURSING)

SWACHHTA ABHIYAN

Students from the College of Nursing on February 14, 2020 participated in Cleanliness Drive at Kila Parikshitgarh. They created awareness among the people about environmental hygiene.

INTENSIFIED MISSION INDRADHANUSH

An awareness programme on Intensified Mission Indradhanush (IMI) was organised on February 18, 2020 by B.Sc. Nursing 2nd year at a rural area of Parikshitgarh, Meerut in collaboration with Immunisation team of U.P. State Government. Around 40 people from Nimka Village benefitted from the programme and got educated

SCHOOL OF COMMERCE AND MANAGEMENT

B.Com (H) students through "**Kirti Kalyanam**" on 21st October 2019, participated in Cleanliness Drive at Kila Parikshitgarh. They created awareness among the people about environmental hygiene.

KIRTI KALYANAM

A social group set by the B.Com-H students "**Kirti Kalyanam**" distributed 200 books and conducted teaching activity at Primary School in Meerut on 27th February 2020.

IIMT COLLEGE OF MEDICAL SCIENCES (COLLEGE OF PHARMACY)

PUBLIC HEALTH SCREENING

The students of B.Pharm 2nd year took up the task of Health Screening of the public on February 17, 2020 in Monday market, Ganganagar, Meerut as a part of their USR activity. The screening activity proved to be highly beneficial to the general public in terms of general health awareness.

SCHOOL OF HOTEL MANAGEMENT

EK BHARAT SHRESHTHA BHARAT

This event was organized by Hotel management and home sciences departments

SCHOOL OF BASIC SCIENCES

TREE PLANTATION

The School of Basic Sciences and Technology organised "Tree Plantation drive" on February 13, 2020 in the campus in order to promote the 'GO GREEN' campaign.

CENTRAL FACILITIES DEVELOPED DURING 2019-20

1. Essential Google Programs

Google Developers for Cloud Computing Courses and Faculty Training on Android - A group of faculty is trained by Google on coursera in cloud computing in which Google has copy right.

2. **NDL Membership** - to make students enable to assess the books & libraries countrywide, proved to be very helpful in pandemic crises.

3. **Student & Faculty Exchange Programs** - with other universities : IIMT University has signed MoU with the Universities of Malaysia and Uganda and we are in the process of signing MOU with some European countries as well for the student & faculty exchange programs & joint Research Programs.

4. **Start - Ups @ IIMTU - BI** (and their success stories). In last two years, following startups have been initiated by providing guidance & handholding support by the BI of IIMTU.

- Start - Technologies from Engineering

- Plant n Plate from School of HM (Department of Home Science) (Under Process)

5. **Innovations - MIC - IIC - IIMTU** is organizing Hackathons, ideathons, Innovation contest for unearthing innovative minds among students, the novelty of innovative ideas is protected by IPR, leading to incubation by Business Incubator and finally a successful startup. MHRD-MIC-IIC has listed IIMT University amongst top ten in Northern India in view of its outstanding performance in creating institutional innovation ecosystem.

The IIC-IIMTU cell has recently conducted an Innovation Contest-2020 to call innovations in the field of COVID-19 (services and protection), agriculture, biotechnology, pharmacy, engineering, AI and ML, IOT based technology etc., After screening, the ideas are sent to GoI for recognition for funding. Business Incubator, IPR Cell, IIC - IIMTU Cell & EDP Cell all together are creating an innovation/ start-up ecosystem by organizing expert talks, webinars, training sessions and workshops. The outstanding ideas are screened and sent to Govt. of India agencies for funding, establishing collaboration with National and International Organizations like PUM Netherlands, Wadhvani Foundations etc.,

Recently a collaboration was done with IIT-Ropar Technical Business Incubator for technical guidance & support. IIMTU - BI is also working toward design center for SMEs so that the students of technical courses may get chance to work upon live projects of designing product with funding support.

CENTRAL ACTIVITIES

LITERARY FEST 2019

IIMT University has a legacy of encouraging International and Indian Literature. Keeping the tradition alive, our second LITERARY FEST was organised from November 18 to 20, 2019. The three days Fest aimed at honing the literary talent of poets, writers and philosophers from across the world. A host of activities were conducted in the Campus during the Fest to give the participants a chance to share their creations. There were participants from different parts of the country who exhibited their literary talent quite enthusiastically. The Literary Fest was inaugurated by Honourable Chancellor Sir, Shri Yogesh Mohan Ji Gupta. A Book Fair was organised in the campus in which publications from around the country participated and exhibited their rich collection of books on various subjects of interest.

ALUMNI CONNECT - ONLINE ALUMNI CAMPAIGN 2020

The alumni campaign was accompanied with videos and audios sent by alumni with their heartfelt messages to the institution, teachers and loving juniors. The cynosure of the campaign was that all the batches that passed out were called upon to be a part of the online campaign. Unlike earlier years, this year also witnessed a great participation from across all batches and many interactive sessions were held between seniors & juniors and between teachers & alumni. The campaign was also followed by retrospection and sharing of memories.

It was truly a matter of pride for the university when the online meet unfolded many breakthroughs, success stories and distinctions made by the IIMT alumni in different fields. Mr. Vijay Negi, PGDBM, Batch 1995, Hotel Galanda, Pragati Park Wedding Venue, Kotdwara Mr. Vishwajeet Singh Chandra, B.TECH Batch 2014, Mr. Israr Alam, MCA Batch 2005, CEO and Founder of Carney Technology, Iram Khan, B.Pharma 2011-14 Gold Medalist & Currently Ph.D Scholar of Jamia Hamdard University, Rupali Saxena BHMCT 2010-14 Duty Manager Taj Mahal, Smriti Singh B.Pharma 2014-18 Reporting Analyst EXL Services, were among many who talked about their accomplishments and remarkable position they are currently holding in their respective fields in India and abroad.

SPORTS INITIATIVES

INTRAMURAL

We organized four intramurals among three houses within the Department of Physical Education namely Pratap House, Shivaji House and Subash House as follows : Football (16-11-2019), Cricket (23-11-2019), Kabaddi (28-11-2019), Basketball(7-03-2020). Pratap House was the winner in Football, Cricket, and Kabaddi where as in Basketball Subash House won the competition. The chief guest of the intramural was Prof. V.K Singh (Vice Chancellor of IIMT University), who motivated the participants with his words and blessings.

EXTRAMURAL

Our university participated in national level competitions (North Zone Inter University and all India Inter University) details with place and dates are -Kho-Kho (Punjab) (4-11-2019), volleyball (Haryana) (08- 11-2019), Shooting (Haryana) (13-11-2019), Cricket (boys) (Aligarh U.P) (20-11-2019), football (Punjab) (03-12- 2019), Cricket- girls (Haryana) (04-12-2019), Athletics (Andhra Pradesh) (29-12-2019), yoga (Andhra Pradesh) (04-01-2020)

Our university sports team participated in various competition like our volleyball team got 2 position in Aligarh Fest (14-2-2020), cricket team got 1 position in FIT Meerut Fest (22-2-2020), and volleyball team got 2nd position in Shobit University Fest (8-2-2020).

IIMT UNIVERSITY FEST (KALRAV 2020)

Department of Physical Education organized Sports Fest “KALRAV 2020” on 28-29 Feb, where we included Football, Volleyball and Basketball as the main attractions and cash prize were awarded to the winners. A total of 32 teams participated where JSM Academy got 1 position in Volleyball-Boys and IIMT University got 2nd position. In case of Basketball-Boys, CCS University got 1st position and IIMT University got 2nd position. In Basket Ball LPU got 1 position and MEERUT College got 2 position. In Football Subharti University got 1 nd position and LPU got 2nd position.

Kalrav “Art of Life” 2020

KALRAV 2020 was celebrated at IIMT as a two days youth festival when the entire campus was adorned with colorful activities ranging from art, rangoli and music to crosswords. The Fest was inaugurated by worthy Chief Guest-Vice Chancellor of Meerut Development Authority Mr. Rajesh Pandey by Lamp Lighting. He was accompanied by Honorable Pro Chancellor Mr. Abhinav Agarwal, Honourable Vice Chancellor Prof. V.K.Singh. The inauguration ceremony was followed by a colourful extravaganza of dance and music.

The animated performance of the students left the audience wonder-struck. While some groups of students were busy with Art and Craft, there were separate groups of students trying their proficiency in Strength Games. Far away somewhere on the campus, there were solo dancers and troupes giving their glittering performances. The unfathomable talent of the IIMTians left on the sands of time. The College of Engineering wore a festive look as the students came out with best of their creativity in vibrant Rangolis embossed by them on the floor. Poster Making gave light to their imagination when they depicted their ideas in colour. Grafitti making was found highly engrossing and novel by the students.

Another event found very interesting by the students was Glass Painting. Nail Art, Mehndi Art and Eye Make-up were few events cherished by girls. On the second day of the Fest, it was time for the students to groove to the beats of Western and Bollywood tunes. Besides, they conveyed various important issues through Street Plays-Rangmanch. The events Rapstar and Beat Boxing set the stage ablaze with vigorous performance of the IIMTians. The most awaited event of the Fest was the Fashion Show in which students from various colleges left the audience speechless with their majestic ramp-walk. The

title of Miss Kalrav was bestowed upon Nishtha Sharma while Umang Preet Singh was felicitated with the title of Mr Kalrav. They were awarded with a cash prize. Harpreet Kaur was adjudged as Miss Talented and Nitin Solanki as Mr Talented. Miss and Mr Personality icons were given to Alia and Naman.

WEBINARS/SEMINARS/CONFERENCE

WEBINAR SERIES DURING COVID PERIOD

INTERNATIONAL & NATIONAL WEBINARS

S. no	Departments	Subjects	Speakers
1	School of Pharmaceutical Sciences	Role of Pharmacist in Industry & Society	Mr. Rahul Kumar Drug Inspector, Pratapgarh, U.P.
2	School of Pharmaceutical Sciences	Awareness if Covid-19 in the Society & Students	Mr. Pawan Kumar Drug Inspector, Meerut
3	School of Pharmaceutical Sciences	Role of Artificial Intelligence During Covid-19	Dr. Sachin Nehra, coll of pharmacy, University of Sharjah, United Arab Emirates
4	School of Pharmaceutical Sciences	Role of Pharmacy at Global Level During Pandemic Covid-19	Dr. Sachin Nehra, Univ. Of Sharjah, UAE MohdAslam, Gulf Pharma, UAE, Subhash Chand Chaudhary, Sheikh Khalifa General Hospital, UAE

STUDENT ACTIVITIES, THEIR ACHIEVEMENTS AND EXTRA-CURRICULAR ACTIVITIES

SCHOOL OF JOURNALISM AND MASS COMMUNICATION

Activities namely Workshop on film, Photography competition, Outdoor photography and Talent Hunt were conducted.

IIMT Media and The History of the Day

The work of the IIMT Media continued with new segments experimented. The anchoring was done by the students of BJMC and MJMC regularly. The History of the Day was appreciated by the followers of the YouTube channel. In the same way, the News and the horoscope was liked by the viewers very much.

SCHOOL OF LAW

The Supreme Court visit, High Court visit, Lower Court visit, Organise Mock Parliament, Lok Adalat, Thana visit and Jail visit were some of the activities highlights. The Constitution day was also celebrated by them

SCHOOL OF COMMERCE AND MANAGEMENT

BUDGET 2020

The Department of MBA organised a Budget 2020 activity for MBA. The participating students made presentations on various aspects of the budget.

BULLETIN 2020

Department of School of Commerce and Management organised Bulletin 2020 to give wings to the creativity of our geniuses. 44 students from different departments participated in teams for the event and prepared Annual Calendar of 2020. The calendars were prepared on the given themes: Social Media, Budget, Indian Culture and Nature.

COMMON ACTIVITIES

Cartoon making, Beti bachwo, Quiz, Sewa Prasun Magazine, Fashion show, Teachers' Day, Deepostav, Slogan Competition on Corona were conducted periodically in different departments during different periods.

STUDENT CLUB ACTIVITIES

WOMENS CLUB

International Women's Day Celebration March 8, 2020

A series of short plays were held to spread the message of women empowerment. Open Mike session was held for the faculties and the students to share their views about the position of women in Indian and all over the world. Poster Making Competition was organised on the themes Pink Power, Gender Equality and Women Empowerment.

MUSIC CLUB

LA MUSIQA - Groove to the Music December 24, 2019

The University band La Musiqa organised a musical evening under the guidance of Dr Shweta Rastogi. The event was conducted at the University cafeteria. The band performers enchanted the audience with their stunning performance. The audience applauded the singers and cheered them constantly.

BBA's "**THE SEVENTEEN CLUB**" for seventeen rules of sustainability provided knowledge to the people at Mall Road, Shimla regarding the same on 26th February 2020.

TRAINING AND PLACEMENT HIGHLIGHTS

ON CAMPUS DRIVE BY EXTRAMARKS

Successfully Ojasvini Saxena- B.Tech. CS and Akanksha Sirohi –MBA were handpicked by the renowned brand in learning EXTRAMARKS. The selected candidates have been placed as Business Development Executives at a package of Rs. 12.40 lakhs per annum.

PLACEMENT WITH INFOSYS

3 students were placed with the IT brand of great repute INFOSYS. The selected students have been offered a salary package of Rs. 3.60 LPA.

CAPEGEMINI

one student from Diploma CE selected as DET at a package of 2.10 LPA.

AYE FINANCE PVT.LTD.

20 students from BBA and B.Com.were selected on the profile of CCE.

50 HERTZ

one student of B.Tech CS was selected at a package of 2.16 LPA

ROCKMAN INDUSTRIES AND YASAKI

17 students from Diplome ME and EE were selected on the profile DET.

IDS INFOTECH LTD.

9 students of B.Pharma selected with IDS INFOTECH LTD. at a package of 4.80 LPA.

ANJANI TECHNOPLAST

12 students from Diploma ME and 9 students from B.Tech ME selected in AnjaniTechnoplast as DET's and GET's respectively.

HYPER FILTRATION

In total 2 students from B.Tech. ME, 2 students from Diploma ME and 1 student from Diploma EE got selected as GET's and DET's.

AAK HANDLING EQUIPMENTS

Nine students of B.Tech. ME got selected

GLADES WOODWORKING PVT. LTD.

One student of B.Tech.-ME got selected.

SIRIUS FOODS

5 students of MBA selected at a package of 2.40 LPA.

MNM REMEDIES

3 students got placed-2 from B.Pharm and 1 from MBA.

SCube TECHNOLOGIES

5 students of Polytechnic-2 from ME and 3 from EE have been selected with SCube Technologies as DET's.

KS & ASSOCIATES

Placement of 3 students from the Law Department as Trainees-Drafting Arguments.

BLACK OLIVE VENTURES

5 students of Diploma CE got selected.

PRECISION INFORMATIC

11 students selected - 2 from B.Tech CS, 2 from B.Tech IT, 1 from B.Tech EC and 6 from Diploma EE.

RDC CONCRETE

1 student of Diploma ME selected at a package of 3 LPA.

OPPO MOBILES

2 students of B.Tech EC selected at a package of 2.88 LPA.

QSS TECHNOSOFT

3 students selected- 2 from B.Tech CS and 1 from B.Tech IT. The package offered is 3.60 LPA.

MARKSCAN

4 students placed-2 students from BCA,1 from BJMC and 1 from BBA. CUBICAL LAB 6 students selected from Pharma, MBA and Microbiology.

Renowned organizations namely magicbricks, byjys, Guardianlife, Wealthclinic, Wipro, British Telecom, Infosys. 360 Salesforce, Capgemini, Net2SOURCE are some of the organizations which offered an average salary of 3.5 lpa for PG and 2.5lpa for UG courses.

INDUSTRIAL-EDUCATIONAL VISITS

BY IIMT COLLEGE OF MEDICAL SCIENCES

Visit to Divya Jyoti Hospital

The students of D. Pharm -1st year were made to visit the different departments of Divya Jyoti Hospital on February 10, 2020 in order to enhance their knowledge about the prevailing medication system in the modern times.

Visit to IPCA Pharmaceuticals, Dehradun

An industrial visit was organised for the students of B.Pharma Final Year to IPCA Pharmaceuticals, Dehradun on November 12, 2019 to explain them the process of medicine production.

Visit to IIMT Life Line Hospital

The students of D.Pharma 2 Year were fortunate enough to get an opportunity to visit IIMT Life Line Hospital on February 5, 2020 to gain knowledge about the working of our hospital adorned with the most advanced equipment in various fields of specialization.

BY SCHOOL OF BASIC SCIENCES

Visit to National Science Centre

The students of Diploma First Year of School of Engineering and Technology visited the National Science Center, New Delhi on March 7, 2020. The students learnt a lot about various disciplines- Science & Technology, Nuclear Power, Railways, Indian History, Space Science, working of Nuclear Reactor etc.

BY SCHOOL OF COMMERCE AND MANAGEMENT

Visit to Moon Beverages

Students of B.com-H 3rd Year visited Moon Beverages, Sahibabad. The company started with manufacturing of THUMS UP, LIMCA, MAAZA, RIMZHIM, BISLERI, SODA GOLD SPOT under arrangement with Parle.

LIVE PROJECT WITH PANTALOONS

The students of MBA visited the renowned multinational of the fashion world, Pantaloons on February 5, 2020. A batch of 50 students interacted with the staff to learn about their general management, logistics and customer management in various departments.

Visit to Hero Motor Corp, Haridwar

The School of Commerce and Management organised an Industrial Visit for the students of MBA-1 year to Hero Motor Corps, Haridwar on February 8, 2020. It was highly instrumental in giving first-hand knowledge to the students about the working of the renowned brand in two-wheelers.

In addition to above, in Management college industrial visits were conducted with:

o Date :	9 th September 2019	Place :	Yakult Denon International (BCom(H))
o Date :	17 th September 2019	Place :	Shri Ram Pistons (BCom(H))
o Date:	24 th September 2019	Place:	Parag Foods (B.B.A.)
o Date :	27 th September 2019	Place :	Parle G(MBA)
o Date :	10 th October 2019	Place :	Indian Express, New Delhi (MBA)
o Date:	23 rd October 2019	Place :	Parle G(BBA – Second Year)
o Date:	04 rd December 2019	Place :	Parle G(BBA – Final Year)
o Date:	26 rd February 2020	Place :	CPRI , Shimla (BBA)

BY SCHOOL OF PHARMACEUTICAL SCIENCES

Visit to Themis Medicare, Haridwar

An industrial visit was organised for the students of D.Pharm 1ST Year on November 2, 2019 to Themis Medicare, Haridwar. It was a great opportunity for the students of pharmaceutical studies to visit the medicine manufacturing unit to observe the complete process so intricately.

BY SCHOOL OF ALLIED HEALTH SCIENCES

Visit to Jain Milan Hospital, Sardhana

The students of BPT visited Jain Milan Hospital, Sardhana on November 3, 2019 to gather know-how about the applications of physiotherapy.

AAP KI ADALAT

The first year students of Bachelor and Master degree program of journalism were taken to the television houses. They participated in the program AAP KI ADALAT on 19-3-20, another visit to News 18 was on 27-9-19 in AAR PAAR.

.ROAD MAP OF NEP 2020

As per the expectation of new education policy, since 2019-20 session, IIMT university is running its various programs as per CBCS norms.

The features of Discipline Specific Elective, Skill Enhancement Course, Generic elective etc of new education policy are already implemented in our IIMT university in the curriculum of different programmes since the session 2019-20.

As per guidelines of New Education policy, It is planned that, Certificate, Diploma and U.G Degree, U.G. Degree with Research, Masters Programme, P.G. diploma Research and Ph.D. will be offered in the following Schools of IIMTU.

School of Basic Science and Technology
School of Computer Science & Application.
School of Commerce & Management.
School of Journalism & Mass Communication.
School of Arts & Humanities.
School of Law.
School of Education.
School of Agricultural sciences.
School of Hotel Management.
School of Life Sciences.

FUTURE PLANS

Many ongoing plan in academic model implementation, creating Innovation eco system, International training, Self employment generation, International placements are under creative framework to lead the university towards a new horizon and the emerging students to be socially responsible technocrats.

PROGRESS REPORT OF IIMT UNIVERSITY

BY

PRO VICE CHANCELLOR

(2018-19)

Greetings to all!

It is with a sense of great pride and fulfillment that we look back at the progress of the University during the last few years. It seems to be only a matter of yesterday when we laid the foundation of our newly found University and today we see the seed flourishing into a full-fledged blossoming tree.

The brief introduction of the University is as -

IIMT University is a State Private University of Uttar Pradesh established by Govt. of Uttar Pradesh, India vide U.P. Act no. 32 of 2016, with the legacy of group of colleges since 1995 which are now brought under the aegis of IIMT University since 2016 to meet the ever growing needs of higher and professional education.

We are happy to announce that we have almost all the professional courses running under one roof.

IIMT-U objectives include turning innovations into Enterprises, to increase the successful development of new businesses, job creation and employment in specific sectors that are aligned with a region's unique areas of opportunity.

We believe in serving the mission of the Government of creating Entrepreneurs, based on an action plan aimed at promoting guidance, training and financing for **start-up** ventures to boost entrepreneurship and encourage start-ups with jobs creation.

RESEARCH HIGHLIGHTS

The University is awarding the doctorate degree in Science, Life Sciences, Engineering & Technology, Education and Physical Education, Law, Management & Commerce and Pharmacy. We are running with second batch of Ph.D.

The Research and Development department of the University has patented some ideas which are incubated at the department only and are in the process of commercialization.

As already evident to all, IIMT University has two Business incubators of MSME, at Engineering & Technology block and at Pharmacy block. There were ten ideas which were funded by MSME for incubation, presently, the cell is waiting for some new schemes to come. The cell has also applied for TBI at Govt. of India.

IIMT University has registered its first startup "Star Technologies" from U.P. recognized by DIPP, Govt. of India which is providing effective solutions that help organizations to improve management efficiencies. This Startup unit of IIMTU is managed by the Alumni of IIMT itself. This company has made number of products by which the unit has made a business of Rs. 1.8 millions in last 8 months by installing / selling their products at different Govt. organizations & private entities.

The product of the company/unit are available on Amazon for sale globally.

Further, IIMT-U, RnD Cell, in its initial year of existence has filed three patents -

1. Lineman life saving system
2. Sanjeevani - driplevel indicator
3. Corrugated paper from corn husk.

Our cell incubates the innovative idea, provides necessary facilities & infrastructure during the incubation period till it emerges out as commercializable products.

Keeping in view the requirements of the industry, University has number of tie ups/MoU signed with the intension to make students trained as per the demand of the industry not only this, the syllabi of certain UG & PG courses of commerce, management, computer sciences & applications, Engineering, law, HM etc. are modified to the extent to figure out the idea on reality grounds.

SUCCESS STORIES OF IIMT-U BUSINESS INCUBATOR / R N D CELL/ STAR

TECHNOLOGIES:

1. *Sanjeevani – Drip level Indicating device, is filed for patent, Grant & commercialized in different hospitals, the use of product was demonstrated at IIMT Lifeline Hospital itself. The device is used for continuous monitoring of the drip level and raises an alarm upon reaching a pre determined value so that it can be changed in time preventing the backflow of blood into drip bottle.*
2. *Packaging paper made from corn husk which is an agricultural waste and we have extracted best from the waste by inventing a technique which has the potential to reduce deforestation for manufacturing packaging paper. The project has been filed for patent grant.*
3. *Device for UP Power Corporation Ltd. to save the life of lineman while working on energized line.*
4. *Economic Composters is one of project of the students in the areas of Solid Waste Management.*
5. *Solar Tree with the facility of light illusion, wi-fi is made within IIMT and also installed here only.*
6. *RFID and Biometric based Smart Attendance system has been successfully implemented in the university campus.*

ELECTROPRENEUR PARK

An initiative of Ministry of IT and Electronics, Electropreneur Park has been set up to carry out incubation and building ecosystem to help budding entrepreneurs. Entrepreneur park has been set up under the aegis of the Ministry of Electronics & Information Technology, Software Technology park of India and India Electronics and Semiconductor Association to support startups in electronic system design and manufacturing.

Recently, in Feb. 2019, STAR TECHNOLOGIES(A START UP UNIT OF IIMTU) has submitted two projects out of which one project, the patented idea of RnD Cell, LINEMAN LIFE SAVING SYSTEM is selected among the TOP 10 IDEAS to get incubation and complete hand holding support i.e. funding for commercialization.

Recently , two days back, the result of SMART INDIA HACKATHON 2019 ,is declared, in which the idea of one engg. Second year student, sujeet kumar Yadav from Nepal is selected for incubation and hand holding support.

IIMT UNIVERSITY ANDROID DEVELOPMENT CELL

IIMT University and Tech Giant Google have signed a Memorandum of understanding (MoU) regarding new courses that offer specialization in Android programming. For this, IIMT has establish a 'Center of Excellence of Google' at its Campus. Under this collaboration, IIMT students will be trained to get Android certifications.

"Now- a- days, more and more people are using smart phones and most of these phones are powered by Android. As such, each and every company is looking to recruit students who are expert in Android programming. This historical tie up will strengthen IIMT students' abilities to meet global challenges of industry ready manpower."

We have introduced a syllabus for ANDROID DEVELOPMENT made by Google as a part from basic to advance at different levels / semesters of Engg., computer applications & Computer Sciences.

Google has trained our 13 faculty under "Train the trainer" scheme for Android Development Fundamentals and 03 faculty /Research Ssholars for advance ANDROID DEVELOPMENT.

Recently they have sent a proposal to attend most advance course of android at California.

IIMT UNIVERSITY ENTREPRENEURSHIP DEVELOPMENT CELL

IIMT UNIVERSITY has launched the Programme in Entrepreneurship to strengthen the entrepreneurship education & research ecosystem. The growing interface between entrepreneurship and education is bridging the chasms which make entrepreneurship a distant career option. Lately entrepreneurship education has emerged as a significant instrument for harnessing entrepreneurial potential and ensuring enterprise success. This confirms that today's youth is keen on putting their energies & ideas to productive use by adopting entrepreneurship as a career.

MHRD- INSTITUTION INNOVATION COUNCIL

IIMT UNIVERSITY has established Institute Innovation Council (IIC) in collaboration with Ministry of Human Resource Development (MHRD), Govt. of India to systematically foster the culture of Innovation amongst all Students of IIMT University. The primary mandate of IIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes.

IIMT UNIVERSITY is leading towards creating an innovation promotion eco-system in the campus.

FOR DIGITAL INITIATIVES IN HIGHER EDUCATION, IIMT-U HAS NUMBER OF TIE UP AND COLLABORATION

NATIONAL ACADEMIC DEPOSITORY

National Academic Depository (NAD) is an initiative of Ministry of Human Resources Development, Govt. of India (MHRD) to facilitate digital issuance, storage, access and verification of Academic Awards issued by Academic Institutions. NAD empowers our Indian youth with Digital, Online, Trusted, Verifiable Certificates. It is a Unique, Innovative and Progressive initiative under "Digital India" theme towards achieving Digital enablement of the Education Records.

IIMT University is registered with National Academic Depository by MHRD, Govt. of India for the authentication of degrees and marks sheet.

NPTEL

IIMT University in collaboration with IITs to be able to provide an online certification course from NPTEL and get a certificate from the IITs. IITs are reaching out and taking education to the homes of people through this initiative.

Certified Courses of NPTEL by MHRD, Govt. of India, are integrated in the syllabus.

SWAYAM

IIMT University is registered with SWAYAM by MHRD, Govt. of India

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. IIMT University through SWAYAM seeks to bridge the digital divide for students who have remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

E-Yantra

E- Yantra is an initiative by IIT Bombay that aims to create the next generation of embedded systems engineers with a practical outlook .IIT Bombay takes the 'E-Yantra' platform to harness the intellectual talent of young India to create utility based robotic applications for usage across variety of applications such as: agriculture, manufacturing, home, city maintenance and services industries.

SPOKEN TUTORIAL

IIMT University has tied up with spoken Tutorial Projects. It is a Partnerships Agreement between IIMT University, Meerut and Spoken Tutorial (ST) - IIT Bombay, NMEICT, MHRD, Govt. of India as knowledge Partner. It will impart Software / IT Training Program to all the department and colleges of IIMT University. Recently on Monday itself University has received the letter of association as Knowledge partner with Spoken tutorials, IIT-B, MHRD for remarkable contribution for national mission on Education through ICT.

ISRO -IIRS OUTREACH PROGRAMME

IIMT UNIVERSITY has been approved as nodal centre of ISRO-IIRS OUTREACH PROGRAMME. An online certified programme of Indian Space Research Organisation, (ISRO).

The initial focus of IIRS was to use EDUSAT/INSAT 4CR satellite for distance learning but it extended its scope by the use of internet to make it accessible by large number of students globally. Today by this programme various professionals, research scholars, scientists, physicists and even the departments and ministries are linked. The IIRS outreach programme is being conducted through two major modes:

- Live and Interactive classroom sessions (also known as EDUSAT) and
- E-learning based online courses.

Under Community Social Responsibility

IIMT University Meerut, Nodal Centre for Swachh Bharat Abhiyan made by MHRD, has taken some great initiatives towards making its campus a green and clean campus supporting the campaign of our honourable prime minister towards Swachh Bharat Abhiyaan.

Following initiatives have been taken in the IIMT University towards the Swachh Bharat Abhiyaan :-

1. Self energy generating campus (SOLAR Campus)—IIMT University knows the importance of renewable energy sources and thus it has taken a great move to establish a 600 kilo watt solar plant on the rooftop of the campus, thus generating clean energy.
2. Solid Waste Management using organic composter- IIMT University manages the solid waste generated within the campus into valuable compost. We have developed a machine that will be converts the organic waste like agricultural, garden and kitchen and mess waste into organic compost that can be used for

gardening purposes, thereby reducing the use of synthetic fertilizers in gardening purposes.

3. Solar tree - Solar trees are intended to bring visibility to solar technology and to enhance the landscape and architecture they complement, usually in a commercial or public context. An objective of many solar tree installations is to promote awareness, understanding, and adoption of renewable energy. They are not typically used as a primary source of energy for a property—that role is accomplished by rooftop solar systems. Solar trees are complementary to rooftop solar systems, or other green building measures, symbolizing these larger investments and their environmental benefit.

Solar trees may build awareness and interest in solar technology and also provide shade and meeting places.

4. Sewage treatment plant – The university is concerned about water scarcity in the coming future so it has developed an alternative to purify the sewage water so that it can be used as potable water for various purposes like agriculture / gardening, washing etc, thus reducing the wastage of fresh water.

There are number of ongoing plans and processes leading the University towards a new horizon. Now, I conclude the report with the wish that the team of all of members of IIMT university 'll promote the university towards the new horizon and perfection.

THANKS!!

LIST OF SCHOOLS & COLLEGES UNDER IIMT UNIVERSITY, MEERUT

S.No.	NAME OF SCHOOL/COLLEGE	PROGRAMMES
1	School of Library & Information Sciences	B.Lib, M.Lib.
2	School of Arts and Humanities	B.A., M.A., Ph.D.
3	School of Engineering & Technology	Diploma(Civil, Mechanical, Electronics & Communication, Electrical, Computer Science), B.Tech (Civil, Mechanical, Electronics & Communication, Electrical, Computer Science), M.Tech (Mechanical, Computer Science, Electrical, Civil) Ph.D.
4	School of Life Science & Technology	B.Sc. (ZBC, Microbiology, Biotechnology) M.Sc.(Biotechnology, Microbiology, Zoology, Botany), Ph.D.,
5	IIMT College of Medical Sciences	B.P.T., M.P.T.(Neurology, cardiology, orthopaedic), O.T. (Technician), B.Sc. (Optometry) DMLT, BMLT, Diploma in Optometry, X-Ray Technician, Dipoma in Emergency & Trauma Care, Diploma in Neonatal Care, Diploma in Audio & Speech Therapy, B.Pharm, M.Pharm(Pharmaceutics, Pharmaceutical Chemistry), D.Pharm, Ph.D.
	IIMT College of Medical Sciences (NURSING)	A.N.M., G.N.M., B.Sc.(Nursing), Post Basic B.Sc. (Nursing), Dip. in Para Medical Courses (Proposed)
6	School of Computer Science & Applications	B.CA., B.Sc.(C.S.), M.C.A., Ph.D. (Com. Sci. & App.)
7	School of Commerce & Management	B.B.A., M.B.A., M.B.A. (Hos. Admin.), B.Com., M.Com., Ph.D.
8	School of Mass Communication, Film & Television Studies	B.J.M.C., M.J.M.C, Ph.D.
9	School of Basic Sciences & Technology	B.Sc.(PCM, PSM,), M.Sc. (Physics, Chemistry, Mathematics, Statistics), Ph.D.
10	College of Law	B.Tech LL.B, B.A. LL.B, LL.B, LL.M(Mercantile Group & Criminal Group)
11	IMT College of Education	B.Ed., M.Ed., B.P.Ed, B.P.E.S., M.P.E.S., Ph.D. (B.Sc. B.Ed., B.A. B.Ed. - Proposed)
12	School of Hotel Management Catering & Tourism	Diploma in Hotel Management, Food & Beverage Service, Accommodation Opeartion, Food & Beverage Production, BHMCT, MHMCT, B.Sc.(H.M.), B.Sc.(Clinical Nutrition & Dietitics), M.Sc.(Food & Nutrition), B.Sc (Home Sci.), M.Sc.(Home Sci.).
13	College of Architecture	B.Arch.
14	School of Agriculture Sciences	B.Sc., M.Sc.
15	IIMT College & Hospital of Naturopathy & Yogic Sciences	B.N.Y.S.
16	School of Pharmaceutical Sciences	D.Pharm
17	School of Ayurveda Sciences & Hospital	B.A.M.S. (Proposed)
