CRIC

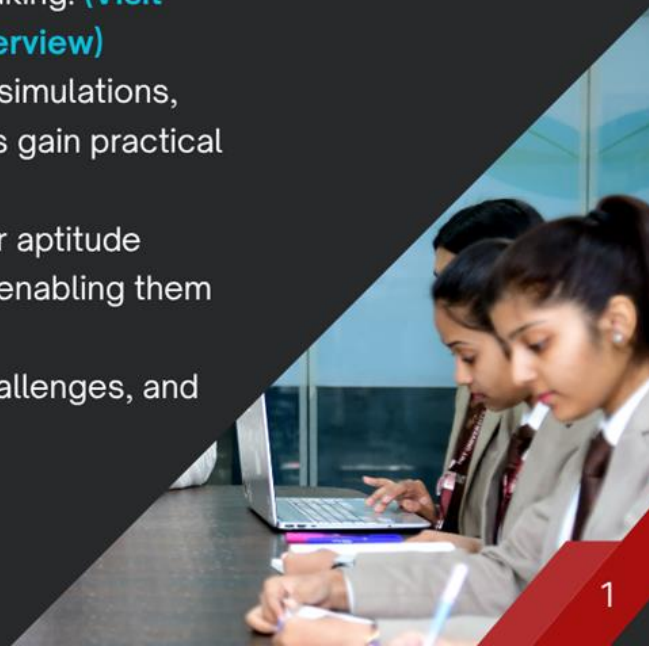

Corporate Resource and Interface Centre - An Introduction

Where IIMT-talent meets
opportunity, and futures take flight

At IIMT University, the Corporate Resource and Interface Centre (CRIC) serves as the bridge between academia and industry. It is dedicated to nurturing students into professionals who are industry-ready, innovative, and globally competitive.

Training & Skill Development

- A robust Training Department equips students with essential professional skills, including communication, presentation, leadership, and decision-making. ([Visit **www.training.criciimt.com** to have an overview](http://www.training.criciimt.com))
- Experiential learning through workshops, simulations, and interactive sessions ensures students gain practical insights beyond textbooks.
- Specialized modules prepare students for aptitude tests, group discussions, and interviews, enabling them to excel in recruitment processes.
- Participation in hackathons, innovation challenges, and national competitions fosters creativity, problem-solving, and teamwork.

Corporate Interactions

Where industry meets academia, and students meet success.

- Regular guest lectures, seminars, and panel discussions by industry leaders provide authentic exposure to corporate practices.
- Industrial visits to renowned organizations such as Maruti Suzuki, HCL, Hero MotoCorp, Bisleri, JBM, Yakult and Ananda Dairy etc. help students understand real-world operations.
- Collaborative projects and internships with top companies allow students to apply classroom learning in professional environments.

Holistic Development - Turning knowledge into practice, and practice into careers.

- CRIC emphasizes principle - centered, character-based growth, ensuring students develop integrity and resilience alongside technical expertise.
- The focus is on personal growth before public success, preparing students to become transformative leaders.
- Through mentorship and guidance, students are encouraged to recognize their potential, seize opportunities, and drive change in society and industry.

Placement Excellence

CRIC attracts leading national and international recruiters, including **TCS, Wipro, Accenture, Amazon, Paytm, ICICI Bank, Reliance Group, Tech Mahindra, British Telecom, Asahi India, Lenskart** and many more..

- Prestigious internships with FMCG giants like **Nestlé** and **ITC** give students a head start in their careers.
- In the 2025–26 session, students secured packages ranging from ₹4.00 LPA to ₹13.36 LPA, showcasing the diverse opportunities available.

Start-Up & Innovation Internships

Collaborations with emerging start-ups and incubators allow students to work on disruptive ideas.

Hands-on exposure to entrepreneurship nurtures risk-taking, creativity, and problem-solving.

Students learn to thrive in agile environments, preparing them for leadership in dynamic industries.

Corporate Trainings

AI Empowerment for Career: From Literacy to Employability

Corporate Training Program by TATA Consulting Services at IIMT.

AI training sessions & workshop for App development were conducted using AI-tools.

Venue: Seminar Halls & IT-Labs at IIMT Campus

TCS-Team (40 Professionals): Including AI/IT Professionals and HR-Team arrived at IIMT Campus, Meerut from various locations of India (Chennai, Hyderabad, Gujrat, NCR (Gurugram, Delhi, and Noida)

www.iimtu.edu.in

Hackathons

TATA Bharat YUVAi Hackathon -

Hosted during the India AI Impact Summit 2026 (New Delhi)

Eminent Leader Present:

The event was graced by visionary leaders:

Mr. Ashwini Vaishnav – Hon'ble Union Minister (Railways, Information & Broadcasting, and Electronics & Information Technology)

Mr. K. Krithivasan – CEO & MD (TATA Consultancy Services)

Mr. Sudeep Kunnumal – Chief Human Resource Office (TCS)

Scale: 1,800 students from diverse disciplines from all over India.

Output: 1,500+ working app prototypes built in just 70–75 minutes.

Tools: Voice-first, multilingual AI platforms supporting nine Indian languages.

Support: Participants' Refreshment, Laptops, Internet, and Mentorship (By the TCS).

Event SPOC for IIIMT: Abhishek Verma (Head - CRIC), T&P Department, IIIMT Meerut

IIIMT Participation -

Our students proudly showcased creativity and problem-solving skills. They identified domain-specific challenges and developed functional app prototypes within the given timeframe.

Highlight:

Ms. Deepanshi, MBA student at IIIMT University, represented us on the prestigious Hackathon stage, sharing her learnings and experiences with the audience.

BEYOND THE CLASSROOM

APPRECIATIONS AND RECOGNITIONS BY CORPORATES

APPRECIATION BY TATA GROUP

Tata Group – India's largest and most diversified conglomerate with a worldwide presence.

Following the collaborative events, our students received appreciation from the Tata Group.

The certificates, exclusive goodies, and words of appreciation bestowed upon our students have not only encouraged them but also strengthened their confidence to pursue excellence.

APPRECIATION BY ITC LTD.

ITC Ltd – A multi-business leader, shaping FMCG, hospitality, and agribusiness with worldwide presence.

IIMT students received internship-certificates and gift hampers as appreciation from ITC after their successful completion of their summer internships.

Thanks Abhishek. We truly appreciate the enthusiasm and participation shown by the students from your college in the TATA BHARAT YUVAI Hackathon organized by TCS. Student's energy, creativity, and willingness to learn were inspiring. Keep building, keep experimenting, and most importantly, keep learning AI. This is just the beginning.
