Remarks:

The 2nd 3x3 Basketball State Championship 2025 was conducted smoothly and concluded successfully with active participation, quality competition, and strong spectator engagement. The event served as an excellent platform for athletes to showcase their abilities and gain valuable competitive exposure. Veterans India Sports Wing, along with IIMT University, played a commendable role in ensuring effective organization and infrastructure support. Such championships contribute significantly to the development of basketball at the grassroots and state levels. It is recommended that similar events be organized regularly to continue nurturing talent and promoting sports culture among youth.

National Sports Day - 2025

Department Name	Department of Physical Education
Event Name	National Sports Day - 2025
Event Date	29th Aug, 2025-26
Number of Days	01
Venue	IIMT University Main Ground, Meerut
Participants	Students, Faculty and Staff
Student Engagement	130

About Event:

National Sports Day 2025 was dedicated to Major Dhyan Chand to recognize his outstanding contribution to Indian sports and to inspire youth towards excellence in sports and physical fitness. The celebration aimed to promote sports culture, encourage mass participation, and align institutional sports activities with the national vision of developing India as a global sporting powerhouse. In accordance with the National Sports Policy 2025, Pradhan Mantri Khel Yojna, and the Fit India Movement, IIMT University organized the Event "Ek Ghanta Khel Ke Maidan Mein" during the academic session 2025. The program was conducted from 29th August to 31st August 2025, with a total participation of 130 students and faculty members.

Outcome:

The "Ek Ghanta Khel Ke Maidan Mein" activities were conducted over three days with various sports and recreational events to promote fitness and mass participation.

29th August 2025 – Indoor Recreation Activities (Due to Rainfall)

Due to heavy rainfall, outdoor activities could not be conducted on 29th August 2025. Therefore, the events were shifted to E Block (Indoor Facility). Recreational and fun-based games were organized for students and faculty members to ensure continued participation. Both students and faculty actively participated, creating enthusiasm and engagement in line with the Fit India and mass participation objectives.

30th August 2025 – Football and Basketball Events

On 30th August 2025, outdoor sports activities were conducted successfully. Football and Basketball matches were organized in the university sports ground. Students participated enthusiastically, demonstrating teamwork, coordination, and competitive spirit. Faculty members also encouraged and supervised the events.

31st August 2025 – Cycling Event

On 31st August 2025, a Cycling Event was organized as part of the "Ek Ghanta Khel Ke Maidan Mein" campaign. Participants rode bicycles within the university campus and nearby designated routes, promoting environmental sustainability, physical fitness, and endurance. The event highlighted the importance of cycling as a sustainable and healthy mode of physical activity.

Remark:

The implementation of the "Ek Ghanta Khel Ke Maidan Mein" initiative from 29th to 31st August 2025 at IIMT University successfully aligned with the objectives of National Sports Policy 2025, Pradhan Mantri Khel Yojna, and Fit India Movement. Despite weather challenges on the first day, the university ensured continuity of activities through indoor arrangements, demonstrating strong organizational planning and commitment to sports promotion. The dedication of National Sports Day 2025 to Major Dhyan Chand reinforced the national commitment towards promoting sports excellence, youth engagement, and physical fitness in line with the National Sports Policy 2025. The celebration served as a platform to honor India's sporting heritage and encourage students and youth to actively participate in sports and adopt a healthy lifestyle. IIMT University remains committed to continuing such initiatives to support the national vision of a fit, active, and sports-oriented youth population.

The Department of Physical Education facilitated the participation of the IIMT University Football Team in the prestigious Khelo India University Games held in Jaipur, Rajasthan, from 24th to 29th November 2025. The event brought together university football teams from across the country, providing a national platform for young athletes to compete and demonstrate their sporting abilities. The IIMT University Football Team was selected to represent the university in this national-level competition. The tournament witnessed participation from several reputed universities, making the competition highly competitive and exciting. The matches were played with great enthusiasm, showcasing teamwork, strategy, and athletic excellence from all participating teams.

Outcomes:

The IIMT University Football Team performed with determination and competitive spirit throughout the tournament. The players demonstrated commendable teamwork, coordination, and sportsmanship during their matches. During the competition, the team successfully secured **one** victory against their opponent, reflecting their effort and preparation. However, due to the strong level of competition and challenging matches against experienced teams, the team could not advance further in the tournament. Despite the tough competition, the players gained valuable exposure and experience by competing at a national-level sporting platform.

Closing Remark:

Participation in the Khelo India University Games provided the IIMT University Football Team with an excellent opportunity to compete with some of the best university teams in the country. The experience helped the players enhance their skills, confidence, and understanding of high-level competitive football. The Department of Physical Education appreciates the efforts and dedication of the players for representing the university with enthusiasm and sportsmanship. Such participation encourages the growth of sports culture within the university and motivates students to strive for higher achievements in future competitions.

Event Overview:

The All-India Inter-University Wrestling Championship (Women) 2025–26 was held from 17th to 20th March 2026 at Kurukshetra University, Kurukshetra, Haryana. The event witnessed participation from numerous universities across the country, displaying exceptional strength, determination, and competitive spirit among women wrestlers.

About the Event:

This prestigious national-level championship provided an excellent platform for female university athletes to showcase their wrestling skills. Representing IIMT University, two students—Tapasya Chahal and Harita Yadav — participated in the competition. Tapasya Chahal competed with remarkable energy and technical skill. She won **her** first two matches with impressive dominance, but faced defeat in her third bout, which prevented her from progressing further. Harita Yadav also demonstrated strong technique, determination, and fighting spirit. Although she performed well, she was unable to secure a win in her match and was eliminated from the tournament. Both athletes reflected dedication, discipline, and growth, contributing positively to the university's sporting profile.

The details of the team members are given below:

Sr. No.	Name	Course
1	MS. HARITA YADAV	BPES
2	MS. TAPASYA CHAHAL	BPED

Outcome:

Despite not securing medal positions, both IIMT University participants delivered noteworthy performances:

- **Tapasya Chahal:** Won 2 matches, eliminated in the 3rd round
- **Harita Yadav:** Competed strongly but lost her 2nd match

Their participation and fighting spirit highlight the improving standard of wrestling training and competitive readiness at IIMT University.

Remarks:

Both wrestlers displayed exemplary sportsmanship, resilience, and commitment to representing the university at a national-level championship. Their efforts and on-mat confidence show promising potential for future tournaments. The participation of IIMT University athletes in such a high-level event reflects the institution's continuous encouragement and support for women's sports. With enhanced training, exposure, and competitive experience, both wrestlers are expected to achieve stronger performances in upcoming championships.
