REPORT

“Workshop on Advanced Concepts of OBE”

DATE: 15th December to 18th December 2022.

TIME: 9:30 am-1:00 pm

MODE: Online Microsoft Team

KEYNOTE SPEAKER: Ajay Bhagwat, Director, Inpods India & Computer and Mechanical Engineer

NO. OF PARTICIPANTS: 57

OBJECTIVES:

1. To provide participants with an in-depth understanding of the concept of OBE (Outcome Based Education) and its application in higher education institutions.
2. To explore advanced concepts related to OBE, such as curriculum design, assessment strategies, and program evaluation techniques.
3. To enhance participants' knowledge and skills in developing effective learning outcomes that align with industry requirements and societal needs.
4. To facilitate discussions and sharing of best practices among educators from different disciplines, fostering collaboration and interdisciplinary approaches to OBE

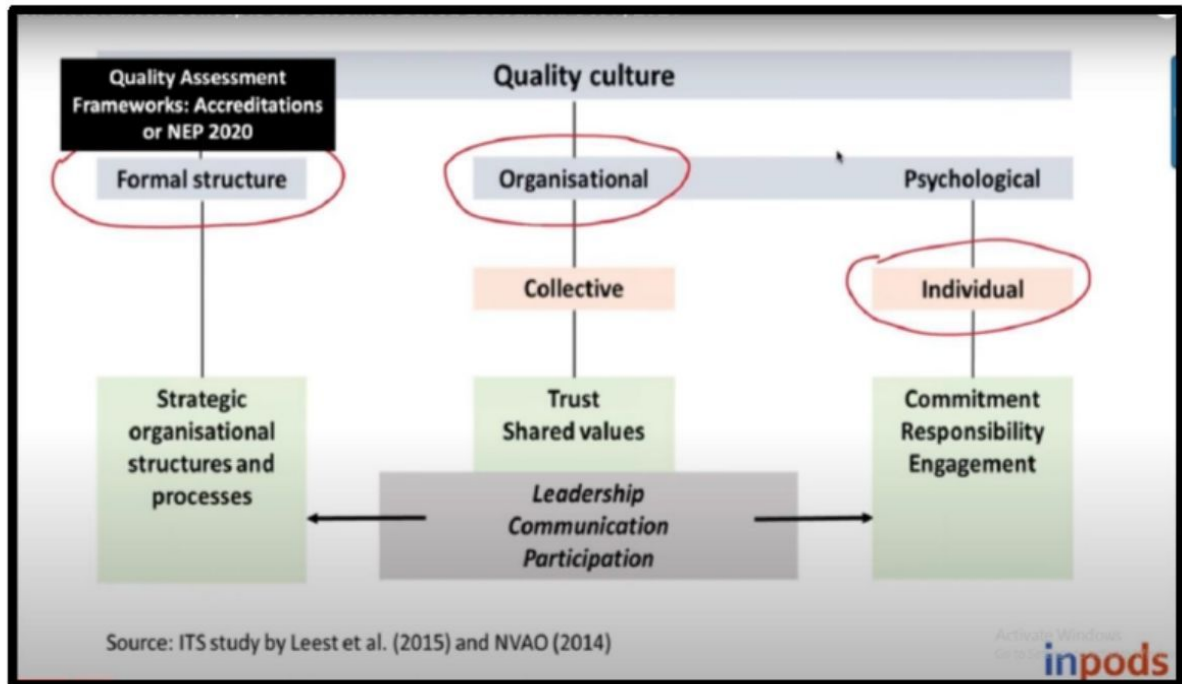

DISCRIPTION:

The Internal Quality Assurance Cell (IQAC), IIMT University, has organized an online “Workshop on “Advanced Concepts of OBE” form 15th December to 18th December 2022 at IIMT University, Meerut. Mr. Ajay Bhagwat, Director, Inpods India, shared his expertize with the participants to enhance their knowledge and skills on OBE. He emphasized that application of OBE's educational concept in this course determines the training objectives of the course from the point of post skill investigation, designs theoretical teaching and practical training and corresponding assessment methods, and forms a closed loop of continuous improvement through assessment results and enterprise follow-up investigation.

B. S. S.

This workshop has developed a great awareness among the faculty participants on Outcome based Education and the need for restructuring the curriculum mapped with learning outcomes.
