Objective

The theme for National Science Day 2024 was "Indigenous Technology for Viksit Bharat." This particular theme presents a significant opportunity for individuals and scientists, not only in India but also globally, to collaborate. By joining forces, they can contribute towards the betterment of India and humanity as a whole. Moreover, this theme encourages the general public to adopt a more practical and scientific mindset. Therefore, the questions asked in the quiz competition were framed around this theme.
