Institutional Scholarship Policy

The vision behind formation of this policy is to support and encourage the students who may be deprived of education because of financial short falls. In our society there are many families who have to suffer tragic moments resulting in carrier hindrance of the boys/girls belonging to such families. Even some students may have difficulties in going for higher studies. IIMT University wishes to help such students in the time of need so that their future may be bright.

The objective behind the creation of this fund is to provide financial help to the needy students as to continue their studies in their hard times which may have arisen because of the death of earning parent or serious medical issues. The policy also supports the students from time to time by giving them scholarship in fees either because of any sudden incident or in case of student going for higher studies. The committee may consider some special cases also falling behind the criteria of the policy. The scholarship committee shall have the authority to review the application and recommend names of eligible candidates for the award of a scholarship and/or tuition fee waiver, as applicable. The institutional scholarship policy will be granted for one year except adoption policy. In adoption policy, the scholarship is granted for full course duration. The Chancellor of the University shall have the final authority to approve the award of the scholarship.
