UNIVERSITY SOCIAL RESPONSIBILITY CELL

Vision: IIMT University, Meerut is very firm regarding spreading the essence of Social responsibilities among the youth of the society. USR actually means SOCIAL ENTREPRENEURSHIPS BY THE YOUTH AND FOR THE SOCIETAL UP-LIFTMENT. In a broad way, it is defined as to create a difference to the economic and social well-being of our society with the help of self-driven and motivating attitude of the students and faculty members.

Mission: USR also aims to motivate society to share their ideas and innovations with us.

- ❖ The core mission of the USR club is to align with the United Nations sustainable development goals and worked to achieve all the 17 goals.
- ❖ The nature of activities organized under the umbrella of USR includes awareness camps, societal campaign, skits, workshops for underprivileged section of the society and on different societal needs etc.
- ❖ The USR cell is aligned with Unnat Bharat Abhiyan Cell (UBA Cell) of IIMT University to work in the fulfillment of the societal needs.

Our main objectives are:-

- ❖ To make a sustainable future.
- ❖ To create equal opportunity and miscellany in such a way where diversity is treated uniformly and fairly as INDIA is a big bio-diversified nation.

- ❖ To serve the society with the aim of *Seva Parmo dharma*.
- ❖ To provide solutions at grass root level to the underprivileged section of the society.
- ❖ To spread awareness among the children about their responsibility towards nature & nation, also develop the attitude of Right Choice, Right Decision and Right Direction which properly aligns with the objective of UBA-IIMTU i.e. Smart Village, Self-Reliant and Self-Sustainable Village.

Functions of the USR Cell

1. To strengthen Unnat Bharat Abhiyan Cell of IIMT University.
2. Design various workshops, seminars, awareness camps etc in-situ.
3. Facilitate the students to work on actual ground of society.

Title of the Activity: Health Check-up Camp on "World Pharmacist Day 2024"

Date and Time: 25/09/2024; 10:00 AM- 4:00 PM

Need of the Activity:

A health check-up camp on World Pharmacist Day aligns with SDG 3 (Good Health and Well-Being) by promoting public health awareness and ensuring accessible healthcare services. Pharmacists play a crucial role in healthcare systems, and such initiatives help in the early detection of health issues, preventing complications, and reducing healthcare disparities. These camps emphasize preventive care, encouraging individuals to monitor their health regularly, contributing to the overall goal of achieving universal health coverage and improving well-being for all.

SDG goal: 3 (GOOD HEALTH & WELL BEING)

Brief Description (Need/Impact/Action/Picture (if any)):

IIMT college of medical sciences (Pharmacy) in collaboration with School of Pharmaceutical Sciences, IIMT University, Meerut celebrated World Pharmacist Day on 25th September 2024. The day started with the Pharmacist oath, all students and faculty members of Pharmacy took the oath and inauguration of the health check-up camp was done by the Chief Guest Prof. Dr. Vibhu Sahani, (Member of Pharmacy Council of India UP State, Chairman of finance committee PCI, Professor & Head at LLRM Meerut, Dean Charak College of Pharmacy, CCS University Meerut), Prof. Dr. Lakhwinder Singh (Dean Co-curricular affair & events), Dean CMS Dr. Millind Sharad Pande & Principal SOPS Dr. Atul Pratap Singh. Prof. Dr. Lakhwinder Singh (Dean Co-curricular affair & events) welcomed our chief guest and all dignitaries done lamp lightening. Dr. Vibhu Sahani also shared his views about the importance of this day and updation in the field of pharmacy with the students present there. Chancellor of IIMT University Yogesh Mohanji Gupta, Pro Chancellor Dr. Mayank Agarwal and Vice Chancellor Dr. Deepa Sharma all congratulated Pharmacists across the nation. Aroud 400 people were benefitted with the health checkup camp with primary chechups like blood pressure, blood sugar, weight check, oxygen level, blood group, OTC Medication, Patient counselling etc. All the students and faculty members actively participated and worked for the smooth running of the health checkup camp with proper hygiene. Theevent was organized under the guidance of Dr. Atul Pratap Singh, Principal SoPS and was Coordinated by Ms. Mansi Aggarwal (Assistant Professor).

Outcome of the activity:

A health check-up camp on World Pharmacist Day leads to greater community awareness of health issues, early detection and management of medical conditions, enhanced access to pharmaceutical expertise, and stronger pharmacist-patient relationships. Such camps help promote preventive healthcare, encourage regular health monitoring, and emphasize the essential role of pharmacists in ensuring better health outcomes for the community.

Need of the Activity:The USR Cleanliness Drive is an initiative aimed at enhancing the cleanliness and hygiene of urban spaces, particularly in collaboration with local municipal bodies like Nagar Nigam and community organizations such as The Growing People. This drive is crucial in addressing the growing need for maintaining clean environments, which is essential for public health and environmental sustainability.

SDG goal:

Brief Description (Need/Impact/Action/Picture (if any):In a concerted effort to enhance the cleanliness and environmental sustainability of Meerut City, a significant cleanliness drive was organized by USR in collaboration with Nagar Nigam, The Growing People, and IIMT University. This initiative included a motivational speech by Mayor Harikant Ahluwalia, emphasizing the importance of maintaining cleanliness in the city. Key activities involved a

plantation drive and a comprehensive cleanliness drive focused on Ward-37, Ganganagar Zonal Park. The success of this drive sets a precedent for future collaborative efforts to maintain cleanliness and promote sustainable practices in public spaces. Students from IIMT University and members of The Growing People actively participated in collecting garbage, using gloves and trash bags to handle waste properly. Nagar Nigam officials and volunteers from The Growing People used brooms to sweep the park, ensuring that all areas were clean and free from dust. To enhance the green cover and beautify the park by planting new plants. The event fostered a sense of community responsibility among participants, encouraging them to take an active role in maintaining public spaces.

Outcome of the activity:In this event of USR Cleanliness DRIVE in collaboration with Nagar Nigam and The Growing People. Mayor of the city Harikant Ahluwalia along with Municipal Commissioner Saurabh Singh Gangwar, members of The Growing People, and IIMT University students collaborative organised the drive with equal efforts to clean the city, this event inspires the community to embrace cleanliness. This event not only inspired the community to adopt cleanliness but also fostered a sense of collective responsibility for maintaining a clean environment. A large turnout of participants underscored the drive's impact, motivating individuals to take action and promoting a culture of cleanliness. For Meerut to evolve into a clean and environmentally aware community.

छात्र-छात्राओं के साथ चलाया स्वच्छता अभियान

संवाद न्यूज एजेंसी

गंगानगर। नगर निगम ने मंगलवार को गंगानगर डिवाइडर रोड स्थित जोनल पार्क में स्वच्छता अभियान चलाया। महापौर हरिकांत अहलूवालिया और नगर आयुक्त सौरभ सिंह गंगवार सहित दौं ग्रेडिंग पीपल के सदस्यों और आईआईएमटी के छात्र-छात्राओं ने गंदगी से बदहाल पड़े पार्क में सफाई की। संदेश दिया कि स्वच्छता से ही महानगर की तस्वीर बदलेगी।

जोनल पार्क में पहुंचे नगर आयुक्त सौरभ सिंह गंगवार ने आईआईएमटी यूनिवर्सिटी की बीएससी बायोटेक के छात्र-छात्राओं को स्वच्छता के प्रति जागरूक किया। उन्होंने कहा कि अगर हम सभी एक रुपये कीमत के बराबर सफाई पर ध्यान दें तो हर माह लाखों

गंगानगर डिवाइडर रोड पर जोनल पार्क में पहुंचे महापौर व नगर आयुक्त

रुपये बच सकते हैं। सार्वजनिक स्थल पर पैपर सड़क पर न फेंके। उन्हें डस्टबिन में डाल दें। उन्होंने कहा प्रतिदिन पॉलीथिन का प्रयोग कम कर दें तो हर रोज लाखों पॉलीथिन कचरे में नहीं पहुंचेंगी।

महापौर हरिकांत अहलूवालिया ने कहा कि सूखा-गीला कूड़ा अलग-अलग डस्टबिन में डालें। हर रोज शहर से 1300 टन कूड़ा निकलता है। नगर आयुक्त ने यहां एक पीधा लगाया। इस मौके एनजीओ की अध्यक्ष अदिति चंद्रा, विनय गोयल, भूषण आरोड़ा, कल्पना यादव, इंद्रजीत, जॉन जोसेफ सहित गंगानगर पार्षद पति भरत शर्मा, कसेरुक्वसर पार्षद आनंद जाटव आदि रहे।

जन जागरूकता अभियान के दौरान मौजूद नगर आयुक्त सौरभ गंगवार, महापौर हरिकांत अहलूवालिया और छात्र-छात्राएं। संवाद

Title of the Activity: Celebrating Regional Diversity

Date and Time: 18/04/2025 at 2:00 p.m.

Need of the Activity : Regional diversity reflects the rich tapestry of cultures, languages, and traditions that shape a nation. By celebrating these differences, we promote understanding, preserve heritage, and strengthen unity. Embracing diversity is key to building a more inclusive and vibrant society. The theme “Celebrating Regional Diversity” was depicted by students of microbiology by skit performance and beautiful and insightful presentations.

Brief Description (Need/Impact/Action/Picture (if any): The participants prepared and presented the hidden and lesser-known festivals celebrated across the country. The competition allowed teams to showcase their creativity through performances that highlighted various festivals belonging to different states of India. The event ended with the certificate distribution ceremony and a heartfelt congratulatory speech from Dr. Navneet Sharma (Dean) and Dr. Mukta Sharma (Deputy Dean).

Outcome of the activity: The event encouraged students to think about the varying cultures in our country and appreciate the differences in traditions across India.

ACTIVITY 1:

Title of the :- Activity: LET's CULTURE HAPPINESS

Need of the Activity: The objective of the event was to help students explore and experience the true essence of happiness beyond material pleasures. It aimed to promote emotional well-being, self-reflection, and joyful expression through interactive and creative activities. The event encouraged students to understand happiness as a state of inner contentment, cultivate positive relationships, and express joy collectively. It also sought to build a sense of community and connection through humor, performance, and shared learning.

Brief Description (Need/Impact/Action/Picture (if any): The event commenced with a warm welcome and introduction, followed by an inspiring expert talk on happiness by Mr. Amit Sharma, who emphasized the importance of mindset, gratitude, and meaningful living. The session was well-received and interactive, with students engaging in reflective dialogue. This was followed by a Stand-Up Comedy Competition, where students presented witty, light-hearted performances that filled the room with laughter. The next highlight was the "Happy Act Challenge – True Happiness", an on-the-spot skit competition where groups creatively expressed their understanding of real happiness. Mr. Sharma also served as the judge for these activities and provided encouraging feedback. The event concluded with student reflections, prize distribution, and a cheerful group photo session, leaving everyone with smiles and valuable takeaways.

Outcome of the activity: The event encouraged students to think about the importance of happiness, integrity, and positivity that is an important part of our lives.

ACTIVITY 1:

Title of the Activity:World Earth Day Celebration.

Event Coordinator:Dr. Ritu Batra, Dr. Bandana Jaiswal, Raj Kumar, Dr. Vibha Yadav, Dr. Reenu Agarwal, Dr. Madhu Yadav, Dr. Preety, Dr. Suniti Yadav, Mr. Sahil, Dr. Ahad, Ms. Deepti Kaushik, Mr. Prithvi Sengar, Ms.Aishwarya, Radio IIMT, Dr. Khushwaha, Dr. Virendra Singh Patial, Mr. Devendra

Date and Time:22/04/2025, 2:00 P.M.

Need of the Activity:Earth Day is celebrated to highlight and address the urgent environmental challenges facing our planet

SDG goal: Earth Day's goals are deeply intertwined with the United Nations' Sustainable Development Goals, especially those targeting clean energy, climate action, ecosystem restoration, and sustainable resource management. The annual observance acts as a catalyst to accelerate progress toward achieving the SDGs and securing a sustainable future for the planet.

Brief Description (Need/Impact/Action/Picture (if any):IIMT University celebrated World Earth Day with a series of impactful and engaging events aimed at promoting environmental awareness and sustainability. The School of Life Science and Technology, which includes the Biotechnology department, played a central role in organising and participating in these activities.Students from the Biotechnology department actively took part in all activities. They

engaged in discussions, poster presentations, and awareness campaigns, sharing scientific insights on environmental issues and sustainable solutions.

Outcome of the activity:The Earth Day events at IIMT University resulted in heightened environmental awareness, adoption of sustainable practices, community outreach, and the nurturing of student leadership and innovation in environmental stewardship. These outcomes contribute to a cleaner, greener campus and community, and support long-term sustainability goals.

ACTIVITY 1:

Title of the Activity: Interactive session on Natural Antimicrobial Remedies by Dr. Shawn Kumar

Event Coordinator: Dr.Aishwarya Rastogi

Date and Time: 20/05/2025 at 12:00 p.m.

Need of the Activity: A guest lecture on the topic "Natural Antimicrobial Remedies" was successfully conducted, featuring the distinguished speaker **Dr. Shawn Kumar from Department of Panchkarma, IIMT Ayurvedic Medical College**, a renowned expert in the field of natural therapeutics.

Brief Description (Need/Impact/Action/Picture (if any): Dr. Kumar began the session by emphasizing the urgent need for alternative antimicrobial strategies in the face of rising antibiotic resistance. He highlighted the historical roots of natural remedies and their relevance in modern medicine, drawing examples from both ancient traditional systems and contemporary research.

Key highlights of the lecture included:

- An overview of plant-derived antimicrobials such as essential oils, alkaloids, and phenolics.
- Case studies on the antimicrobial efficacy of turmeric, garlic, neem, and tea tree oil.

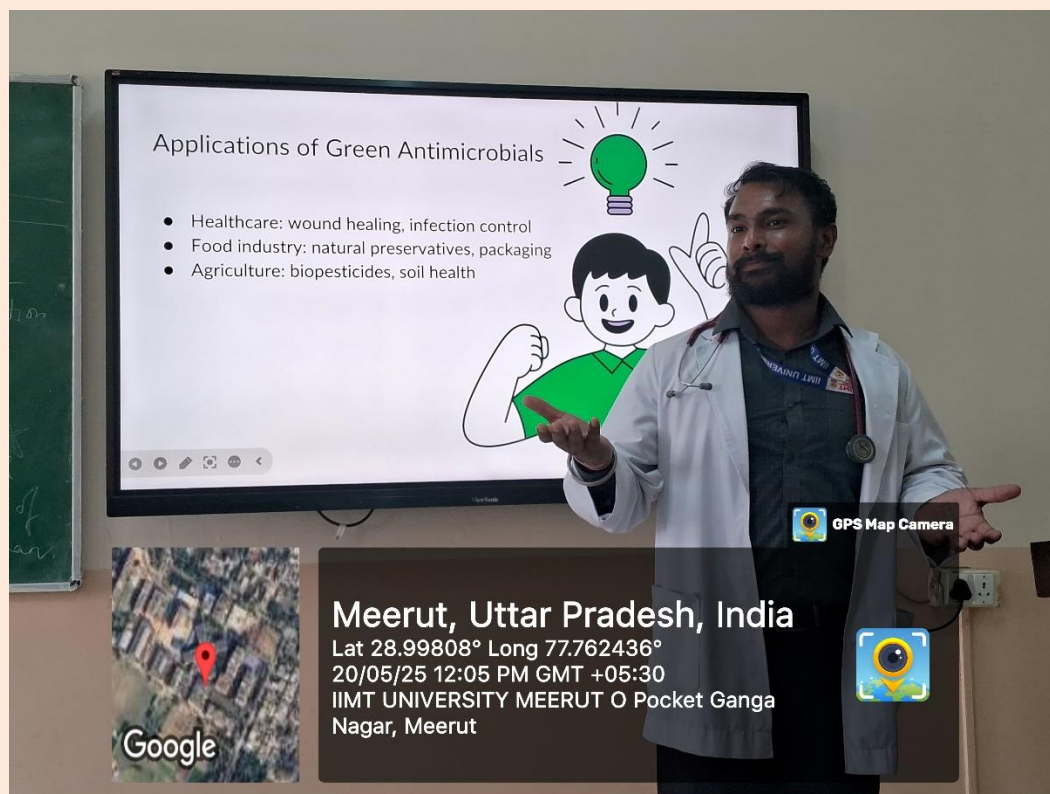

- The role of microbial metabolites and probiotics in combating infections.
- Scientific approaches to validate traditional knowledge through in vitro and in vivo studies.
- The challenges of standardization, formulation, and clinical application of natural antimicrobials.

Dr. Kumar also addressed questions from the audience, sparking engaging discussions on the integration of natural products in mainstream healthcare and the importance of interdisciplinary research.

Outcome of the activity: The event was an enlightening experience, broadening the attendees' understanding of natural remedies as a sustainable approach to combating microbial threats.

Attendance of the activity: Students of BMB II and BMB III
