PROGRESS REPORT

Theme of the Activity: Prakriti Vandanam 2024 –Bijaropan se Vruksharopan

Event Date: 15 August 2024

No. of Participants: B.Ed. Student

Brief Description of the Activity:

“Prakriti Vandanam 2024” -Bija ropan se Vruksharopan activity is organised by the Department of Education at IIMT University from 8 may to 15 August 2024. A objective of Bija ropan is plant more tress. The objective of tree plantation for students is to instil environmental consciousness, providing hands-on learning about biodiversity, climate change mitigation, and ecosystem balance. It fosters a sense of responsibility, encouraging students to contribute to a sustainable future while promoting a healthier planet through the act of planting and nurturing trees.

Brief Description of the Participants:

Opening of the event – The activity began with a warm welcome by the student coordinator. Ms.ManjuBala & Ms Lakshmi Saxena were the in-charge of the activity

Highlights of the Activity: At the IIMT University campus, all of the participants, students and faculties were greeted by Ms.ManjuBala and the student organizers.

Initiating the exercise, Dr.Suraksha Pal planted seeds in the IIMT University Garden. She also encouraged students to participate in plantation activities at their homes and workplaces by educating them about the significance of plantations.

Conclusion & Acknowledgement:

All the participant upload their photo the get the certificate and teachers enlightened us about the importance of trees in mitigating climate change and providing habitat for countless species.

ACTIVITY

Title of the Activity : Workshop and USR activity on National Nutrition Day at
Bhawanpur Village

Date : 6th September 2024

Time : 12 pm onwards

Venue : Bhawanpur village, District-Meerut

Organisers : Dr. Renu Agrawal and Dr. Vibha Yadav

Organised by : School of Basic Science & Technology and School of Agricultural Sciences.

About: This activity was done under the guidance of prof. A. K. Chauhan Dean (SoBST), Dr. Rajbir Singh Dean (SoAS), Shubha Dwivedi (Coordinator, UBA, IIMTU), Mr. Vikas Kumar (HoD, SoBST), Dr. Rajkumar (HoD SoAS).

Introduction:

Nutrition Day is a global initiative aimed at raising awareness about the importance of nutrition in healthcare settings, such as hospitals, nursing homes, and care facilities. The event highlights the crucial role that proper nutrition plays in improving patient outcomes, preventing malnutrition, and promoting overall well-being.

Objective of the activity

1. The main objective of this workshop was to aware the women about nutritional value and improving the well-being the village community.
2. To engage with local community, gather their input, opinions and suggestions regarding government policies.
3. For awareness of physical and mental health of the village people.
4. Distribution of sanitary pad and awala candy to improve the nutritional status of women.
5. To make the women and girls aware about menstrual hygiene and the use of sanitary pads

Activites Performed

- Nutritional Aawla candy Distribution to the women and children

- Sanitary pad distribution to women
- Campaign to aware children's and women community

Outcomes

It encouraged all about nutritional food quality that support overall health and prevent diseases.

It engaged and aware school groups, reproductive health knowledge and attitudes, gender norms, and self-confidence.

Venue: Ganganagar and nearby Village

List of Activities:

Title of the Activity: Swachhata Hi Sewa Campaign

Date and Time: 27/09/2024, 10:00 A.M.

Need of the Activity: The Swachh Bharat Mission is a countrywide campaign by the government of India named as the Bharat Abhiyan or the Clean India Mission. The need of this program is to encourage cleanliness, involve stakeholders, and help the Swachh Bharat Mission achieve its overall goals of universal sanitation coverage and a cleaner India.

SDG goal: To focus on ensuring the availability and sustainable management of water and sanitation for all.

Brief Description (Need/Impact/Action/Picture (if any): IIMT University organized Swachh Pakhwada Divas as part of the Swachh Bharat Abhiyan 2024. In the presence of Vice Chancellor Deepa Sharma, a pledge was taken, and a rally was conducted from the university campus to Ganganagar to promote awareness about cleanliness and sanitation. Approximately 200 students participated alongside faculty members, contributing voluntarily to community welfare by cleaning both the campus and Ganganagar. Following this, a poster presentation was held at the university, where awards were given for the best posters. All the events were covered by Dainik Jagran, Radio 90.4 FM and other media personals.

'SWACHHATA HI SEWA' CAMPAIGN

An initiative of BHARAT SARKAR

Date : 27 September, 2024 | Time : 10:00 AM

Venue : IIMT University and Nearby Areas, Pocket "O", Ganga Nagar

Inauguration of the program with Vice-chancellor

The distinguished vice-chancellor, Dr. Deepa Sharma, launched the Swachhata Hi Sewa campaign. In order to promote community participation in sanitation efforts, this initiative began with a commitment to improve environmental cleanliness. More than 200 student volunteers cleaned the roads after the Rath Yatra, demonstrating their dedication to keeping the area clean in an impressive demonstration of grassroots involvement. Furthermore, a cleaning-themed exhibition was arranged, which encouraged participants' awareness and inventiveness even more.

Press Release

आईआईएमटी विवि में स्वच्छता का संकल्प लेते विद्यार्थी। स्रोत : संस्था

मेरठ। आईआईएमटी विश्वविद्यालय में जागरूकता रैली निकाली गई। इसमें स्वच्छता के लिए जागरूक किया गया। शुभारंभ कुलपति डॉ. दीपा शर्मा ने किया। अभियान की कोऑर्डिनेटर डॉ. शुभा द्विवेदी ने विद्यार्थियों को स्वच्छता की शपथ दिलवाई। रैली में स्वच्छता रथ को मेरठ के विभिन्न स्थानों पर घुमाया गया और नागरिकों को स्वच्छता के प्रति जागरूक किया गया। नुककड़ नाटकों के माध्यम से भी लोगों को स्वच्छता की मुहिम से जोड़ा जाएगा। कार्यक्रम में डॉ. संजीव कुमार मिश्रा, डॉ. विभा, डॉ. प्रीति, साहिल, मानसी अग्रवाल, डॉ. सुनीति, डॉ. ऐश्वर्या, डॉ. पृथ्वी सेंगर, कपिल, डॉ. विवेक एवं रेडियो 90.4 एफएम की टीम एवं विभिन्न विभागों का महत्वपूर्ण योगदान रहा। संवाद

आईआईएमटी विश्वविद्यालय गंगानगर में जागरूकता रैली में शामिल हुए शिक्षकों व विद्यार्थियों को शपथ दिलाती कुलपति डा. दीपा शर्मा • सौ. विश्वविद्यालय प्रबंधन

https://youtu.be/P3uhoTjtYtw?si=Mhx3leY89YLMpFW_

Outcome Of the Activity:-

At the recent Ganganagar rally, local leaders vowed their support for keeping the environment clean, inspiring the community to embrace cleanliness. A large number of people participated in the event. In addition to inspiring the locals, this program promoted a feeling of group accountability for cleanliness. An exhibition with a cleanliness theme was planned as part of the display. Participants' dedication and inventiveness were on display in a variety of projects. Every participant was given a certificate acknowledging their efforts in order to promote participation. In addition, prizes for the best posters were presented, honoring creative concepts that encourage cleanliness and motivate others to take action. This event reinforced the value of community involvement in accomplishing long-term cleanliness goals in addition to providing a platform for motivation. For Ganganagar to become a clean and environmentally conscious community, it is essential to have both community support and individual contributions acknowledged.

ACTIVITY:

Title of the Activity: Stationary distribution Programme and Nukkad Natak at village Andawali

Date and Time: 2/10/2024

Need of the Activity:

- To improving the quality of life of the rural people.
- To raising the education standard of poor children's.
- To create awareness among rural peoples about education.
- To promote the sustainability for livelihood of rural peoples.
- To discuss and manage different health issues of rural communities.

Brief Description (Need/Impact/Action/Picture (if any):

Unnat Bharat Abhiyaan Programme was started by Government of India to develop villages. For improving the quality of life of the rural people, privacy and dignity to women, it is really helpful. It ensures to create awareness among rural people's basic amenities about education and improvement of health in rural peoples. An USR activity was conducted by School of Agricultural Sciences under Unnat Bharat Abhiyaan with guidance of Dr. Shubha Dwivedi (UBA, Coordinator, IIMT University). An USR Activity under Unnat Bharat Abhiyaan was organised by School of Agricultural Sciences, IIMT, University, Meerut on occasion of Gandhi Jayanti ensures to be helpful in enhancement of knowledge and support of rural society by applying different innovative ideas. Our initiative was to deliver pens, pencil, notebooks, and other stationery items to the for raising the education standard of poor children's. Nukkad Natak on "Women Empowerment" was also performed by B. Sc (Hons.) Agriculture Students. The main purpose of organizing this activity is to promote rural children's education and to maintain health hygiene. This programme is also helpful to enrich rural India with access to the professional resources of IIMT, University Meerut.

Outcome of the activity:

- **Key Learning Outcome:**
 - ❖ Upgrading rural education system
 - ❖ Make rurals children familiar with different eco-friendly methods.
 - ❖ Enrichment of different innovative ideas to maintain health hygiene among rural societies.
 - ❖ To promote and empower rural women's.
- **Post Outcome:**
 - Interactive sessions among rural children and experts helped both in understanding of rural societies and supporting village development.

Title of the Activity: Safe drive, save life on the occasion of Sadak Pakhwara.

Date and Time: 09/10/2024, 11 AM onwards.

Need of the Activity: Road accidents claim numerous lives each year, often due to preventable causes like over speeding, distracted driving, and not following traffic rules. The "Safe Drive, Save Life" initiative under Sadak Suraksha Pakhwara addresses the urgent need for road safety awareness and disciplined driving to reduce these fatalities.

SDG goal: 3

Brief Description (Need/Impact/Action/Picture (if any): On the occasion of Sadak Suraksha Pakhwara, the School of Pharmaceutical Sciences, IIMT University UBA cell organised "Safe Drive, Save Life" activity emphasizes the importance of road safety awareness to reduce accidents and fatalities. This campaign aims to educate drivers and

pedestrians about safe driving practices, including wearing seat belts, following traffic rules, avoiding over-speeding, and not using mobile phones while driving. The initiative engaged people of all ages, highlighting that safe driving not only protects individual lives but also builds a safer community. Promoting road discipline and awareness, "Safe Drive, Save Life" contributes significantly to fostering a responsible and alert road environment.

Outcome of the activity: The "Safe Drive, Save Life" activity raised vital road safety awareness, inspiring participants to follow traffic rules and drive responsibly. Interactive workshops and street plays led to a commitment toward safer driving habits. This campaign helped foster a more cautious and disciplined road culture, reducing accidents and saving lives among the students and the residents of the Pabla village.

PROGRESS REPORT

ACTIVITY REPORT

Name of the Activity:	Road Safety Awareness in Rural Area.
Organized by:	Road Safety Club, IIMT University Meerut.
Collaboration with:	UBA Cell, IIMTU, Meerut.
Date of Activity:	10/10/2024
Place of Activity:	Pabla Village
No. of Students Participated:	34
Beneficiaries:	Residents of Pabla Village
Activity Coordinator:	Dr. J.K. Kushwaha, NCC Coordinator, IIMT University Meerut, Dr. Sanjeev Kumar Agarwal, NSS Coordinator, IIMT University Meerut. Dr. Shubha Diwedi, Coordinator, Unnat Bharat Abhiyaan, IIMT University Meerut

Aim of the Activity:

The objective of this program was to create mass awareness about the measures and precautions of road safety among rural population.

Description: Road Safety Club, IIMT University Meerut in collaboration of UNNAT BHARAT ABHIYAN IIMT University Meerut organized a mass awareness programme at village Pabla (District Meerut) to spread awareness about measures and prevention of road safety. The students of BJJMC, NSS & NCC units prepared posters and slogan charts for that and took part with full Zeal in the activity. During the activity the cadets and volunteers visited in each street of village Pabla and made a rapport with the senior and young people. The club members explained them about the following points regarding road safety:

1. Following the rules while crossing the road.
2. Benefits of Wearing the Helmet and Seat Belt during the driving of two wheeler/four wheeler.
3. Keep attention on the controlling the speed of their vehicles.
4. Proper use of Indicator while take the turn.
5. Use of Dipper light in the dim or while stopping the vehicles on road.
6. Use of fog lamp light during the Fog in winter.

7. Put the good quality reflectors on the back side of vehicles.
8. Do not allow to drive the vehicles them who are below the age of 18 years.
9. Keep the Driving licence with them during the driving.
10. Regular check of their vehicle pollution certificate.
11. Do not violation of the traffic rules.
12. Follow the signals at crossing.
13. Do not overtake the vehicles.
14. Avoid the heavy luggage on two wheelers.
15. Avoid tripling on two wheelers.
16. Do not use mobile phone while driving.

Outcome of the activity: After the activity the resident of village Pabla beneficated in the following manner:

1. Got awareness and educated about the road safety measures and prevention.
2. They got various informations about the rules of traffic.
3. They learned about the precautions during the driving and moving on the road.
4. They generalized the traffic signals and vehicle maintenance.

PROGRESS REPORT

November, 2024

ACTIVITY 1:

Title of the Activity: "Public Awareness Campaign on Antimicrobial Resistance and its Impact on Human Health"

Date and Time: 22/11/2024 and 11:30 a.m.

Event Coordinator: Ms. Aishwarya Rastogi, Dr. Reetu Gour and Dr. Amit Bharti

Need of the Activity: To spread awareness on Antimicrobial Resistance.

Brief Description (Need/Impact/Action/Picture (if any): The students of Department of Microbiology organized a special program to raise awareness about antimicrobial resistance (AMR) in Andawali village. The program featured a skit highlighting the dangers and adverse effects of antimicrobial resistance. The performance captured the villagers' attention and helped them understand the gravity of this critical issue. An interactive session was also organized during the event, conducted by Dr. Shawn Kumar from the Department of Ayurveda. He discussed the causes, impacts, and preventive measures related to antimicrobial resistance.

Outcome of the Activity: The activity successfully raised awareness about the dangers of antimicrobial resistance among villagers, emphasizing the importance of responsible antibiotic use. The initiative encouraged community engagement and fostered a demand for similar educational programs in the future.
